INDEPENDENT AUDITOR'S REPORT

To the Plan Participants and Plan Administrator of
Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) and profit-sharing plan, established on January 1, 2014 in accordance with the provisions of Internal Revenue Code ("IRC") Section 401. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration of the Plan

Camden Coalition of Healthcare Providers (the "Company") is the Plan administrator and is responsible for providing the participants and their beneficiaries with information about their rights and benefits under the Plan.

Eligibility Requirements

Employees become eligible to participate in the Plan after completing 6 consecutive months of service and are age twenty-one or older. Participants may enter the Plan on the first day of the month on or after the day all the age and service requirements have been met.

Contributions

Participants are able to contribute a portion of their compensation as a pre-tax deferral or as a Roth deferral upon entering the Plan. Participants may contribute an amount equal to a dollar amount or percentage of the contributing participant's compensation not to exceed the limits imposed by code section 401(k) under the IRC. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions and may defer up to an extra \$6,500 for the 2022 Plan year into the Plan as a pre-tax and/or Roth contribution once certain Plan limits have been met.

The Company has elected to operate the Plan as a qualified automatic contribution arrangement ("QACA"), operating as follows. Once eligibility requirements have been satisfied, the Plan administrator automatically contributes 3% of the participant's compensation from each payroll into the Plan on behalf of the participant, unless there has been an election made specifying a deferral percentage (including 0%). If no deferral election has been made, the initial deferral percentage will be increased by 1% on the first day of each Plan year until the participant reaches 6%. Automatic contributions will be treated as pre-tax deferrals.

The Company will make a QACA matching contribution based on the amount participants contribute into the Plan. The Company's matching calculation is 100% on participant deferrals up to 3% of compensation and 50% on deferrals between 3% and 5%. Additionally, the Company may make a discretionary profit-sharing contribution to the Plan annually. The Company did not make a profit-sharing contribution for the 2022 Plan year.

Participant Accounts

Participant accounts are credited with their contributions and the Company's matching contributions. The amount of matching contributions made by the Company is dependent on how much a participant is contributing during the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The participant's account is reduced by withdrawals and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

Participants are immediately 100% vested in all contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account, reduced by any outstanding loan balance. The loans are secured by the vested balance in a participant's account, must be repaid within one to ten years, and bear interest at rates ranging from 3.25% to 5.75%, which are commensurate with local prevailing rates as determined by the Plan administrator at the time the note was issued. Principal and interest are paid ratably through bi-weekly payroll deductions.

Withdrawals and Distributions

During employment, a participant may make withdrawals of vested amounts upon retirement, death, disability, hardship, or attainment of age 59½. Participants may choose to receive their distribution as either a lump sum payment, or in partial payments, which are not regularly scheduled.

Payment of Benefits

Upon termination of service, participants may elect to receive a lump sum distribution equal to the value of the participant's vested interest in the Plan, as soon as administratively feasible following the close of the valuation period. If a participant's vested account balance at the time of termination exceeds \$5,000, the participant may elect to defer payment until the participant attains retirement age.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Plan reserves the right to have certain Plan expenses be paid directly from Plan assets. Administrative expenses, such as custodial and audit fees, are paid by the Company, and are excluded from these financial statements.

Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan document to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan should terminate, each participant shall become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value as reported to the Plan by Ascensus Trust Company ("Ascensus"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Camden Coalition of Healthcare 401(k) Profit Sharing Plan and Trust
Notes to Financial Statements
December 31, 2022 and 2021

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net depreciation in the value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year-end plus realized gains (losses) on investments bought and sold during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments, and are not readily determinable.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net assets value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements
December 31, 2022 and 2021

Interest-bearing Cash: The cost basis of interest-bearing cash is considered to be fair value due to the highly liquid, short-term nature of these assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 92,824	\$ -	\$ -	\$ 92,824
Registered investment companies	3,615,321	-	-	3,615,321
Investments at fair value	<u>\$ 3,708,145</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,708,145</u>
	2021			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 61,536	\$ -	\$ -	\$ 61,536
Registered investment companies	3,882,749	-	-	3,882,749
Investments at fair value	<u>\$ 3,944,285</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,944,285</u>

4. TAX STATUS

The Company adopted a prototype plan as amended, which obtained its latest opinion letter on June 30, 2020 stating that the form of the Plan as amended is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for periods presented in these financial statements.

5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Ascensus, the trustee, except for comparing such information with information reported in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the year ended December 31, 2022. The trustee has certified to the completeness and accuracy of: all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the supplementary schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the interest income on notes receivable from participants and the investment income (loss) reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

December 31, 2022 and 2021

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Plan participants' account balances and the amounts reported in the financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2022, the Plan paid Ascensus fees of \$19,685 for Plan administration. Ascensus is the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Participants' notes receivable qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

8. SELF-CORRECTION PROGRAM

Plan management identified certain compensation was not being considered in the calculation of eligible compensation for employer QACA matching contributions during both the years ended December 31, 2022 and December 31, 2021. In order to correct this administrative error for the year ended December 31, 2022, management will calculate the missed opportunity of QACA matching contributions and remit to the plan in October of 2023. In order to correct this administrative error for the year ended December 31, 2021, management calculated the missed opportunity of QACA matching contributions in the amount of \$4,325 and this correction will be remitted to the Plan in October of 2023. Management is currently performing calculation of the impact of the matter for the 2022 plan year and believes the impact will not be material to the Plan financial statements.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 12, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, Plan management has determined that no subsequent events have occurred which would require recognition or disclosure in the financial statements.
