INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
InteRebar Fabricators LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audit of the financial statements of InteRebar Fabricators LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of InteRebar Fabricators LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of InteRebar Fabricators LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about InteRebar Fabricators LLC 401(k) Plan's ability to continue as a going concern for the next twelve months.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the InteRebar Fabricators LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about InteRebar Fabricators LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INTEREBAR FABRICATORS LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

A. Description of the Plan

The following description of the InteRebar Fabricators LLC (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Amendment

On May 1, 2021, InteRebar Fabricators LLC adopted and restated the plan previously adopted on May 12, 2017, by Metal Partners Rebar LLC (formerly Metal Partners Rebar LLC (401(k) Plan).

General

The Plan is a defined contribution and a profit sharing non-standardized plan, as described in sections 401(k) and 401(a) of the Internal Revenue Code, respectively. The Plan covers all employees of the Company who have attained age 21 and completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants to the plan may contribute up to 92% of their pre-tax annual compensation, limited to $20,500 and $19,500 for the years ending December 31, 2022, and 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans. The Company makes a matching contribution at their discretion. The Company has the right to terminate matching contributions at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's matching contribution, any rollovers into the Plan, the Company's discretionary contribution, if any, and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, rollovers, and actual earnings thereon. After 2 years of service, a participant is 100% vested in the Company's matching contribution portion of their accounts plus actual earnings thereon.

A. Description of the Plan -continued

Investment Options

A participant may direct contributions to any of several investment options.

Notes receivable from participants

Participants may borrow, from their accounts, a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans must be fully repaid within 5 years or up to 15 years for the purchase of a primary residence. Participant loans are collateralized by the participant's vested interest in the Plan and bear interest at a rate determined by the Plan administrator. During 2022, the interest rate on notes receivable was 4.25-8.50%. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. Delinquent participant loans are recorded as distributions based on the terms of the Plan agreement.

Payment of Benefits

Upon termination of service, death or disability, benefits of participants with a vested value in the Plan are distributed in a single lump-sum payment.

In-service withdrawals are permitted for certain financial hardships.

Forfeitures

Upon termination of service, participants forfeit the unvested portion of their account balance to the extent not vested. Forfeitures are used to reduce future Company matching contributions Forfeitures amounted $1,586 and $30,755 for the years ended December 31, 2022, and 2021, respectively.

Risks and Uncertainties

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rates and market risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available For Benefits.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with the United States generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits and Withdrawals

Benefits to, and withdrawals made by, participants are recorded when paid.

Administrative Costs

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping and other fees paid by the Plan. Investment-related expenses are included in net appreciation of fair value of investments.

Investments

The Plan's investments are stated at fair value. Purchases and sales transactions are recorded on a trade date basis. Any gain or loss resulting from the sale of fund units is determined as the difference between the sales proceeds and the cost of the units sold.

Net appreciation (depreciation) in the fair value of investments consists of the realized gains or losses and the unrealized appreciation (depreciation) on investments.

B. Summary of Significant Accounting Policies – continued

Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

B. Summary of Significant Accounting Policies – continued

Fair Value Measurements - Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the plan at year end.

Notes receivable: Valued at their unpaid principal balance plus any accrued but unpaid interest.

Guaranteed investment contract: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

B. Summary of Significant Accounting Policies – continued

Fair Value Measurements - continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022		
Description	Level 1	Level 3	Total
Mutual funds	$ 874,393	$ -	$ 874,393
Guaranteed investment contract	-	131,240	131,240
	$ 874,393	$ 131,240	$ 1,005,633

	Assets at Fair Value as of December 31, 2021		
Description	Level 1	Level 3	Total
Mutual funds	$ 949,660	$ -	$ 949,660
Guaranteed investment contract	-	62,749	62,749
	$ 949,660	$ 62,749	$ 1,012,409

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022, there were no significant transfers in or out of Levels 1, 2 or 3.

B. Summary of Significant Accounting Policies – continued

Fair Value Measurements - continued

The table below sets forth a summary of changes in the fair value of the Guaranteed Investment Option, the Plan's level 3 assets for the years ended December 31, 2022 and 2021:

	2022	2021
Balance, beginning of year	$ 62,749	$ -
Purchases	68,384	81,450
Sales and fees	(1,534)	(19,250)
Gain in value	1,641	549
Balance, end of year	$ 131,240	$ 62,749

The Plan has a guaranteed general-account annuity contract issued by Principal Life Insurance to Principal. The general account is credited with earnings and charged for withdrawals and administrative expenses incurred by Principal. The guaranteed interest rate for 2022 and 2021, respectively, was 1.65% and 1.25%.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Tax Status

The plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more-likely-than-not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.
