INDEPENDENT AUDITOR'S REPORT

To the Trustee of
Vollers, Inc. 401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Vollers, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Vollers, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vollers, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vollers, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vollers, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vollers, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedules, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, and Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following brief description of the Vollers, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Sponsor

The Plan sponsor, Vollers, Inc., is a member of a controlled group which includes the following companies (collectively, the "Company"):

- Vollers, Inc.
- Vollers Excavating & Construction, Inc.
- HVI Services LLC
- Stowaway Self Storage, LLC
- Stowaway Self Storage III, LLC
- Stowaway Self Storage IV, LLC
- Stowaway Self Storage V, LLC
- Stowaway Self Storage VI, LLC
- Stowaway Self Storage VII, LLC
- Stowaway Self Storage VIII, LLC

General

The Plan qualifies under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established for the purpose of providing eligible employees of the Company, and their beneficiaries, funds for retirement. The Plan's trustee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's trustee.

Eligibility

An employee of the Company becomes an eligible participant in the Plan on the first day of the month following his or her hire date and the attainment of 21 years of age. The Plan excludes employees covered by a collective bargaining agreement and non-resident aliens.

Employee Contributions

Employees can elect to contribute up to 100% of eligible compensation, not to exceed \$20,500, or \$27,000 for employees over 50 years of age, for the year ended December 31, 2022. Under the Plan, participants may make tax deferred contributions and Roth elective contributions. The Plan has an automatic enrollment feature whereby newly eligible participants will be automatically enrolled in the Plan with a deferral rate of 6%. The Plan also has an auto escalation feature, whereby participant deferral percentages will increase by 1% each year, with a maximum escalation to 10%. Participants direct the investment of their contributions into one or more investment options offered by the Plan.

Employer Contributions

The following groups are subject to employer match:

Group 1 - Employees of Vollers, Inc.

Group 2 - Employees of Vollers Excavating & Construction, Inc.

Group 3 - All other employees

Vollers, Inc. 401(k) Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Matching contributions may be made, on a discretionary basis, for all persons who were active participants at any time during that payroll period and, are to be determined by employee group. Any percentage or specified dollar value chosen will apply for the entire Plan year. Employer matching contributions are calculated by employee group and are 50% of the first \$4,000 of participant contributions not to exceed \$2,000 for Group 3 and 50% of the first \$2,000 of participant contributions not to exceed \$1,000 for Group 1. Effective March 11, 2022, the Plan was restated to remove employee groups and the employer match will be made on a discretionary match basis. The Company elected to keep the same employer match formula through December 31, 2022.

For the 2022 Plan year, the Company did not make any matching contributions to Group 2.

For the 2022 Plan year, the Company made matching contributions to Groups 1 and 3 totaling \$61,025.

The Company may also make profit-sharing contributions which are a discretionary percentage determined at the option of the Board of Directors. During the year ended December 31, 2022, the Plan's sponsor did not elect to make any discretionary contributions.

Rollover Contributions

Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts

Individual accounts are established for each participant. The Plan is currently invested in common collective trusts, pooled separate accounts and shares of registered investment companies. Each participant's account is credited with the participant's pretax contributions, Roth contributions and the Company's matching contributions, as well as allocations of the Company's profit-sharing contributions and the proportionate share of investment income (loss) since the preceding valuation date. Allocations are based on participant earnings or account balances, as defined in the Plan document. The participant's account is reduced by withdrawals and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's employer contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested in the employer contribution after five years of credited service. Participants become fully vested upon death, total disability or normal retirement age.

The Plan provides for participants to vest in their account balances as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Forfeited nonvested accounts were \$4,627 and \$218 at December 31, 2022 and 2021, respectively. As permitted by Plan documents, these accounts are used to reduce the employer's matching contribution or to pay Plan expenses. During 2022, the employer contributions were reduced by \$6,469 from forfeited nonvested accounts.

