Independent Auditor's Report

RSM US LLP

Board of Directors
VEC, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of VEC, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2022 and assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VEC, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the VEC, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General: The Plan is a defined contribution plan that covers all employees of VEC, Inc. and Subsidiaries (the Company or Plan Sponsor) except for employees that are covered by a collective bargaining agreement or that are non-resident aliens. All eligible employees of the Company are eligible to become participants in the elective deferral portion of the Plan on his or her first day of employment with the Company. Employees that are employed on the last day of the Plan year are eligible for the Company's discretionary contribution portion of the Plan as long as they have reached 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Participants may contribute up to the maximum amount of pretax annual compensation as defined by the Plan and allowable under the Internal Revenue Code (IRC). Upon meeting the eligibility requirements, participants are automatically enrolled to contribute 5% of eligible compensation. Unless otherwise elected, the automatic deferral rate increases by 1% up to a maximum deferral of 10%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, as allowable by the IRC. Participants may also contribute amounts representing distributions from a qualified retirement plan of another employer if transferred before meeting the Plan's eligibility requirements.

The Company may elect to contribute to the Plan in the form of discretionary contribution. The discretionary contribution is determined annually by the Company's Board of Directors and is credited to the participants' separate accounts, if applicable. The Company will make discretionary contributions totaling \$332,018, related to the 2022 Plan year.

Participant accounts: A separate account is maintained for each participant consisting of (a) participant's share of the Company's contributions, (b) the participant's voluntary contributions and (c) investment earnings as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. All other amounts credited to participants' separate accounts are vested according to the vesting schedule set forth below.

	<u>Vested Percent</u>
Years of service:	
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notes receivable from participants: Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance with \$1,000 being the minimum. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Note 1. Description of Plan (Continued)

Payment of benefits: On termination of service, death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic distributions in accordance with the Plan document. A participant may also make an in-service withdrawal upon attainment of age 59½.

Forfeited accounts: At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0 and \$15,515, respectively. Forfeited amounts can be used to restore participants' forfeitures, offset administrative expenses, or reduce future employer contributions. During the year ended December 31, 2022, \$17,730 of forfeitures were used to reduce employer contributions and plan expenses.

Administrative expenses: Expenses of the Plan are paid by the Company or the Plan, at the discretion of the Company.

Plan termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions: Participant contributions are recognized when the participant's compensation is earned. Company discretionary contributions approved by the Company's board of directors are recognized in the year of service. In the event that discretionary contributions have been approved but not yet funded as of year-end, the contributions are reflected as a receivable on the statements of net assets available for benefits.

Payment of benefits: Benefits are recorded when paid.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Subsequent events: The Plan Administrator has evaluated subsequent events through October 13, 2023, the date on which the financial statements were available to be issued.

Note 3. Information Certified by Principal Trust Company and Newport Group, Inc.

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Principal Trust Company (Principal) and Newport Group, Inc. (Newport), the trustees of the Plan. The Plan Administrator has obtained certifications from the trustees that information provided to the Plan Administrator by the trustees related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets.

	2022	2021
Investments, at fair value:		
Registered investment companies	\$ 6,539,368	\$ 10,244,069
Common/collective investment trusts	1,901,025	-
	<u>\$ 8,440,393</u>	<u>\$ 10,244,069</u>
Notes receivable from participants	<u>\$ 111,028</u>	<u>\$ 155,263</u>

The trustees also certified to the completeness and accuracy of the following for the year ended December 31, 2022:

Net depreciation in fair value of investments	<u>\$ (2,346,264)</u>
Interest and dividends	<u>\$ 521,275</u>
Interest income on notes receivable from participants	<u>\$ 9,337</u>

Note 4. Fair Value Measurements

Accounting standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

VEC, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Shares of registered investment companies are valued at quoted market prices which represent the net asset value (NAV) of the shares held by the Plan at year end.

Common collective/collective investment trusts: Valued at the total of the NAV of the underlying securities held by the account at year-end. The Plan's interest in the common/collective investment trusts are valued based on the information reported by the investment advisor.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 6,539,368	\$ -	\$ -	\$ 6,539,368
Total assets in the fair value hierarchy	6,539,368	-	-	6,539,368
Investments measured at net asset value ^(a)	-	-	-	1,901,025
Total assets at fair value	\$ 6,539,368	\$ -	\$ -	\$ 8,440,393
	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,244,069	\$ -	\$ -	\$ 10,244,069
Total assets at fair value	\$ 10,244,069	\$ -	\$ -	\$ 10,244,069

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (Continued)

Investments measured using net asset value per share practical expedient: The following tables set forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2022	2021			
Common/collective investment trusts	<u>\$ 1,901,025</u>	<u>\$ -</u>	None	Daily	None

Note 5. Income Taxes

Effective January 19, 2022, the Plan adopted a non-standardized form of a prototype plan sponsored by Newport Group, Inc. The prototype plan provider has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Party-in-Interest Transactions

Certain plan investments were funds managed by Principal and Newport. Principal and Newport, as trustees defined by the Plan during the plan year, qualify as parties-in-interest. The Plan paid administrative fees of \$49,936 for the year ended December 31, 2022.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	2022	2021
Net assets available for benefits per the financial statements	\$ 8,883,439	\$ 10,597,689
Less contributions receivable, current year	(332,018)	(198,357)

Note 8. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of contributions per the financial statements to the Form 5500 for the year ended December 31, 2022:

Contributions per the financial statements	\$ 872,652
Less contributions receivable, current year	(332,018)
Plus contributions receivable, prior year	198,357
Contributions per the Form 5500	<u>\$ 738,991</u>

The following is a reconciliation of net decrease in net assets per the financial statements to the Form 5500 for the year ended December 31, 2022:

Net decrease in net assets per the financial statements	\$ (1,714,250)
Less contributions receivable, current year	(332,018)
Plus contributions receivable, prior year	198,357
Net loss per the Form 5500	<u>\$ (1,847,911)</u>

Note 9. Prohibited Transaction

During 2022, the Plan inadvertently failed to deposit \$84 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. The Plan Sponsor is in process of filing Form 5330 and will pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable, will be made from the Plan Sponsor's assets and not from assets of the Plan.
