INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
the DCJ Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DCJ Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DCJ Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Board of Trustees of
the DCJ Employee Savings Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCJ Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DCJ Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Board of Trustees of
the DCJ Employee Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DCJ Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DCJ Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Board of Trustees of
the DCJ Employee Savings Plan

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DCJ EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

A. Summary of Significant Accounting Policies

Participants should refer to the Plan agreement for a complete description of the Plan. The Plan is a defined contribution plan established by Dielectric Corporation (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees who have completed at least 166 hours of service within two months of employment with the Company, as defined in the Plan, and are age 18 or older are eligible to participate in the elective deferral and safe harbor matching contribution of the Plan. All employees who have completed at least 1,000 hours of service within one year of employment with the Company, as defined in the Plan, and are age 18 or older are eligible to participate in the discretionary matching and non-elective contribution portions of the Plan. The Plan excludes collectively bargained employees, non-resident aliens and leased employees.

The accompanying financial statements have been prepared on the accrual basis of accounting and present the assets available for Plan benefits and changes in those assets.

The Plan's investments are stated at fair market value. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment custodian. See Note K for discussion of fair value measurements.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Benefits are recorded when paid.

B. Contributions and Benefits

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Service limitations. Participants who attain age 50 before the end of the Plan year are eligible to make catch up contributions. The Plan allows Roth elective deferrals and rollovers from other qualified plans.

The Company makes a safe harbor matching contribution in an amount equal to 100 percent of an eligible participant's elective deferrals that do not exceed 3 percent of the participant's compensation, plus 50 percent of the amount of the participant's elective deferrals from 3 to 5 percent of the participant's compensation. In addition, the Company may make additional discretionary contributions to the Plan.

For the years ended December 31, 2022 and 2021, the Company made safe harbor contributions in the amount of \$241,370 and \$235,568 respectively. There were no discretionary contributions for 2022 or 2021.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

B. Contributions and Benefits (continued)

Participants are immediately vested in their elective deferral, rollover contributions, employer safe harbor and matching contributions, plus earnings thereon. Participants become fully vested in any discretionary Company contributions and earnings thereon after attaining 3 years of credited service. Participants who leave the Plan due to death, normal retirement, or disability retirement, as defined in the plan document, are considered 100 percent vested.

C. Participant Accounts

Each participant's account is credited with the participant contributions, rollover contributions and Company contributions and allocations of plan earnings (net of administrative expenses). Allocations of plan earnings are based on the participant's account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

D. Investment Options

Upon enrollment in the Plan, a participant may direct their investment into a variety of investment options as more fully described in the Plan's literature. Participants may change investment options in accordance with uniform and nondiscriminatory rules established by the Plan Administrator.

E. Participant Loans Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. These notes are secured by the balance in the participant's account and bear interest at a rate that is a commercially reasonable rate of interest. The interest rate charged is one percent over the prime rate published in the Wall Street Journal at the time the loan is executed. Principal and interest is paid ratably through payroll deductions. The maximum term of the loan is five years. For the years ended December 31, 2022 and 2021, the participant loan balances are \$34,383 and \$63,034, respectively.

F. Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the plan agreement. The Plan provides for normal retirement at age 65. Participants experiencing a financial hardship may withdraw a portion of their account balance as defined in the plan. Participants may withdraw all or any part of their vested account while still employed but only after they have attained age 59 and a half.

G. Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled approximately \$50 and \$49, respectively. Forfeited accounts are used to restore participant accounts, reduce discretionary contributions or pay plan expenses. During 2022 and 2021, forfeitures in the amount of \$0 were used to pay plan expenses.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

H. Administrative Expenses

For the year ended December 31, 2022 and 2021, administrative fees of \$32,097 and \$33,536, respectively, have been paid out of plan assets.

I. Plan Termination

While the Company has not expressed any intent to terminate the Plan, it has the right to do so, subject to the provisions of ERISA. In the event of termination, each participant automatically becomes vested to the extent of the balance in his or her account.

