Report of Independent Auditor

To,
The Participants and the Plan Administrator,
NIIT (USA), Inc. 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(c) audit of financial statements for the year ended December 31, 2022

We have performed an audit of the financial statements of NIIT (USA), Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2022 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in note 3 to the 2022 financial statements, is complete and accurate.

Opinion on the 2022 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s responsibilities for the audit of the 2022 financial statements section —

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2022 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s

responsibilities for the audit of the 2022 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2022 financial statements

Management is responsible for the preparation and fair presentation of these 2022 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2022 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2022 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2022, section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2022 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2022 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters - Supplemental schedules required by ERISA.

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2022, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2022 (under supplemental information), are presented for purposes of additional analysis and are not a required part of the 2022 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are

presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' report on the financial statements for the year ended December 31, 2021

The financial statements of the Plan for the year ended December 31, 2021, were audited by predecessor auditor. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, management, having determined it was permissible in the circumstances, elected to have the audit performed pursuant to ERISA Section 103(a)(3)(C). Accordingly, the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, as the statements or information regarding assets so held were prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). The predecessor auditor's report, dated September 26, 2022, indicated that (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and (b) the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF PLAN

The NIIT (USA), Inc. 401(k) Plan (the Plan) was established to make retirement benefits available to the employees of NIIT (USA), Inc. (the Company). The Plan was established in January 1995 and was last restated on January 1, 2014.

In 2018, the Company acquired Eagle Productivity Solutions (Eagle), which maintained its own 401(k) Plan through June 2021. In July 2021, all employees of Eagle became employees of NIIT (USA), Inc. and began participating in the Plan. All assets of the Eagle Plan were then transferred into the Plan.

In 2022, the Company acquired St. Charles Consulting Group, LLC, which maintained its own 401(k) Plan St. Charles Consulting Group, LLC 401(k) Plan & Trust through July 2023. In August 2023, St. Charles Consulting Group, LLC. became participating employer in the Plan. All assets of the St. Charles Consulting Group, LLC 401(k) Plan & Trust were then transferred into the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who are age twenty-one or older, except flex employees. To qualify for employer contributions (including matching), employees must have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100 percent of pretax annual compensation, subject to a 1 percent minimum and statutory maximum. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover), including in-plan Roth rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

At its discretion, the Company may make matching contributions of salary deferrals. At its discretion, the Company may also make nonelective contributions.

The Plan has an auto-enrolment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants will have their pre-tax deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, an allocation of the Company's nonelective contributions based on compensation, and an allocation of investment earnings less plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may designate into which of several funds their accounts should be invested, and the earnings or losses on investments are credited or charged to the participants' accounts.

NIIT (USA), Inc. 401(k) Plan

Financial Statements

December 31, 2022, and December 31, 2021

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20 percent vested after one year of credited service, with an additional 20 percent for each additional year of service until 100 percent vesting is achieved after five years of credited service.

Notes receivable from participants

Participants may borrow from their accounts a maximum equal to the lesser of \$50,000 or 50 percent of their non-forfeitable account balance. Loan terms may not exceed 5 years except when borrowed for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid rateably through monthly payroll deductions.

Forfeitures

Forfeitures of nonvested accounts of participants terminating before becoming entitled to full benefits, as well as forfeitures of nonvested corrective adjustments, are used to reduce future employer contributions. In 2022, \$18,845 was forfeited from participants' accounts, out of which \$1,394 was used to reduce employer contributions and \$11,377 was used to pay Plan expenses. In 2021, \$25,338 was forfeited from participants' accounts, out of which \$426 was used to reduce employer contributions and \$9,074 were used to pay the Plan expenses. At December 31, 2022, and December 31, 2021, the amounts of such forfeitures remaining unallocated were \$48,738 and \$39,218, respectively.

Payment of benefits

Benefits are generally payable upon retirement, death, disability, or termination of employment. Withdrawals may be made at other times, subject to restrictions. Final payment of benefits may be made as partial payments, a one-sum cash payment, or instalments.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). See note 5 for a discussion of fair value measurements. See note 6 for a discussion of the contract value.

Net (depreciation) appreciation includes gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and are reinvested in the respective fund.

