Independent Auditor's Report

To the Plan Administrator of
the Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k))

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k)), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k))'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k)) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k))'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k))'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k))'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k))
Notes to Financial Statements

1. Description of Plan

The following description of the Meltzer, Lippe, Goldstein & Breitstone, LLP Profit Sharing Plan (401(k)) (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan established effective January 1, 1992. The Plan was last amended and restated effective January 1, 2022. With respect to 401(k) deferrals and matching contributions, the Plan covers all employees of Meltzer, Lippe, Goldstein & Breitstone, LLP (the "Plan Sponsor") who are age 21 or older. The Plan requires a participant to complete 1,000 Hours of Service during and be employed on the last day of the Plan Year to be eligible to receive an allocation of employer contributions. If the Plan is top-heavy for a Plan Year, a minimum top-heavy contribution is allocated to those eligible participants who are employed on the last day of the Plan Year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan Administrator, Mercer Trust Company, the Plan's Institutional Investment Fiduciary, Trustee and Custodian, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors of the American Bar Association Retirement Funds (the Plan's Program Sponsor).

Participant accounts. Each participant's account is credited with the participant's contributions, as well as allocations of the employer discretionary matching contributions and Plan earnings. Those participants who elect to have their accounts managed by Voya Retirement Advisors are charged a fee to their accounts for such advice. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Vesting. Participants are immediately vested in their 401(k) contribution accounts. Participants begin vesting in their employer matching contribution accounts after two years of service (20% vesting) and receive an additional 20% vesting for each year thereafter. A participant is fully vested after six years of service, or, if earlier, normal retirement age.

Notes receivable from participants. Participants may borrow from their vested fund accounts a minimum of $1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance, or $50,000, reduced by the excess (if any) of the highest outstanding note balances during the 12-month period ending on the day before the note is issued, over the outstanding balance of notes from the Plan on the date the note is issued. The loan limit applies to all plans of the Plan Sponsor. The loans are secured by the balance in the participant's vested account. The loan interest rate is 1 percent above the prime rate (published in the Wall Street Journal and updated quarterly) as determined by the Trustee at the time of the loan. Principal and interest are paid ratably through semi-monthly payroll deductions. Terms range up to 5 years or greater for the purchase of a primary residence.

Forfeited accounts. At December 31, 2022 and 2021, forfeited non-vested accounts totaled $58,715 and $17,640, respectively. Forfeited non-vested accounts reduce employer contributions for all remaining participants in the subsequent year.

Contributions. Each year, participants may contribute an amount equal to a specified dollar amount or a percentage of their annual compensation, as defined in the Plan. Participants may contribute these amounts from their pre-tax annual compensation or from their post-tax annual compensation (Roth contributions), or a combination of both. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Contributions from participants are recorded as they are withheld from the participant's wages. Contributions from the Company are recorded in the period in which the related participant contributions are due.

The Plan Sponsor contributes 401(k) deferrals as elected by participants and may contribute a discretionary employer matching contribution (maximum compensation is limited to $305,000 for the current year). Contributions are made in accordance with and as required under the Internal Revenue Code and ERISA. Participants may also rollover distributions from other qualified retirement plans. Participants direct the investment of their fund balance into various diversified investment options offered by the Plan under the ABA Retirement Program.

Payment of benefits. Upon termination of service due to death, disability or retirement, a participant may elect to have his or her vested account paid in either a lump sum or installments.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as determined by the trustee, using market quotations and other available information. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Purchases and sales of securities are reported on a trade date basis. Interest income is recognized when earned. FASB Accounting Standards Codification ("ASC") Number 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). See Note 4 for discussion of Fair Value Measurements.

Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains or losses and the unrealized appreciation or depreciation of these investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid by the Company, as provided in the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Professional account management fees related to investment advice and account management services are charged directly to the participant's account who elected this service.

Subsequent Events

Subsequent events were evaluated through October 12, 2023, the date the financial statements were available to be issued.

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2022 and 2021.

Common-collective trusts: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-directed brokerage accounts (SDBA): At fair value SDBA accounts held at TD Ameritrade are linked exclusively to participant core retirement accounts that TD Ameritrade actively manage for those retirement plans on their platform. TD Ameritrade is responsible for the creation and administration of SDBA accounts.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022	**Level 1**	**Level 2**	**Level 3**	**Total**
Self-directed brokerage accounts	$2,510,661	-	-	$2,510,661
Total assets in the fair value hierarchy	2,510,661	-	-	2,510,661
Common-collective trusts measured at net asset value	-	-	-	27,157,530
Total investments at fair value	$2,510,661	-	-	$29,668,191

Assets at Fair Value as of December 31, 2021	**Level 1**	**Level 2**	**Level 3**	**Total**
Self-directed brokerage accounts	$3,608,409	-	-	$3,608,409
Total assets in the fair value hierarchy	3,608,409	-	-	3,608,409
Common-collective trusts measured at net asset value	-	-	-	30,103,004
Total investments at fair value	$3,608,409	-	-	$33,711,413

Investment Measured Using the Net Asset Value per Share Practical Expedient

The common collective trust funds (the “Funds”) in which the Plan participates, are maintained by Mercer Trust Company, the Institutional Investment Fiduciary and Trustee of the Plan. Interests in the Funds are represented by units, each of which represents an undivided pro-rata share of the net assets of a fund. Although similar in nature to mutual funds, the Funds are not traded on an active market. Participant transactions (purchases and sales) may occur daily, without requiring notice or restrictions of redemption. The Plan has no unfunded commitments as of December 31, 2022 and 2021.

The following table summarizes investment for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2022. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31, 2022	Fair Value at December 31, 2021	Unfunded Commitments	Other Redemption Restrictions	Redemption Notice Period
Collective Investment Trust	$27,157,530	$30,103,004	None	Daily	None

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Related-Party Transactions

All administrative expenses incurred in connection with the Plan are paid by the Sponsor. The Plan Sponsor does not seek reimbursement from the Plan for the payment of these expenses, including audit fees. Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee receives compensation from the Plan for these services.

All common collective trust funds are managed by the trustee and custodian, Mercer Trust Company. Transactions with such funds qualify as exempt from the prohibited party-in -interest transaction rules of ERISA. Voya Institutional Plan Services LLC is the record-keeper of the Plan's activity.

The trustee and record keeper are reimbursed for costs incurred, and the trustee receives a management fee for providing investment services. These costs are deducted from the Plan's investment value, and are reflected in the net change in the fair value of investments on the statement of changes in net assets available for benefits.

5. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. Tax Status

The Internal Revenue Service ("IRS") previously determined and informed the Plan Sponsor by letter dated July 8, 2010, that the Plan and related trust continued to be qualified and tax exempt in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was most recently amended and restated for compliance with the applicable provisions of the Pension Protection Act of 2006. The favorable IRS opinion letter that applies to this update is dated March 31, 2014.

The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan continues to be qualified and the related trust continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be takes that would require recognition of a liability (or asset) or disclosure in the financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2019.

7. Risks and Uncertainties

The Plan offers many diversified investment alternatives to its participants. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Information Certified by trustee and custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, the trustee and custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