The Plan may be amended at any time by the Company.

J. Information Prepared and Certified by the Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian of the Plan, Great-West Trust Company, LLC. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information throughout the financial statements and the supplemental schedule related to the following amounts:

	<u>2022</u>	<u>2021</u>
Registered Investment Companies	\$14,382,228	\$21,509,229
Collective Investment Trust	200,404	494,458
Non-Interest Bearing Cash	50	49
Net (Depreciation) Appreciation in Fair Value of Investments	\$(4,820,110)	\$1,187,178

K. Fair Value Measurements

The Company has adopted the Financial Accounting Standards Board guidance on fair value measurements. A three-tier hierarchy is used to maximize the use of observable market data inputs and minimize the use of unobservable inputs and to establish classification of fair value measurements for disclosure purposes. Financial assets valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using level 3 inputs are based primarily on valuation models with significant unobservable pricing inputs and which result in the use of management estimates.

K. Fair Value Measurements (continued)

Shares of registered investment companies: Shares of registered investment companies are valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end funds that are registered with the Securities and Exchange Commissions. These funds are deemed to be actively traded, and are required to publish their daily net asset value (NAV) and to transact at that price.

Collective Investment Trust: The collective investment trust is valued based on the NAV of the units of the collective investment trust fund. The NAV, as provided by the custodian, is used as the practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments comprising the trust less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Participant Loans: Valued at unpaid balances, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the report date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	2022			
<u>Investment Category</u>	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	<u>Total</u>
Registered Investment Companies	<u>\$14,382,228</u>	\$ ---	\$ ---	<u>\$14,382,228</u>
Total Investments at Fair Value	<u>\$14,382,228</u>	\$ ---	\$ ---	<u>\$14,382,228</u>
Investments Measured at Net Asset Value (a)				<u>\$ 200,404</u>
Total Investments				<u>\$14,582,632</u>

K. Fair Value Measurements (continued)

2021				
<u>Investment Category</u>	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	<u>Total</u>
Registered Investment Companies	\$21,509,229	\$ ---	\$ ---	\$21,509,229
Total Investments at Fair Value	\$21,509,229	\$ ---	\$ ---	\$21,509,229
Investments Measured at Net Asset Value (a)				\$ 494,458
Total Investments				\$22,003,687

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively:

December 31, 2022				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Morley Stable Value Fund (1)	\$200,404	\$ ---	Daily	12 Months
December 31, 2021				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Morley Stable Value Fund (1)	\$324,354	\$ ---	Daily	12 Months
Wilmington Trust Envest Future Advantage International Equity (2)	\$170,104	\$ ---	Daily	12 Months

- (1) The objective of this fund is to provide preservation of capital and relatively stable returns. The fund primarily consists of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions.
- (2) The objective is to seek long-term capital appreciation by investing primarily in one or more sub-advised strategies composed of equity securities of companies located outside of the United States including developed and emerging markets.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

L. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2022, may not necessarily be indicative of amounts that could be realized in a current market exchange.

M. Related Party Transactions

The Plan's investments are held, invested and maintained by Great-West Trust Company, LLC, the Plan custodian. The custodian also performs recordkeeping services for the Plan. These transactions qualify as party-in-interest transactions. There were no fees for these services paid by the Plan for the years ended December 31, 2022 and 2021.

N. Income Tax Status

The Company adopted a non-standardized prototype plan of Benefit Administration Inc. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The plan has been amended since the prototype plan received the opinion letter, however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

O. Subsequent Events

The Company evaluated subsequent events and transactions for possible adjustments to the financial statements and disclosures. The Company has considered events and transactions occurring after December 31, 2022, the date of the most recent statement of net assets available for benefits, through October 13, 2023, the date the financial statements are available to be issued. It has been determined that no subsequent events need to be disclosed.