Fair value measurement:

The Plan follows fair value guidance provided in Accounting Statement Codification (ASC) 820 – Fair Value Measurements, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The fair value measurements standard defines fair

NIIT (USA), Inc. 401(k) Plan

Financial Statements

December 31, 2022, and December 31, 2021

value as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date (referred to as an “exit price”). A fair value hierarchy is established that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted market prices for similar assets or liabilities or other inputs that are observable or can be corroborated by market data. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset or liability’s level within the fair value hierarchy is based on the lowest level of any significant input used to measure its fair value. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022, and December 31, 2021.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in the net appreciation of the fair value of investments.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions about future events that affect the amount reported in the financial statements. Actual results could differ from those estimates.

NOTE 3: CERTIFIED INVESTMENTS BY FIDELITY MANAGEMENT TRUST COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2022, and December 31, 2021, and net (depreciation) appreciation in fair value of investments, interest and dividends and capital gains for the years ended December 31, 2022 and December 31, 2021, was obtained or derived from information supplied to the

During the years ended December 31, 2022, and December 31, 2021, the Plan's investments (including gains and losses of investments bought, sold, and held during the year) (depreciated) appreciated in value as follows:

	Year ended	
	December 31, 2022	December 31, 2021
Net (depreciation) appreciation in fair value of investments	(7,574,774)	2,313,410
Net appreciation in investments at contract value	23,384	13,408
Dividends and interest	775,576	1,377,904

NOTE 5: INVESTMENTS MEASURED AT FAIR VALUE

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and December 31, 2021:

Mutual funds: Fair values for investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Participant-directed investments could include common stocks, mutual funds, corporate or government bonds, or other investments that are valued on the basis of readily determinable market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used or transfers between levels during the years ended December 31, 2022, and December 31, 2021.

Total investments	34,045,068	32,855,309	-	-	1,189,759

*Assets measured at contract value and therefore excluded from the fair value hierarchy.

NOTE 6: COMMON COLLECTIVE TRUSTS

At December 31, 2022, and December 31, 2021, the Plan had an investment arrangement with an insurance company that included a common collective trust, which invests in fully benefit-responsive investment contracts, including guaranteed investment contracts (GICs), security-backed contracts, and separate account GICs. Under fully benefit responsive investment contracts, the contracting party is contractually obligated to repay the principal and a specified crediting interest rate that is guaranteed to the investing party. The crediting interest rate may not be less than zero. Investments in the common collective trust are redeemable at their unit value, which is determined by reference to the contract values of the underlying investments held by the trust.

This contract meets the fully benefit responsive investment contract criteria and therefore is reported at contract value. The contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the trustee, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting interest rate for the Plan is based on a rate established by the common collective trust by reference to the rates earned from its underlying investments. There are no events that would limit the ability of the Plan to transact at contract value with the issuers.

NOTE 7: TAX STATUS OF THE PLAN

The Plan, as amended and restated, is adopted from a prototype plan. The prototype plan provider has obtained an advisory letter from the Internal Revenue Service (IRS) dated June 30, 2020, that the form of the prototype is acceptable. Although, no advisory letter has been obtained for the Plan in the particular form adopted, the Plan's trustee believes that the plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 11: RISK AND UNCERTAINTIES.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 12: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2022, due to unintentional delays, the Company deposited payroll withholdings (including loan repayments) amounting to \$530,427 after the time frame deemed to be within Department of Labor ("DOL") regulations for timely remittances. The Company will make contributions to the affected participant accounts to compensate those participants for lost earnings due to delays using the DOL guidelines for late deposits.

During the year ended December 31, 2021, due to unintentional delays, The Company deposited payroll withholdings (including loan repayments) amounting to \$16,800 after the time frame deemed to be within DOL regulations for timely remittances. The Company will make contributions to the affected participant accounts to compensate those participants for lost earnings due to delays using the DOL guidelines for late deposits.

NOTE 13: RECLASSIFICATION

Previous year's figures have been restated, regrouped, reworked, or reclassified wherever required; however, this has no impact on net assets available for benefits.

NOTE 14: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2022, through the date the financial statements were available to be issued.

As described in note 1, St. Charles Consulting Group, LLC. became a participating employer and all assets were transferred into the Plan during the year 2023.
