In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The Black Angus Steakhouses, LLC Savings and Investment Plan (the "Plan") was established on January 1, 1989 to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees, as defined in the Plan, of Black Angus Steakhouses, LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The assets of the Plan are held in a trust by Reliance Trust Company (the "trustee").

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Eligibility

Employees are eligible to participate in the Plan after a six-month service requirement and reaching age 21. The Plan will automatically enroll participants with a default deferral rate of 3%. In addition, all eligible employees not contributing or contributing less than 3% will be re-enrolled at the 3% deferral rate.

B. Contributions

The Plan permits each participant to contribute up to the Internal Revenue Code (the "IRC") annual maximum.

The Company may, at its discretion, make matching and profit sharing contributions. There were no Company contributions during the year ended December 31, 2022.

C. Vesting

A participant is fully vested immediately as to their contributions, rollover contributions and related earnings thereon. Company contributions plus related earnings are vested as follows:

Vesting Service (Years)	Vesting Percentage (%)
Less than 2	0
At least 2, but less than 3	20
At least 3, but less than 4	40
At least 4, but less than 5	60
At least 5, but less than 6	80
6 or more	100

Employees must complete at least 1,000 hours of service to receive a year of vesting service.

D. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee, whichever applies. Normal retirement age is 65. Hardship withdrawals are permitted.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Notes Receivable from Participants

At the discretion of the plan administrator, a participant is allowed to borrow a maximum of 50% of his or her vested account balance, up to $50,000. The minimum loan is $1,000. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. All loans must be adequately secured and accrue interest at the prime rate plus 1%.

F. Forfeitures

Forfeitures of terminated participants' non-vested accounts are applied to reduce employer contributions and Plan expenses. There were no forfeitures for the year ended December 31, 2022. Forfeitures of $2,000 were applied to Plan expenses for the year ended December 31, 2022. Investments as of December 31, 2022 and 2021 include $401 and $397, respectively, of forfeited funds available for future use.

G. Administrative Expenses

Most of the Plan's administrative expenses are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Actual results may differ from those estimates.

C. Payments of Benefits

Benefits are recorded when paid.

D. Risks and Uncertainties

The Plan provides for investment options in any combination of investment funds offered by the Plan. Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in equity markets, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 3 - INCOME TAX STATUS

The Plan has adopted a prototype plan, which has received an opinion letter from the Internal Revenue Service that the Plan is designed in compliance with the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to ERISA and the provisions set forth in the Plan. In the event of plan termination, participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries, after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2022 and 2021 and investment income (loss) for the year ended December 31, 2022 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the trustee of the Plan.

NOTE 7 - FAIR VALUE MEASUREMENTS

The participants select how their share of Plan assets will be invested among those investment vehicles made available.

Accounting guidance on measuring fair value establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds and the exchange traded fund are valued at closing market prices. The following tables set forth Plan investments measured at fair value based on the inputs used to value them at December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 9,604,659	$ -	$ -	$ 9,604,659
Exchange Traded Fund	512,562	-	-	512,562
Total Assets in the Fair Value Hierarchy	$ 10,117,221	$ -	$ -	10,117,221
Investments Measured at Net Asset Value [A]				1,255,571
				$ 11,372,792

	2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 12,234,008	$ -	$ -	$ 12,234,008
Exchange Traded Fund	609,966	-	-	609,966
Total Assets in the Fair Value Hierarchy	$ 12,843,974	$ -	$ -	12,843,974
Investments Measured at Net Asset Value [A]				1,088,770
				$ 13,932,744

[A] In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no redemption restrictions.

	Fair Value		Unfunded	Redemption	Redemption
	December 31, 2022	December 31, 2021	Commitments	Frequency	Notice Period
Columbia Trust Stable Income Fund	$ 1,255,571	$ 1,088,770	None	Daily	None

NOTE 8 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan could be issued and managed by the trustee or its affiliates. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibition under ERISA.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2023, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
