Board of Trustees
COSMIC PET 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the COSMIC PET 401(K) PLAN (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As discussed in Note 1 to the financial statements, the Board of Trustees of the Plan voted on May 25, 2022, to merge the Plan into the DOSCKOCIL MANUFACTURING CO., INC. (d.b.a PETMATE) 401(K) Plan (Petmate 401(k) Plan), effective December 31, 2022. All plan assets were transferred to the Petmate 401(k) Plan on December 31, 2022. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are

presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COSMIC PET 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the COSMIC PET 401(K) PLAN (Plan) provides only general information. Participants should refer to the Plan Document or Summary Plan Description (SPD) for a more complete description of the Plan's provisions. The Plan Administrator is responsible for the oversight of the Plan. The Board of Trustees determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan was restated with a non-standardized pre-approved profit-sharing plan with an effective date of January 1, 2022. The new pre-approved document has a determination letter dated June 30, 2020. No relevant plan provisions changed as a result. In addition, the Plan was amended on May 25, 2022, and changed the name of the Plan from Cosmic Pet, LLC 401(k) Plan to COSMIC PET 401(K) PLAN.

On December 31, 2022, the Plan was merged with the DOSKOCIL MANUFACTURING CO., INC. (d.b.a PETMATE) 401(K) PLAN (Petmate 401(k) Plan). As a result, assets of the Plan were transferred to the control of the Petmate 401(k) Plan at December 31, 2022. The merger does not impact participant benefits as the benefit provisions were incorporated into the Petmate 401(k) Plan.

Eligibility - The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act (ERISA), covering all full-time employees of Cosmic Pet, LLC (Company or Plan Sponsor). Employees become eligible to participate in the Plan when they have completed 90 days of service. Employees are treated as participants on the first day of the month following the date on which eligibility requirements are met. The Plan includes an auto-enrollment provision whereby, unless an eligible employee affirmatively elects otherwise, after receiving appropriate notice, deferral contributions shall be automatic at an initial rate of 4%. On January 1 of every year, if a participant does not affirmatively elect otherwise an automatic 1% increase to the pre-tax deferral rate will occur annually up to 10%.

Contributions - The Plan provides that the active participants may contribute on a pre-tax basis, after-tax basis, or a combination thereof to the Plan up to the maximum allowed by the Internal Revenue Code (\$20,500 for 2022) as adjusted for applicable percentages of compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2022). The Company's matching contribution is a percentage of the participant's "eligible contributions" to the Plan. The matching contribution is 100% of the first 3% and 50% of the next 2% of the employee's deferral. The Company may also contribute discretionary amounts if it so decides. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions, as well as their portion of the Company's contributions, into various investment options offered by the Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, Plan earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

COSMIC PET 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting - Participants are vested immediately in their contributions and safe harbor matching contributions plus earnings thereon. Discretionary non-safe harbor amounts are subject to vesting and are based on years of service. A participant is fully vested in their discretionary non-safe harbor contributions after four years of credited service.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates. Principal and interest are paid ratably through regular payroll deductions. Loan terms may not be longer than five years unless it is for the purchase of a principal residence in which case the loan term may not exceed 10 years. Notes receivable from participants are measured at their unpaid principal balance. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Normal Retirement - Normal retirement age is 59 ½ years of age.

Payment of Benefits - Payment of the participant's account at retirement, death, disability or termination is in the form of a lump-sum payment. Distributions to participants whose vested accounts do not exceed \$5,000 can be made upon termination of services in a lump-sum payment. For balances greater than \$5,000, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in the form of a lump sum payment.

Forfeitures - Forfeitures are used to reduce the Company's discretionary matching contributions or pay administrative expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0 and \$15, respectively. Forfeitures used to offset administrative expenses for the year ended December 31, 2022 were \$95

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates - The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. The purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

COSMIC PET 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefits Paid - Benefits are recorded when paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based upon the terms of the Plan document

Administrative Expenses - Certain expenses to maintain the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value on investments.

Subsequent Events - These financial statements considered subsequent events through October 11, 2023, the date the financial statements were available to be issued.

3. INVESTMENTS CERTIFIED BY DELAWARE CHARTER GUARANTEE AND TRUST COMPANY D/B/A PRINCIPAL TRUST COMPANY AND PRINCIPAL LIFE INSURANCE COMPANY (UNAUDITED)

The following is a summary of the information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company (collectively, Principal) and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Principal that information provided to the Plan Administrator by Principal related to the following is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information below, the values in Note 4, and the values in the supplemental schedule related to the following.

	2022	2021
Investments at fair value:		
Collective investment trust	\$ --	\$ 4,260,127
Separate account	1,763	175,071
Mutual funds	--	1,000,271
	<u>\$ 1,763</u>	<u>\$ 5,435,469</u>

Principal also certified to the completeness and accuracy of \$(978,854) of net change in fair value of investments, dividends, and interest of \$14,476 related to the aforementioned assets for the year ended December 31, 2022.

COSMIC PET 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The following are three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Separate Account - These investments are invested in a single mutual fund. The fair value of the mutual fund is a publicly quoted pricing input used in determining the net asset value (NAV). The NAV is the basis for current transactions and has a readily determinable value. Participant transactions (purchases and sales) may occur daily.

Collective Investment Trust - These investments are invested in a collective trust fund and a variety of mutual funds valued at NAV. NAV is used as a practical expedient to estimate the fair value. NAV is based on the fair value of the underlying investments held by the fund less its liabilities and valued based on quoted prices in the active market. NAV is the basis for current transactions and the collective investment trust can be redeemed at NAV. Participant transactions (purchases and sales) may occur daily.

Mutual Funds - These investments are valued based on quoted prices in active market.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels described previously.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by Principal (party-in-interest) and, therefore, these transactions, along with notes receivable from participants, qualify as party-in-interest transactions. Total fees incurred and paid directly by the Plan for investment management services and other expenses were \$19,232.

6. TAX STATUS

The Plan adopted a Non-Standardized Plan designed to qualify under Section 401 of the Internal Revenue Code. The Plan has obtained a copy of a favorable determination letter for the prototype plan dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

NOTES TO FINANCIAL STATEMENTS

7. PLAN TERMINATION

Although it has not expressed an intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the interests of the participants in the Plan shall be fully vested at the time of termination, and Principal shall liquidate all assets of the trust and continue to administer the trust in accordance with its provisions until all obligations have been satisfied.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. PROHIBITED TRANSACTIONS

During 2022, the Plan Sponsor inadvertently failed to deposit \$90 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. The Plan Sponsor identified this issue and will correct this failure in 2023. The correction and contribution of lost earnings will be made from the Plan Sponsor's assets and not from assets of the Plan. See also the supplemental schedule of delinquent participant contributions for more details.
