Independent Auditor's Report

Trustees
Citizant, Inc. 401(k) Plan
Chantilly, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Citizant, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule (Schedule H, Line 4i - Schedule of Assets (Held at End of Year)) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to

the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Citizant, Inc. 401(k) Plan

Notes to the Financial Statements

1. Description of the Plan

The following description of the Citizant, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document and any amendments thereto for a more complete description of the Plan's provisions.

General

The Plan was adopted effective February 1, 2003, by Citizant, Inc. (the Company). The Plan is a defined contribution plan established to provide retirement and other benefits to all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Custodian and administration of the Plan

The custodian and recordkeeper of the Plan is Delaware Charter Guarantee and Trust Company d/b/a Principal Trust (Principal or the custodian). The administrator of the Plan is the Company. The custodian holds all assets of the Plan in accordance with the service provider contract with the Company. The Company's management is responsible for oversight of the Plan. The Company's management determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

Eligibility

There is no age requirement to enter the Plan. All employees are eligible to participate unless they are an independent contractor. An eligible participant can enter the Plan on the first day of the month on or after becoming an eligible employee.

Contributions

Eligible participants may contribute up to the maximum allowed by the Internal Revenue Code (IRC).

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for Roth 401(k) contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan's provisions (rollover contributions).

The Company, at its discretion, may contribute to the Plan. For the year ended December 31, 2022, the Company elected to match contributions equal to 100% of participant contributions, up to 3% of eligible participant compensation. For the year ended December 31, 2022, the Company made matching contributions, net of forfeitures, of \$336,136. In addition, the Company may make a discretionary profit sharing contribution to the Plan, as determined by the Company's Board of Directors, to those employees who have completed at least 1,000 hours of service in a Plan year, or

Citizant, Inc. 401(k) Plan

Notes to the Financial Statements

are employed on the last day of the Plan year. For the year ended December 31, 2022, no discretionary profit sharing contribution was made. Both participant and Company contributions are subject to the nondiscrimination requirements of the IRC.

Participants direct the investment of their contributions, employer matching contributions, and discretionary profit sharing contributions into various investment options offered by the Plan.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the vested portion of their accounts.

Vesting

Participants are 100% vested in their individual deferral and rollover contributions and the allocated earnings thereon.

Employer non-elective discretionary contributions (profit-sharing contributions) are subject to separate vesting schedules as provided below:

<i>Vesting Service (in years)</i>	<i>Vesting Percentage</i>
Less than one year	0%
One year	33%
Two years	66%
Three years or more	100%

Participants become fully vested in the event of retirement, death, total disability and Plan termination.

Payment of benefits

A participant's entire interest in the Plan is payable upon death, attainment of normal retirement age, becoming disabled, as defined, or termination of service.

Generally, upon termination of service and at any point in time thereafter, an employee may elect to receive a lump sum amount or an annuity equal to his or her vested account balance. However, if the employee's vested balance is less than \$5,000, he or she must receive a lump-sum distribution.

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan. Participants may also withdrawal an amount at age 59½ if certain criteria are met.

Citizant, Inc. 401(k) Plan

Notes to the Financial Statements

Forfeitures

Forfeitures may be used to offset future Company contributions or used to pay administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$22,979 and \$41,928, respectively. Forfeitures of \$33,682 were used to pay administrative expenses during the year ended December 31, 2022.

Notes receivable from participants

Participants are permitted to borrow a minimum of \$1,000 of their vested benefits under the Plan. Participants may borrow up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by any outstanding loan balance if any during the one-year period ending on the day before a new loan is made. Loans are secured by the participant's account and bear an interest at local prevailing rates as determined by the Plan Administrator, which would be made under similar circumstances and is fixed for the term of the loan. The notes are repaid at least quarterly through payroll deductions over a period of five years or less, unless used to purchase a principal residence. These loans are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC. Also, each participant may not have more than two loans outstanding at any time.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The plan distributed the 2022 excess contributions to the applicable participants on June 6, 2023.

2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor and Custodian. See Note 4 for further information related to fair value measurements.

Fully benefit-responsive investment contracts are measured at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the contract. The financial statements include the fully benefit-responsive investment contract and its related activity on a contract value basis.

Citizant, Inc. 401(k) Plan

Notes to the Financial Statements

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Any accrued but unpaid interest was de minimis. No allowance for credit losses was recorded as of December 31, 2022 or 2021. If a participant ceased to make loan repayments and the Plan Administrator deemed the participant loan to be in default, the participant loan balance was reduced, and a benefit payment was recorded.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

3. Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment loss, net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

Citizant, Inc. 401(k) Plan

Notes to the Financial Statements

- Investment information included in the schedule of assets (held at end of year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Citizant, Inc. 401(k) Plan

Notes to the Financial Statements

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

Assets at Fair Value as of December 31, 2022					
	Total	Fair Value Hierarchy Level			
		Level 1	Level 2	Level 3

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.

5. Guaranteed Investment Contract With Principal Life Insurance Company

The Plan entered in a fully benefit responsive guaranteed investment contract with Principal through its investment in the Principal Fixed Income Guaranteed Option Fund. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed interest account provides a guaranteed interest rate for a specified period of time as determined, or allowed, by the Plan Sponsor's retirement plan. The rate credited is the rate in effect on the day when each deposit is directed to the account. To simplify reporting to Plan participants, all rates credited during the 12-month 'deposit year' are averaged into a single composite rate. The Plan Sponsor chooses the 12-month period for deposit year, which is often the same as the plan year. Reports, expenses, and guarantee periods are based on deposit years.

Guaranteed interest accounts promise contract value for a benefit event (termination, death, disability and retirement); however, there is a possible surrender charge when funds are withdrawn prior to their maturity. Thus the guaranteed interest account is considered non-benefit responsive. Because the guaranteed interest account is non-fully benefit responsive, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The guaranteed interest account does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. Related Party Transactions and Party-in-Interest Transactions

Citizant, Inc. is the sponsor of the Plan, and as such, executes the normal duties associated therewith. Costs incurred for audit, legal, and other administrative functions are paid by the Plan sponsor on behalf of the Plan. There were no non-exempt financial transactions recorded between the Plan sponsor and the Plan. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Citizant, Inc. 401(k) Plan

Notes to the Financial Statements

Certain Plan investments are managed Principal. Principal is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules of ERISA. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments as they are paid through revenue sharing rather than a direct payment. The Plan Sponsor pays any other fees related to the Plan's operations.

7. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce or discontinue its contributions on behalf of the employees at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

9. Income Tax Status

The Plan was adopted under a prototype plan sponsored by Principal. Principal received an opinion letter from the IRS, dated March 31, 2014, which states that the prototype document, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to the Form 5500:

	2022	2021
Net assets available for plan benefits, per the financial statements	\$ 12,010,233	\$ 15,002,094
Add: Excess contributions payable	10,400	50,995
Net assets per the Form 5500	\$ 12,020,633	\$ 15,053,089

Citizant, Inc. 401(k) Plan
Notes to the Financial Statements

The following is a reconciliation of net change in net assets per the financial statements to the net income per the Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	\$ (2,991,861)
Add: Current year adjustment for excess contributions payable	10,400
Less: Prior year adjustment for excess contributions payable	(50,995)
Net loss per the Form 5500	\$ (3,032,456)

11. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued. The Plan Administrator is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
