INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Seidel, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Seidel, Inc. 401(k) Retirement Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT

(Continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT
(Continued)

Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Seidel, Inc. 401(k) Retirement Plan (the "Plan"), sponsored by Seidel, Inc. provides general information only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering substantially all full-time non-union employees of MRX Holdings, Inc. and its wholly owned subsidiaries Seidel, LLC (the successor to Seidel, Inc.), MEC, LLC (which was formed to acquire the assets of Eyelet Crafters, Inc.), MEDI, LLC (which was formed to acquire the assets of Eyelet Design, Inc.), and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). MRX and its subsidiaries are collectively referred to as "the Company". In December 2021, MQuest, LLC (which was formed to acquire Quest Plastics, Inc.), a company acquired by the owner of MRX Holdings, Inc., became a participating employer in the Plan. The following brief description of the Plan is provided for general information purposes only. Participants should refer to the "summary plan description" for a more complete description of the Plan's provisions.

Plan Sponsor, Administrator, and Custodian - The Plan is sponsored by Seidel, Inc. Fidelity Management Trust Company is the Trustee for the Plan (the "Trustee"). Fidelity Workplace Services, LLC is the Custodian for the Plan ("Custodian") and acts at the direction of the Plan Administrator. Participants have the option to invest in certain Custodian maintained funds in accordance with the provisions of the Plan document. Participants may elect to change their investment options daily.

Participant Accounts - Participants may elect to invest in one or more of the aforementioned investment options in 1% increments and may change their contribution rate during any payroll period. Transfers of existing investments between funds are also permissible upon election. Each participant's account is credited with that participant's contribution, a discretionary Company matching contribution, if any, allocated fund earnings, and is charged with an allocation of administrative expenses, if any. Allocations are based on the proportion of each participant's account balance to the corresponding investment fund balance. The benefit to which a participant account is entitled is the benefit that can be provided from a participant's vested account.

Eligibility - Employees are eligible to enroll upon completing three months of service.

Contributions - Participants may elect to defer up to 90% of pretax annual compensation, not to exceed the limits established by Internal Revenue Code ("the Code") Section 402(g) ("voluntary contributions"). Participants, subject to the approval of the plan administrator, can also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollover contributions"). For each plan year, Seidel, LLC and the other participating employers may contribute on behalf of each participant, a percentage of the participant employee's pretax contributions for the plan year to be determined by the employer.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued) - The contribution is allocated among funds based on the participant's most recent allocation percentages. In addition, the participant must fulfill certain requirements with respect to length of service in order to vest with regard to these matching contributions.

Vesting - Each 12 consecutive months of completed service during which participants have completed 1,000 hours of service, shall constitute a year of vested service. Participants have a vested right to receive payment of 100% of their participant pretax contributions, rollover contributions and earnings thereon whenever their service terminates. In addition, they shall have a vested right to receive payment of 100% of the Company profit sharing contributions standing to their credit upon:

- The individual's completion of five years of service (see table below);
- The individual's attainment of age 65;
- The individual becoming permanently disabled or;
- The individual's death.

If participants terminate employment before the completion of five years of service they shall have a vested right to receive payment of a percentage of their employer matching contributions and related earnings based on years of continuous service as follows.

<u>Years of Service for Vesting</u>	<u>% of Vesting in Employer Contributions</u>
One Year	20%
2 Years	40%
3 Years	60%
4 Years	80%
5 Years	100%

Forfeitures - Participants who terminate employment but have not become fully vested forfeit the unvested balances in their accounts. Forfeitures can be used for paying Plan expenses and/or offsetting employer contributions. The balance of the forfeiture account at December 31, 2022 and 2021 is \$6 and \$0, respectively, which can be used to pay plan expenses or reduce future Company matching contributions. During 2022, forfeitures in the amount of \$5,828 were utilized to offset Company matching contributions.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - Upon death, retirement, total and permanent disability or termination of employment, the participant shall be entitled to the vested amount of his/her account in accordance with the provision and payment method elections specified in the Plan. If the participant leaves and returns to the Plan within a defined period of time, the non-vested portion is reinstated upon meeting certain criteria. Participants who meet the Plan provisions may take in-service withdrawals. For accounts with less than \$5,000, the Plan can pay the participant in a lump sum at any time after the participant leaves the Company or its participating employers.