Vollers, Inc. 401(k) Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Distributions and Withdrawals

Prior to age 59 ½, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability or termination of employment. Hardship withdrawals must be submitted to the Plan Administrator in writing. After attaining age 59 ½, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, the value of his or her contributed account balances as adjusted for earnings or losses thereon. Normal retirement age has been designated as 65. Distributions under the Plan are made in lump sums, direct transfer or annuities, and participants may receive a distribution for financial hardship only if they have received all other withdrawals or loans available to them under the Plan.

Notes Receivable from Participants

Participants may borrow, from their fund accounts, a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years. The loans are secured by the balance of the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the loan administrator. Principal and interest are paid ratably through weekly payroll deductions. At December 31, 2022, the interest rates ranged from 5.25% to 9.50%. The Plan allows only one outstanding loan per participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures, including contingencies. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides participants with the option to invest in various investment securities. All investment securities are exposed to some type of risk, including, but not limited to, exposure to changes in interest rates, market fluctuations, economic conditions and currency devaluation. Due to the level of risk associated with certain investment securities, it is possible that changes in the near term could materially affect certain participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Vollers, Inc. 401(k) Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Users of these financial statements should be aware that the financial markets' volatility may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2022 may not necessarily be indicative of the amounts that could be realized in a current market exchange.

Administrative Services

Certain administrative fees are charged against participant accounts by the custodians including loan fees, withdrawal fees and member requested service fees. All other significant administrative costs are absorbed by the Plan sponsor and are excluded from these financial statements. In addition, certain investment related transaction and administrative fees have been reflected as an offset of net investment income (loss) and are not readily determinable.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the custodians, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the custodians, Principal Life Insurance Company and Principal Trust Company, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

The following information, as of December 31, 2022 and 2021 and for the year ended December 31, 2022, was prepared from reports certified by the custodians:

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Common collective trusts: Contract value of the common collective trusts represent contributions made under the contract, plus earnings, less Plan withdrawals and administrative expenses. Net asset value of the underlying funds is reported by the investment advisor using the audited financial statements of the collective trusts at year-end.

Pooled separate accounts: Underlying investments include shares of pooled separate accounts that are valued at their accumulation value unit ("AVU"), which is based upon the net asset value of the shares of the underlying fund. The pooled separate accounts are valued daily as the number of accumulation units held multiplied by the AVU.

The investments in the common collective trusts and pooled separate accounts are valued utilizing the net asset valuation ("NAV") as a practical expedient to estimate fair value. The use of NAV is deemed appropriate as the common collective trust does not have a finite life, unfunded commitments relating to the types of investment or significant restrictions on redemptions. The practical expedient is used for valuation, unless it is probable that the Plan will sell a portion of the investment at an amount different from the net asset valuation.

Registered investment companies: The investments held by registered investment companies consist of shares of mutual funds and are valued on the last business day of the year based on published market values in active markets.

Notes to Financial Statements
December 31, 2022 and 2021

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

2022			
	Level 1	Level 2	Level 3
Registered investment companies	\$ 3,572,382	\$ -	\$ -

Investments measured at net asset value*			5,882,719
Investments, at fair value			\$ 11,937,386

* In accordance with Subtopic 820-10 of the fair value hierarchy framework, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Changes in Fair Value

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2022 and 2021, there were no transfers between levels.

5. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend or terminate the Plan at any time by resolution of its Board of Directors. In the event Plan termination occurs, all participants become 100% vested in their accounts and shall receive a total distribution of their accounts as described in the Plan document.

6. TAX STATUS

The Plan obtained its latest opinion letter for a prototype plan on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax exempt, and no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax-related interest or penalties for the periods presented in these financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the custodians and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation (depreciation) in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participants' account balances. During the Plan year 2022, fees of \$38,813 were paid to Principal Life Insurance Company and are reflected as administrative expenses. These transactions qualify as exempt party-in-interest transactions.

8. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 10, 2023, which is the date the financial statements were available to be issued. Based on this evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in the financial statements.
