To the Plan Administrator and Plan Participants of
WSS 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of WSS 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of WSS 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WSS 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the WSS 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WSS 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by LTSP, Inc., whose practice merged with Marcum LLP as of June 1, 2022. LTSP, Inc. performed an audit of the 2021 financial statements of WSS 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were present fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified

information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the WSS 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan was established effective January 1, 2007 by Eurostar, Inc. (the "Company" or "Employer"), in recognition of the contribution made to its operations by its employees, for the benefit of its eligible employees, and to provide a tax-qualified retirement plan to supplement the Company's employees' income upon retirement, death, or disability. The Plan has a salary deferral arrangement provision as defined under Section 401 of the Internal Revenue Code ("IRC"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

PARTICIPANT ELIGIBILITY

The Company's employees are eligible to participate in the Plan after they are 21 years of age and upon the completion of 3 months of service. Eligible participants may enter the Plan on the first day of the calendar month coincident with or following the satisfaction of the eligibility requirements.

CONTRIBUTIONS

Each year, participants may contribute an elected percentage of their compensation on a pre-tax basis, subject to the limitations as defined by the IRC. The Plan has an automatic compensation reduction provision, in which participant will automatically be enrolled with a 4% deferral election once they reach eligibility, unless they affirmatively make another election. The initial percentage will increase annually by 1% as of the first day of the plan year, up to a maximum of 8%.

The Company may make a discretionary matching contribution each year as determined by the Employer. For the year ended December 31, 2022, the Company matched 50% of the participant's deferral up to 2% of their eligible compensation.

The Company may make a discretionary profit-sharing contribution at the end of each Plan year without regard to the Company's current or accumulated profits. Employees must have completed one year of service (defined as 1,000 hours) and be employed on the last day of the Plan year to receive an allocation of the non-matching contribution. The Company did not make a discretionary profit-sharing contribution for the year ended December 31, 2022.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Participants direct the investment of all contributions to their account into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contributions, (b) the Company's discretionary non-matching contributions and (c) Plan earnings less an allocation of investment and operating expenses charged to the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are 100% vested in their elective contributions plus actual earnings thereon. Vesting in the Company's discretionary employer matching and discretionary profit-sharing contributions and related earnings is based on years of continuous service according to the following schedule:

Years of Service	Percentage
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more years	100%

The participant's account shall become fully vested upon the participant's retirement date or prior to the retirement date in the event of death or total and permanent disability.

FORFEITURES

Amounts forfeited from terminating participants' non-vested portion of their Company contributions and earnings on such contributions may be used to pay administrative expenses under the Plan or to reduce the Company matching contributions. During the year ended December 31, 2022, no forfeitures were used to offset Company matching contributions and approximately $34,200 were used to pay administrative expenses. As of December 31, 2022 and 2021, there was approximately $1,100 and $10,500, respectively, of unallocated forfeitures available to offset future Company contributions or pay administrative expenses.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts up to a maximum of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates as determined by the Plan. Generally, loans must be repaid within five years, unless the loan was for the purchase of a principal residence. In this case, the repayment period may be extended. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, or retirement, participants (or beneficiaries) may elect to receive a lump-sum amount equal to the value of the vested interest in their account. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Active participants may withdraw in a single sum any part of their vested account resulting from rollover contributions at any time, any part of their vested account resulting from elective deferral contributions in the event of undue financial hardship, or any part of their vested account upon attainment of age 59 ½.

In accordance with the plan provisions and Internal Revenue Code, participants that have reached the age of 72 or older are required to receive Required Minimum Distributions.

The Plan allows automatic rollover to an individual retirement account ("IRA"), if the terminated participant's account balance exceeds $1,000 but does not exceed $5,000. Unless the terminated participant elects to rollover the account balance or to receive the distribution directly, the Plan administrator can distribute the entire balance to an IRA designated by the Plan administrator. Automatic distributions will be given to terminated participants with account balances of $1,000 or less.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements for the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Except for unutilized forfeitures (see Note 1), all assets are allocated to the Plan's participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

All investments are carried at fair value or an approximation of fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan classifies participant loans as notes receivable from participants in the statements of net assets available for benefits and measures them at their unpaid principal balance plus any accrued interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent or defaulted notes receivable from participants are written off as "deemed" distributions at the end of the quarter following the quarter in which the default occurs.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution.

PLAN ADMINISTRATIVE EXPENSES AND EXPENSE BUDGET ACCOUNT

The Company provides or pays for certain accounting, legal, administrative and management services without charge to the Plan. Expenses paid by the Company are not included in these financial statements. Fees relating to administration of notes receivable from participants and certain fees related to distribution are charged directly to participants' accounts and included in administrative expenses. Additionally, certain recordkeeping and advisory fees may be paid from forfeitures if forfeitures are available.

Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PLAN ADMINISTRATIVE EXPENSES AND EXPENSE BUDGET ACCOUNT (CONTINUED)

Revenue sharing fees may be used to reduce administrative expenses. Total revenue sharing fees of approximately $55,800 were credited back to the Plan during the year ended December 31, 2022 and approximately $56,000 of revenue sharing fees were used to pay administrative expenses. As of December 31, 2022 and 2021, there was approximately $15,300 and $15,000, respectively of revenue sharing fees available for use.

