PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN
Oak Brook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022, and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2022, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description provides only general information on the provisions of the **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN** (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan established by **Premier Landscape Contractors** (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Eligibility and Participation

All employees are eligible to participate except for employees covered under a collective bargaining agreement. To satisfy eligibility, employees must have attained age 19 and completed one year of service with at least 1,000 hours worked. The date of entry into the Plan is the first day of the quarter following the date that the participant satisfies the eligibility requirements. Prior to January 1, 2017, the eligibility for employee contributions was on their date of hire.

C. Contributions

Participants may elect to contribute up to 100% of their pre-tax annual compensation up to statutory limits, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Upon meeting eligibility requirements, the Company matches 100% of employee contributions up to 3% of compensation, and 50% of employee contributions between 3% and 5% of compensation. The maximum deferrals and contributions are subject to IRC limitations. The Company may make discretionary safe harbor matching contributions based on a percentage of salary deferrals. The Company may also make a discretionary profit-sharing contribution based on the proportion that each participant's compensation has to the total compensation for all participants.

D. Participant Accounts

Individual accounts are maintained for each participant to reflect the participant's contributions and related employer matching contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations are based on the participant's eligible compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting

Participants are fully vested in their contributions and the Company's safe harbor matching contributions. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the Plan, are considered 100% vested. Company discretionary profit-sharing contributions are vested in accordance with the following schedule:

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN – Continued

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Vesting under the Plan is based upon the 'hours of service' method. The participant will receive a year of service upon completion of 1,000 hours of service during the Plan year.

F. Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. Participants in service may make hardship withdrawals from their vested contributions upon demonstration of immediate and heavy financial need. Participants in service may also make in service withdrawals upon reaching normal retirement age. The form of payment is a lump-sum distribution or substantially equal periodic installments over a period selected by the participant not to exceed the participant's life expectancy.

G. Notes Receivable from Participants

A participant may borrow the lesser of $50,000 or 50% of his or her vested account balance. A participant may only have one outstanding loan at any time with a minimum loan amount of $1,000. Loans are repaid through payroll deductions over a period ranging up to 60 months, unless used to purchase a primary residence. The total participant loan balance outstanding as of December 31, 2022 and 2021 was $63,632 and $51,827, respectively.

H. Forfeitures

Participant forfeitures are used to reduce the Plan's administrative expenses. In 2022 and 2021, forfeitures of $242 and $0 were used, respectively, to offset administrative expenses. At December 31, 2022 and 2021, the Plan had $0 and $265 in unapplied forfeitures, respectively.

I. Excess Contributions Payable

Employee contributions of $215,617 and $61,797 for the plan years ended December 31, 2022 and 2021 are net of reductions of $0 and $8,565, respectively, for amounts payable to certain active participants to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Those amounts are included on the Plan's Statement of Net Assets Available for Benefits as excess contributions payable at December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Participant loans are valued at the outstanding principal balances. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis, and dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

E. Payments of Benefits

Single lump-sum payments, hardship distributions and required minimum distributions to participants are recorded upon distribution.

F. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS

VALUATION OF INVESTMENTS – FASB ASC 820, *Fair Value Measurements and Disclosures,* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in active markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2022 and 2021.

> *Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 3. FAIR VALUE MEASUREMENTS – Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,153,464	$ -	$ -	$ 1,153,464
Total	$ 1,153,464	$ -	$ -	$ 1,153,464

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,023,236	$ -	$ -	$ 1,023,236
Total	$ 1,023,236	$ -	$ -	$ 1,023,236

NOTE 4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included on accompanying financial statements and supplementary schedule are complete and accurate:

a. Total investments as shown on the accompanying Statements of Net Assets Available for Benefits of $1,153,464 and $1,023,236 as of December 31, 2022 and 2021, respectively.

b. Total investment income (loss) as shown on the accompanying Statements of Changes in Net Assets Available for Benefits of ($211,208) and $145,553 for the years ended December 31, 2022 and 2021, respectively.

Additionally, the Trustee certified all information on the Schedule of Assets (Held at Year End) at December 31, 2022, which may be found on the supplementary schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included on the related financial statements and supplementary schedule.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Trust Company. Principal Trust Company is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan adopted accounting principles related to uncertain tax positions. Currently, the 2019, 2020 and 2021 tax years are open and subject to examination by the Internal Revenue Service and the Department of Labor. However, the Plan is not currently under audit nor has the Plan been contacted by either of these jurisdictions.