Notes Receivable from Participants - Participants have the ability to borrow up to 50% of their vested account balance up to a maximum of \$50,000 upon application and approval by the Plan Administrator, as defined in the Plan. The loans are collateralized by the balance in the participant's account. The interest rate charged to participants is two percent above the prime interest rate established by commercial lending institutions. Principal and interest are paid ratably through payroll deductions. The participant has the option to apply for a general purpose loan repayable within five years or a loan to purchase a primary residence which is repayable within a term fixed by the Plan Sponsor.

Hardship Withdrawals - The Plan allows for "hardship" withdrawals in accordance with the Internal Revenue Service regulations as specified in the Plan summary.

Administrative Expenses - Investment management fees of the Plan are funded directly by the Plan. All other administrative expenses (audit and legal fees) are paid by the Company on the Plan's behalf and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The Plan financial statements have been prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits - Benefits are recognized when paid.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Risks and Uncertainties - The Plan provides the participants with various investment options in any one or a combination of mutual funds which invest in stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Fair Value Measurements - ASC Topic 820 *Fair Value Measurements* defines fair value, establishes guidelines for measuring fair value, and expands disclosure regarding fair value measurements. The Plan follows the guidance in ASU 2015-07 which removed the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value ("NAV") per share as quoted on a private market that is not active.

Disclosure of Subsequent Events - Management has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

NOTE 3 - SUMMARY OF CERTIFIED FINANCIAL DATA (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee for the Plan, has certified as to the completeness and accuracy of the investments and investment transactions of the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company:

	<u>2022</u>	<u>2021</u>
Statements of Net Assets Available for Benefits:		
Mutual funds, at fair value	\$ 5,125,186	\$ 6,338,105
Common collective trust, at fair value	142,503	139,248
Money market fund, at fair value	1,269,105	1,090,221
Notes receivable from participants	260,856	297,851
Statement of Changes in Net Assets Available for Benefits:	<u>2022</u>	
Net depreciation in the fair value of investments	\$ (1,568,879)	
Interest and dividend income	455,219	

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC Topic 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

SEIDEL, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual and money market funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: The Wilmington Trust Galliard Retirement Income Fund, held in a collective trust fund, primarily invests in investment contracts and security backed investment contracts. The objective of the stable value fund is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. The investment is valued at NAV as a practical expedient to estimate fair value where NAV is based on the total assets of the fund, less its liabilities, divided by the number of units outstanding at the time of such computation. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on this investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual and money market funds	\$ 6,394,291	\$ -	\$ -	\$ 6,394,291
Total assets in fair value hierarchy	<u>\$ 6,394,291</u>	<u>\$ -</u>	<u>\$ -</u>	6,394,291
Investments measured at NAV (a)				<u>142,503</u>
Investments at fair value				<u>\$ 6,536,794</u>

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual and money market funds	\$ 7,428,326	\$ -	\$ -	\$ 7,428,326
Total assets in fair value hierarchy	<u>\$ 7,428,326</u>	<u>\$ -</u>	<u>\$ -</u>	7,428,326
Investments measured at NAV (a)				139,248
Investments at fair value				<u>\$ 7,567,574</u>

(a) Includes collective trust in 2022 and 2021 which is measured using NAV as a practical expedient and is not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the Statements of Net Assets Available for Benefits.

NOTE 5 - TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100 percent vested in their accounts.

NOTE 6 - TAX STATUS

The Plan adopted a Fidelity Volume Submitter Plan which received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service. The Plan itself has not received a determination letter from the IRS.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examination for years prior to 2019.