CONCENTRATIONS

As of December 31, 2022, one investment accounts for approximately 35% of the Plan's net assets.

NOTE 3 - INSURANCE CONTRACTS

GROUP ANNUITY CONTRACT

The Plan participates in a group annuity contract ("stable value account") with Transamerica Life Insurance Company ("Transamerica"), an investment contract issuer, whereby the assets of the Plan are part of the general assets of Transamerica. The stable value account offers a full guarantee on principal and interest by Transamerica.

The interest crediting rate is determined semi-annually, the interest crediting rate is calculated based upon many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. As of December 31, 2022 and 2021, the crediting interest rate on the contract was 1.30% and 1.10%, respectively.

Contract value is the relevant measurement attribute for the investment contract since it was determined to be fully benefit-responsive. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract issuer is contractually obligated to repay the principal and a specified interest rate.

NOTE 3 - INSURANCE CONTRACTS (CONTINUED)

GROUP ANNUITY CONTRACT (CONTINUED)

The stable value account promises contract value for a benefit event (termination, death, disability and retirement), however, there are possible market value adjustments when funds are withdrawn prior to their maturity. There may be withdrawal restrictions associated with this contract based on certain Plan level initiated transactions.

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends and interest income from notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Collective investment trust funds: These investments are public investment securities valued using the Net Asset Value ("NAV") as the practical expedient provided by the investment contract issuer. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments held by each fund. A majority of the investments held by each fund are traded on an active market.

Interest bearing cash: These investments represent cash held by a custodian which earns interest.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level within the fair value hierarchy the investments held by the Plan as of December 31, 2022 and 2021:

December 31, 2022	Fair Value Measurements Using Input Type			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 15,338	$ --	$ --	$ 15,338
Total investments categorized in the fair value hierarchy	$ 15,338	$ --	$ --	15,338

Collective investment trust funds measured at NAV*				11,473,700
Total Investments at Fair Value				$11,488,751

**Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the Statements of Net Assets Available for Benefits.*

Certain collective investment trust funds restrict transfers into the investment fund to once in any rolling 30 day period once a transfer out has been made. There are no other redemption restrictions, redemption notice requirements, or unfunded commitments related to the common investment trust funds as of December 31, 2022 and 2021.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market Risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan was designed using a standardized volume submitter Plan document. The Internal Revenue Service ("IRS") has determined and informed the volume submitter plan sponsor by a letter dated June 30, 2020 that the volume submitter plan document used by the Plan is designed in accordance with the applicable sections of the Internal Revenue Code. The Plan is operating in reliance on the prototype plan opinion letter. The Plan has been amended since receiving the latest IRS opinion letter, however, the plan administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan holds investments in a group annuity contract and interest-bearing cash which is managed by Transamerica Life Insurance Company ("Transamerica"). Transamerica is the investment contract issuer as defined by the Plan. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments. These fees are paid to the investment fund managers, Transamerica, other investment custodians and investment advisors.

Additionally, as noted in Note 2, certain administrative expenses related to recordkeeping fees are paid directly to Transamerica and are included in administrative expenses. Certain fees may be paid to service providers that are consider parties-in-interest under ERISA and are included in administrative expenses.

The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations.

These transactions qualify as party-in-interest transactions for which there are statutory exemptions.

NOTE 10 - PROHIBITED TRANSACTIONS

During the Plan year ended December 31, 2022, the plan sponsor inadvertently failed to deposit $383,951 of participant deferrals within the required timeframe as stated by ERISA. These deferrals were deposited beyond the earliest expected date on which assets could be segregated from the employer's assets. The U.S. Department of Labor considers late deposits to be prohibited transactions. The lost earnings correction on the participant deferrals for the 2022 Plan year were deposited into the Plan in 2023.

The plan sponsor has self-corrected these prohibited transactions and does not believe that these issues will have a material impact on the Plan's net assets available for benefits or the Plan's tax status.

NOTE 11 - RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The differences between the Form 5500 reporting and the financial statement reporting is primarily due to the Form 5500 being prepared on a modified cash basis of accounting while the financial statements are prepared on the accrual basis of accounting.

NOTE 11 - RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500 (CONTINUED)

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31, 2022	December 31, 2021
Net assets available for benefits per the financial statements	$ 11,757,789	$ 12,395,991
Less: Participant Contributions Receivable	(534)	(83,082)
Net Assets Available for Benefits Per The Form 5500	$ 11,757,255	$ 12,312,909

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500:

	Year Ended December 31, 2022
Net decrease in net assets available for benefits per the financial statements	$ (638,202)
Less: Current year Participant Contributions Receivable	(534)
Add: Prior year Participant Contributions Receivable	83,082
Net Decrease in Net Assets Available For Benefits Per The Form 5500	$ (555,654)

NOTE 12 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 13, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
