## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Gore Nitrogen Pumping Service, LLC 401(k) Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Gore Nitrogen Pumping Service, LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets Held (At End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **A. DESCRIPTION OF THE PLAN**

The following description of the Gore Nitrogen Pumping Service, LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan with a safe-harbor matching and profit-sharing component. The Plan covers eligible, full-time employees of Gore Nitrogen Pumping Service, LLC (the Company) or any affiliate of the Company, who have reached age 21 and have attained six months of service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Capital Bank and Trust Company (the Custodian) is the custodian of the Plan.

### *Contributions*

Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined by the Plan, up to IRS maximum limits. Salary deferral contributions can be made on a pre-tax basis or directed towards a Roth (after-tax) account. Participants who are projected to be age 50 or older by the end of a calendar year may also make catch-up contributions. Employee rollover contributions are also permitted. The Company makes a safe harbor matching contribution of 100% of an employee's salary deferral amount up to 4% of the employee's compensation. The Company may, in its sole discretion, make a profit-sharing contribution to the Plan. Participants are eligible to receive a profit-sharing allocation if they have at least 1,000 hours of service and are employed by the Company on the last day of the Plan year. No profit-sharing contributions were made by the Company in 2022. Contributions are subject to certain limitations.

### *Participant Accounts*

Investment account options available include various funds. Each participant has the option of directing their contributions into any of the funds offered by the Plan and may change the allocation daily. Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**A. DESCRIPTION OF THE PLAN (CONTINUED)**

*Notes Receivable from Participants*

Active, eligible participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (reduced by the highest outstanding loan balance during a twelve-month period) or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the plan administrator. Principal and interest are paid ratably through payroll deductions from each regular paycheck, over a term not to exceed five years (except for loans used for the purchase of a principal residence).

*Vesting and Forfeitures*

Participants are vested immediately in their contributions and safe-harbor matching contributions. Participant's interest in non-safe harbor matching contributions (such as profit-sharing contributions), if made, will vest based on years of vesting service, as defined, in accordance with the following schedule:

| <u>Years of vesting service</u>      | <u>Vesting<br/>Percent</u> |
|--------------------------------------|----------------------------|
| Less than two years                  | 0%                         |
| Two years but less than three years  | 20%                        |
| Three years but less than four years | 40%                        |
| Four years but less than five years  | 60%                        |
| Five years but less than six years   | 80%                        |
| Six or more years                    | 100%                       |

Forfeited amounts from the non-vested portion of benefits paid to participants can be used to reduce Company contributions or pay Plan expenses. The total forfeiture balance as of December 31, 2022 and 2021 was \$8,131 and \$6,697, respectively. There were no forfeitures used for the year ended December 31, 2022.

*Payment of Benefits*

Upon termination of service, an employee may elect to receive either a lump-sum amount equal to the value of their account or to roll over the amount to another retirement plan (if the account balance is greater than \$1,000). If the account balance is between \$1,000 and \$5,000, and the employee does not make this election, their distribution will automatically be rolled over to a qualified Individual Retirement Account (IRA). If the account balance is less than \$1,000, the distribution will automatically be paid out in a lump-sum payment. Account balances greater than \$5,000 require a participant to consent to the distribution. In-service distributions may be made upon attainment of normal retirement age. Hardship distributions are allowed for participants who have demonstrated an immediate and heavy financial need.

## **B. SUMMARY OF ACCOUNTING POLICIES**

### *Basis of Accounting*

The financial statements of the Plan are prepared under the accrual basis of accounting.

### *Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### *Investment Valuation*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

### *Notes Receivable from Participants*

Loans are valued at their unpaid principal balances, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reported as distributions.

### *Payment of Benefits*

Benefits are recorded when paid.

### *Administrative Expenses*

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participant's account.

**C. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022;
- Investment information included in the footnotes as of December 31, 2022 and 2021 and on the supplemental schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

**D. FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

| Investment Category | Fair Value    | Level 1 Inputs | Level 2<br>Inputs | Level 3<br>Inputs |
|---------------------|---------------|----------------|-------------------|-------------------|
| December 31, 2022:  |               |                |                   |                   |
| Mutual funds        | \$ 9,291,285  | \$ 9,291,285   | \$ -              | \$ -              |
| December 31, 2021:  |               |                |                   |                   |
| Mutual funds        | \$ 10,017,903 | \$ 10,017,903  | \$ -              | \$ -              |

Accounting Standards Codification Topic 820, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

*Level 1 Fair Value Measurements*

Fair values are based on quoted market prices in active markets for identical issues that the plan has the ability to access at the measurement date. The Plan's Level 1 investments include mutual funds valued based on quoted prices for identical assets on the measurement date.

**D. FAIR VALUE MEASUREMENTS (CONTINUED)**

*Level 2 Fair Value Measurements*

Fair values are based on inputs rather than quoted market prices included within Level 1 that are observable for valuing the asset, either directly or indirectly. Observable inputs include quoted prices for similar assets in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The Plan holds no Level 2 investments.

*Level 3 Fair Value Measurements*

Fair values are based on unobservable inputs used for valuing the asset. Unobservable inputs are those that reflect the Plan's own assumptions about assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. The Plan holds no Level 3 investments.

**F. PLAN TERMINATION**

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will continue to be 100% vested in their accounts as defined in Note A, and would become 100% vested in any non-vested portion of their accounts resulting from profit sharing contributions, if any.

**G. TAX STATUS**

The Plan operates under a non-standardized adoption agreement in connection with a prototype profit sharing plan sponsored by the Plan's third-party administrator. The Internal Revenue Service advised on March 31, 2008, that the prototype plan, which the Plan has adopted, constitutes a qualified plan under Section 401 of the Internal Revenue Code and that the related trust was tax exempt as of the date of the letter. The Plan has been amended since the date of the letter; however, the plan administrator believes that the Plan and the related trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Generally accepted accounting principles requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. At December 31, 2022 and 2021 the Plan had no material tax liabilities or assets. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **H. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **I. PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan paid \$32,358 of administrative fees to the Custodian in 2022. Certain accounting and auditing fees related to the Plan are paid by the Company. The Company does not expect reimbursement from the Plan for these services. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

Certain plan investments are managed the Custodian. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

## **J. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through the date of the independent auditor's report, which is the date the financial statements were available to be issued.