The Plan has evaluated its tax positions taken for all open tax years. Based on the evaluation of the Plan's tax positions, the Plan Administrator believes all positions taken would be upheld under an examination. Therefore, no liability for the effects of uncertain tax positions was recorded at December 31, 2022 and 2021. Any interest and penalties recognized and associated with a tax position would be classified as other deductions on the Plan's financial statements. No such amounts were recognized in the years ended December 31, 2022 and 2021.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported on the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 9. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to form 5500:

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN
Oak Brook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022, and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN'S** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2022, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN

The following description provides only general information on the provisions of the **PREMIER LANDSCAPE CONTRACTORS 401(K) PLAN** (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan established by **Premier Landscape Contractors** (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Eligibility and Participation

All employees are eligible to participate except for employees covered under a collective bargaining agreement. To satisfy eligibility, employees must have attained age 19 and completed one year of service with at least 1,000 hours worked. The date of entry into the Plan is the first day of the quarter following the date that the participant satisfies the eligibility requirements. Prior to January 1, 2017, the eligibility for employee contributions was on their date of hire.

C. Contributions

Participants may elect to contribute up to 100% of their pre-tax annual compensation up to statutory limits, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Upon meeting eligibility requirements, the Company matches 100% of employee contributions up to 3% of compensation, and 50% of employee contributions between 3% and 5% of compensation. The maximum deferrals and contributions are subject to IRC limitations. The Company may make discretionary safe harbor matching contributions based on a percentage of salary deferrals. The Company may also make a discretionary profit-sharing contribution based on the proportion that each participant's compensation has to the total compensation for all participants.

D. Participant Accounts

Individual accounts are maintained for each participant to reflect the participant's contributions and related employer matching contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations are based on the participant's eligible compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting

Participants are fully vested in their contributions and the Company's safe harbor matching contributions. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the Plan, are considered 100% vested. Company discretionary profit-sharing contributions are vested in accordance with the following schedule:

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN – Continued

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Vesting under the Plan is based upon the 'hours of service' method. The participant will receive a year of service upon completion of 1,000 hours of service during the Plan year.

F. Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. Participants in service may make hardship withdrawals from their vested contributions upon demonstration of immediate and heavy financial need. Participants in service may also make in service withdrawals upon reaching normal retirement age. The form of payment is a lump-sum distribution or substantially equal periodic installments over a period selected by the participant not to exceed the participant's life expectancy.

G. Notes Receivable from Participants

A participant may borrow the lesser of $50,000 or 50% of his or her vested account balance. A participant may only have one outstanding loan at any time with a minimum loan amount of $1,000. Loans are repaid through payroll deductions over a period ranging up to 60 months, unless used to purchase a primary residence. The total participant loan balance outstanding as of December 31, 2022 and 2021 was $63,632 and $51,827, respectively.

H. Forfeitures

Participant forfeitures are used to reduce the Plan's administrative expenses. In 2022 and 2021, forfeitures of $242 and $0 were used, respectively, to offset administrative expenses. At December 31, 2022 and 2021, the Plan had $0 and $265 in unapplied forfeitures, respectively.

I. Excess Contributions Payable

Employee contributions of $215,617 and $61,797 for the plan years ended December 31, 2022 and 2021 are net of reductions of $0 and $8,565, respectively, for amounts payable to certain active participants to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Those amounts are included on the Plan's Statement of Net Assets Available for Benefits as excess contributions payable at December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Participant loans are valued at the outstanding principal balances. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis, and dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

E. Payments of Benefits

Single lump-sum payments, hardship distributions and required minimum distributions to participants are recorded upon distribution.

F. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS

VALUATION OF INVESTMENTS – FASB ASC 820, *Fair Value Measurements and Disclosures,* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in active markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2022 and 2021.

> *Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 3. FAIR VALUE MEASUREMENTS – Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,153,464	$ -	$ -	$ 1,153,464
Total	$ 1,153,464	$ -	$ -	$ 1,153,464

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,023,236	$ -	$ -	$ 1,023,236
Total	$ 1,023,236	$ -	$ -	$ 1,023,236

NOTE 4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included on accompanying financial statements and supplementary schedule are complete and accurate:

a. Total investments as shown on the accompanying Statements of Net Assets Available for Benefits of $1,153,464 and $1,023,236 as of December 31, 2022 and 2021, respectively.

b. Total investment income (loss) as shown on the accompanying Statements of Changes in Net Assets Available for Benefits of ($211,208) and $145,553 for the years ended December 31, 2022 and 2021, respectively.

Additionally, the Trustee certified all information on the Schedule of Assets (Held at Year End) at December 31, 2022, which may be found on the supplementary schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included on the related financial statements and supplementary schedule.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Trust Company. Principal Trust Company is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan adopted accounting principles related to uncertain tax positions. Currently, the 2019, 2020 and 2021 tax years are open and subject to examination by the Internal Revenue Service and the Department of Labor. However, the Plan is not currently under audit nor has the Plan been contacted by either of these jurisdictions.

The Plan has evaluated its tax positions taken for all open tax years. Based on the evaluation of the Plan's tax positions, the Plan Administrator believes all positions taken would be upheld under an examination. Therefore, no liability for the effects of uncertain tax positions was recorded at December 31, 2022 and 2021. Any interest and penalties recognized and associated with a tax position would be classified as other deductions on the Plan's financial statements. No such amounts were recognized in the years ended December 31, 2022 and 2021.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported on the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 9. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to form 5500:
