To the Participants and Administrator
of the Latina Boulevard Foods, LLC 401(k) Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Latina Boulevard Foods, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of Latina Boulevard Foods, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Latina Boulevard Foods, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Latina Boulevard Foods, LLC 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Latina Boulevard Foods, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Latina Boulevard Foods, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule H, part IV, line 4i - schedule of assets (held at year end) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LATINA BOULEVARD FOODS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of Latina Boulevard Foods, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and Eligibility:

The Plan, established on December 7, 2010, is a defined contribution 401(k) plan that covers all employees of Latina Boulevard Foods, LLC (the Plan Sponsor). Employees become eligible to participate in the Plan upon completing at least three months of service and have attained twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Effective September 1, 2019, an auto enrollment feature was added to the plan for 1% of eligible compensation, with an automatic increase of 1% per year, up to 10%, on each succeeding anniversary date following the date these deferrals were first implemented.

Contributions:

Each year, participants may contribute up to the legal limit of pre-tax annual compensation, as defined by the Plan, not to exceed the limits of Internal Revenue Code Section 401(k) of \$20,500 in 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of a maximum of \$6,500 in 2022. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Plan Sponsor contributes 25% of the elective deferrals that a participant contributes to the Plan up to 5% of eligible compensation.

A participant may elect to have their account invested in one or more of the investment funds established by the trustee of the Plan.

Participant Accounts:

Each participant's account is credited with the participant's contributions, Plan Sponsor's contributions, an allocation of the change in market value of the underlying investment, which is based on units owned of the investment, and charged with an allocation of investment fees, which is based on a percentage of the value of the participant's assets. The investment fee percentages vary among the various investment options.

Each day the investment income and the net realized and unrealized appreciation and depreciation on investments are allocated to participant accounts based on each participant's pro-rata share of the fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting:

Participants are immediately vested in their contributions. Vesting in the employer contributions, and actual earnings thereon is based on years of continuous service. A participant is vested according to the following table:

<u>YEARS OF SERVICE</u>	<u>VESTING PERCENTAGE</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits:

On termination of service, a participant is entitled to a lump-sum distribution. If the value of the vested benefit does not exceed \$5,000, a lump-sum distribution will be made to the participant within a reasonable time. In-service distributions after age 59 1/2 are permitted under the Plan. Financial hardship distributions are also allowed.

Plan Termination:

Upon complete or partial termination of the Plan or upon complete discontinuance of contributions by the employer, the participants' interests under the Plan, as of the date of termination, become fully vested and nonforfeitable. The Plan Sponsor has not expressed any intent to terminate the Plan or to discontinue contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions:

All contributions are recorded in the period during which the Plan Sponsor makes payroll deductions from the Plan participants' earnings.

Investment Valuation and Income Recognition:

Investments are reported at fair value in the accompanying financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The collective trust fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units included in the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant purchases and sales transactions may occur daily. If the Plan initiates a partial or full redemption of its participation in the collective trust, the issuer reserves the right to require 12 months' notification in order to confirm that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments for the collective trust fund.

Net appreciation or depreciation in the fair value of investments is reflected in the statement of changes in net assets available for benefits and includes realized gains or losses on investments bought and sold as well as held and distributed and the change in appreciation from one period to the next. Purchase and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Payment of Benefits:

Benefit payments to participants are recorded when paid.

Subsequent Events:

Management evaluated all activity of the Plan through October 4, 2023, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements.

NOTE C - TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE D - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained a certification from Reliance Trust Company, the trustee of the Plan, that all information relating to the Plan's investments as of December 31, 2022 and 2021 and for the year ended December 31, 2022 is complete and accurate. Information as to the value of the investments in the Plan, investment income, and all the information in the supplemental schedule are presented in reliance solely upon those certifications.

The following table represents the investments information, as certified by Reliance Trust Company:

	<u>2022</u>	<u>2021</u>
Investments at fair value:		
Mutual funds	\$ 4,155,450	\$ 4,179,231

TOTAL INVESTMENTS	<u>\$ 4,438,472</u>	<u>\$ 4,458,088</u>

Dividends and other income	129,640	
	<u>\$ (718,040)</u>	

NOTE E - FAIR VALUE MEASUREMENTS AND INVESTMENTS

FASB ASC 820 establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

LATINA BOULEVARD FOODS, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE E - FAIR VALUE MEASUREMENTS AND INVESTMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at net asset value of shares of registered investment companies held by the Plan at year-end. These values are quoted prices from active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E - FAIR VALUE MEASUREMENTS AND INVESTMENTS (CONTINUED)

The Plan's investments measured at fair value on a recurring basis, set forth by level within the fair value hierarchy, as of December 31, 2022 and 2021 are as follows.

	2022	2021
Mutual funds - Level 1 investments	\$ 4,155,450	\$ 4,179,231
Common collective fund (stable value fund) ⁽¹⁾	283,022	278,857
Total investments measured at fair value	<u>\$ 4,438,472</u>	<u>\$ 4,458,088</u>

⁽¹⁾ In accordance with ASC 820, the stable value fund, measured at fair value using the Net Asset Value per unit (or its equivalent) practical expedient has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Administration fees paid by the Plan to Automatic Data Processing, the recordkeeper, for management services amounted to \$22,890 for the year ended December 31, 2022. These transactions qualify as party-in-interest. Other costs of administering the Plan are paid by the Plan Sponsor.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
