INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Employee Benefit Plan of the Children's Law Center:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Employee Benefit Plan of the Children's Law Center, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Employee Benefit Plan of the Children's Law Center's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employee Benefit Plan of the Children's Law Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of the Children's Law Center's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of the Children's Law Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of the Children's Law Center's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Employee Benefit Plan of the Children's Law Center
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following brief description of Employee Benefit Plan of the Children's Law Center (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1999 and is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of ERISA. The Plan was established for the purpose of providing eligible employees of The Children's Law Center (the "Employer") funds for retirement.

Eligibility

An employee of the Employer becomes eligible to participate in the Plan upon attainment of 18 years of age. The Plan excludes leased employees and non-resident aliens who do not receive any U.S. source income from the Employer. The entry date is the first day of the month following commencement of employment.

Contributions

Participant

A participant of the Plan may make contributions to the Plan through payroll deductions of any whole percentage up to 100% of compensation, as defined, up to the limit prescribed by the Internal Revenue Code ("IRC"). Any participant, age 50 or over, may make an additional "catch up" contribution as determined by the Internal Revenue Service. The Plan provides for automatic elective deferral contributions of two percent for all eligible employees. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants are allowed to transfer contributions between this Plan and the Children's Law Center Tax Deferred Annuity Plan, which is also provided by the Employer.

Employer

Employer matching contributions are not permitted under the Plan. However, Employer base contributions are permitted for all eligible employees who earned one year of service with 1,000 or more hours of service in an amount equal to 5% of that participant's compensation received during that Plan year while he/she satisfied the participation requirements.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of pooled separate accounts with varying investment objectives and an insurance investment contract as investment options. Each participant's account is credited with the participant's pre-tax contributions, the Employer base contributions, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employee Benefit Plan of the Children's Law Center
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

The Employer's contributions are 100% vested after the completion of two years of continuous service based upon the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 or more	100%

A participant's "vested percentage" is based on vesting years of service. Vesting years of service is the total of a participant's countable periods of service without regard to hours of service. A participant is always 100% vested in his/her own deferred salary contribution to the Plan and income earned thereon, but with respect to the Employer contributions, any unvested portion of his/her account shall be forfeited at termination and allocated to a participant who is active in the Plan at year end in the ratio that the compensation of such participant bears to the compensation of all Plan participants.

Forfeitures

Forfeitures of non-vested Employer contributions will be allocated to a participant who is active in the Plan at year end in the ratio that the compensation of such participant bears to the compensation of all Plan participants. At December 31, 2022 and 2021, forfeited non-vested amounts were \$22,337 and \$20,861, respectively.

Withdrawals

A participant may make withdrawals of vested amounts upon retirement, death, disability, separation from service, attainment of age 59-½, or hardship. A distribution will be made on account of hardship, for the Internal Revenue Code's safe harbor reasons, only if it is necessary in light of immediate and heavy financial needs of the participant.

Termination of the Plan

The Employer intends to continue the Plan indefinitely; however, the Employer reserves the right to terminate the Plan at any time. If a termination takes place, 100% interest in all of the amounts in the participants' accounts may be distributed to them at that time or in accordance with the benefit distribution rules.

Notes Receivable from Participants

The Plan allows for loans to be extended to participants for financial hardship or financial needs. All loan payments of principal and interest are credited to the participant's account. The maximum a participant may borrow, including the outstanding balance of existing Plan loans, is 50% of this or her vested account balance, excluding Employer contributions, not to exceed \$50,000 and the minimum amount is \$1,000. The loans bear interest at rates of 4.25% to 6.50% and are generally paid back over a period of one to nine years. Principal and interest are paid ratably through payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Units of the funds held by Mutual of America are valued at quoted prices of the funds, as provided by the trustee on the last day of the Plan year. Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income are recorded on the accrual basis. See Note 4 for discussion of fair value measurements.

Employee Benefit Plan of the Children's Law Center

Notes to Financial Statements

December 31, 2022 and 2021

Cash Equivalent in General Account

The Plan has a cash equivalent which is an investment in the Mutual of America General Account. The General Account is comparable to a cash equivalent for the following reasons:

- There are no front or back-end charges, so investments are completely liquid.
- The interest rate credited to investments in the General Account is a current rate and is not dependent upon the length of time the assets are invested with the investment custodian.
- Requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the Employer having to liquidate securities in order to generate payment.
- The value shown on the pension fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments, or interest rate adjustments that would affect the value as a result of a withdrawal request.

Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan's assets are invested in various pooled separate accounts and an investment contract with an insurance company. These investments, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

The expenses necessary to administer the Plan are either paid by the Employer or forfeited Employer contributions. Investment related fees are reflected as an offset of net investment income and are not readily determinable.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Distributions are recorded when paid.

Notes to Financial Statements
December 31, 2022 and 2021

3. TAX STATUS

The Plan adopted a non-standardized profit-sharing plan with CODA (Cash or Deferred Arrangement). By letter dated November 30, 2020, the Internal Revenue Service has determined that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC").

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there are no tax related interest or penalties for the periods presented in these financial statements.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Units held in pooled separate accounts are valued based on the net asset value ("NAV") of the shares held by the Plan at year end, which is based on the unit prices quoted by fund, representing the fair value of the underlying investments.

Employee Benefit Plan of the Children's Law Center
Notes to Financial Statements
December 31, 2022 and 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Total	Level 1	Level 2	Level 3
Pooled separate accounts, at NAV*	\$ 10,738,007	\$ -	\$ -	\$ -
Investments at fair value	\$ 10,738,007	\$ -	\$ -	\$ -

	2021			
	Total	Level 1	Level 2	Level 3
Pooled separate accounts, at NAV*	\$ 13,286,173	\$ -	\$ -	\$ -
Investments at fair value	\$ 13,286,173	\$ -	\$ -	\$ -

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 10,738,007	N/A	Daily	None

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

5. PARTY-IN-INTEREST

Certain Plan investments are shares of registered investment companies and an investment contract managed by Mutual of America. Mutual of America is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. There was \$1,173 in fees paid by the Plan for participant transaction fees for the year ended December 31, 2022. Notes receivable from participants are also party-in-interest transactions.

6. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustee except for comparing such information to related information included in the financial statements and supplemental schedule. Based on information provided and certified by Mutual of America Life Insurance Company, the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee.

	<u>2022</u>	<u>2021</u>
Cash equivalent in general account	\$ 564,301	\$ 537,793
Pooled separate accounts	\$ 10,738,007	\$ 13,286,173
Net depreciation in fair value of investments	\$ (2,403,768)	
Interest and dividends	\$ 1,375	
Interest on notes receivable from participants	\$ 13,627	

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 12, 2023, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.
