INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
A & Z Pharmaceutical, Inc. 401 (K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of A & Z Pharmaceutical, Inc. 401 (K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of A & Z Pharmaceutical, Inc. 401 (K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years December 31, 2022 and 2021,, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A & Z Pharmaceutical, Inc. 401 (K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A & Z Pharmaceutical, Inc. 401 (K) Plan's ability to continue as a going concern for the twelve months following the date the financial statements were available to be used.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A & Z Pharmaceutical, Inc. 401 (K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A & Z Pharmaceutical, Inc. 401 (K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and

Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A & Z PHARMACEUTICAL, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. Description of Plan

The following description of the A & Z Pharmaceutical, Inc. 401 (K) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan more commonly known as a 401 (K) plan covering all employees of the Company who have met certain requirements as to age and length of service as laid out in the Plan Document. The Plan was established on March 1, 2005 and was amended on February 1, 2022. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

b. Eligibility

Employees are eligible to participate in the Plan once they have reached age 21 and completed three months of service. Automatically excluded employees are those covered under a collective bargaining agreement (i.e. union employees) and non-resident aliens who do not receive compensation from any U.S. sources.

c. Contributions

Participants may contribute up to 100%, but no less than 1%, of the participant's annual compensation, as defined by the Plan, not to exceed \$20,500 and \$19,500 in 2022 and 2021, respectively, subject to certain discrimination tests prescribed by the Internal Revenue Code (“IRC”). The annual base salary for purposes of the Plan is limited by the IRC to \$305,000 and \$290,000 for the year ended December 31, 2022 and 2021, respectively. A participant may also rollover amounts representing distributions from other qualified contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 in 2022 and 2021.

The Company may make a discretionary profit-sharing contribution to eligible participants' accounts. During the years ended December 31, 2022 and 2021, the Plan reported an accrued profit-sharing contribution receivable of \$195,192 and \$207,270, respectively.

A & Z PHARMACEUTICAL, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. Description of Plan (continued)

d. Participants Accounts

Each participant's account is credited with the participant's contributions, any employer discretionary profit-sharing contributions, if any, Plan earnings, and withdrawals, and charged with an allocation of investment gains or losses, and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transaction, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested in the employer's profit sharing funds after six years of credited service. Upon disability or death, participants become fully vested in employer matching and profit sharing funds.

f. Notes Receivable from Participants

The Plan permits participants to borrow from their fund accounts up to the lesser of \$50,000 or 50% of the vested balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1% which is commiserate with local prevailing rates. Principal and interest are paid ratably through payroll deductions and notes must be fully repaid within five years. Participant notes are valued at their outstanding principal balance plus accrued and unpaid interest.

g. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various forms of annuities, as provided in the Plan document. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

h. Forfeited Accounts

Benefit payments to terminated participants partially vested in the Plan include their vested portion of Company contributions. Forfeitures may be used to reduce the participating employer's profit-sharing contribution to the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0 and \$20,504, respectively. Forfeitures totaling \$20,504 and \$20,345 were used to reduce the participating employer's profit-sharing contribution for the years ended December 31, 2022 and 2021.

A & Z PHARMACEUTICAL, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. Description of Plan (continued)

i. New Authoritative Pronouncements and Legislation

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as “SECURE 2.0”. These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to Plan participants are recorded on a cash basis.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein and, disclosure of contingent assets and liabilities. Accordingly, the actual amounts could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the plan’s valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

A & Z PHARMACEUTICAL, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

d. Notes Receivable from Participants

Notes to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, the Plan had outstanding notes receivable from participants with principal balances totaling \$74,409 and \$69,046, respectively.

e. Contributions

Contributions from participants are recorded when the Company makes payroll deductions. Contributions receivable represent amounts not yet deposited into the participants' individual accounts.

f. Payment of Benefits

Benefits are recorded when paid.

g. Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2022, the Plan reported contributions in excess of amounts allowed equal to \$585. These distributions were paid out to the applicable participants prior to March 15, 2023. And as of December 31, 2021, The Plan distributed excess contributions totaled \$21,365 prior to March 15, 2022.

h. Expenses

Administrative expenses of the Plan are paid by the Plan or by the Company, as provided in the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

i. Date of Management's Review of Subsequent Events

The company has evaluated events occurring subsequent to December 31, 2022 through October 6, 2023, the date on which the financial statements were available to be issued.

A & Z PHARMACEUTICAL, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

3. Information Prepared and Certified by Custodian (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants was obtained by management and agreed to or derived from information certified as complete and accurate by Sentinel Benefits & Financial Group for the year ended December 31, 2022 and John Hancock Life Insurance Company of New York for year ended December 31, 2021.

4. Fair Value Measurements

Fair Value Measurements in accordance with current accounting standards, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

A & Z PHARMACEUTICAL, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

4. Fair Value Measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Pooled separate accounts ("PSAs") are privately managed through insurance companies and are not publicly quoted. PSAs are comprised, primarily, of shares of registered investment companies held through sub-accounts of an insurance company. The PSAs are valued using net asset value ("NAV") as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets held through sub-accounts of a separate account of an insurance company. The Plan has concluded that the NAVs reported by the investment companies approximate the fair value of the investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>Investments at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Pooled Separate Accounts				\$ 2,836,578
Total investments				<u>\$ 2,836,578</u>

	<u>Investments at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Pooled Separate Accounts				\$ 2,779,243
Total investments				<u>\$ 2,779,243</u>

(1) Includes pooled separate accounts which are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the Statements of Net Assets Available for Benefits.

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

A & Z PHARMACEUTICAL, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

6. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the Determination Letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than now would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related-Party and Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts managed by Sentinel Benefits & Financial Group/John Hancock Life Insurance Company of New York. Sentinel Benefits & Financial Group/John Hancock Life Insurance Company of New York is the custodian as defined by the Plan and, therefore, these transactions qualify as an exempt party-in-interest transactions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
