Report of Independent Auditors

Plan Administrator
McEntire Produce, Inc. Profit Sharing & 401(k) Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 (“ERISA”) Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the McEntire Produce, Inc. Profit Sharing & 401(k) Plan (the “Plan”), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for Plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plan Administrator
McEntire Produce, Inc. Profit Sharing & 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
McEntire Produce, Inc. Profit Sharing & 401(k) Plan

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

McEntire Produce, Inc. Profit Sharing & 401(k) Plan

Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

McEntire Produce, Inc. Profit Sharing & 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. Description of Plan

The following description of the McEntire Produce, Inc. Profit Sharing & 401(k) Plan (the “Plan”) provides only general information. Participants may refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which provides retirement benefits to employees of McEntire Produce, Inc. and related entities (collectively, the “Company”).

Eligibility to participate in the Plan is based on attainment of age eighteen and completion of six months of service with the Company. Employees may enter the Plan on the first day of the year or the first day of the seventh month upon meeting these requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Amendments

Effective January 1, 2021, the Plan was restated to comply with Internal Revenue Service (“IRS”) requirements. There were no material modifications to the Plan as a result of this restatement.

Effective January 1, 2023, the Plan was amended to calculate safe harbor matching contributions on a Plan year basis instead of per pay period.

Contributions

Participants may contribute any percentage greater than or equal to 1% of their pretax annual compensation, as defined by the Plan, subject to contribution limitations specified by applicable laws and regulations. The Company makes safe harbor matching contributions to each participant’s account equal to 100% of the first 3% and 50% of the next 2% of the individual participant’s contributions, subject to limitations specified by applicable laws and regulations. Participants who have attained the age of 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans.

The Company may make non-elective profit sharing contributions to the Plan. For the years ended December 31, 2022 and 2021, no non-elective profit sharing contributions were made by the Company.

1. Description of Plan (continued)

Vesting

Participants are 100% vested in their participant contributions and employer safe harbor matching contributions, plus actual earnings, thereon, at all times. Vesting in the non-elective profit sharing contribution portion of their accounts is based on years of continuous service. Participants are 20% vested in the non-elective profit sharing contributions at the end of two years of continuous service with additional vesting of 20% for each of the next four years, resulting in 100% vesting after the sixth year.

Participant Loans

Participant loans are not permitted under this Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer safe harbor matching contributions, non-elective profit sharing contributions, if declared, earnings or losses thereon, forfeitures of terminated participants' non-vested accounts, and charged with an allocation of administrative expenses paid by the Plan. Participants may elect to allocate current contributions among a variety of investment options. The allocations remain in effect until a new election is made.

Earnings and losses are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service, participants with account balances less than \$5,000, who have not elected a distribution in accordance with Plan provisions, will have their account rolled over into an Individual Retirement Account ("IRA") sponsored by Charles Schwab Trust Bank ("Charles Schwab") (the trustee of the Plan) for the benefit of the participant. Participants with balances greater than \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may choose among various installment options provided for by the Plan. Distributions may be made at the participant's election on or after the valuation date following termination of employment.

Hardship distributions are permitted upon determination of financial hardship.

All fully vested balances are available for in-service distributions after the participant reaches age 59 ½.

Administrative Expenses

Fees related to the administration of the Plan are charged directly to the participants' accounts and are included in administrative expenses.

1. Description of Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in non-elective profit sharing contributions.

Forfeitures

Forfeited nonvested accounts may be used to reduce employer contributions. No forfeitures were used to reduce employer contributions during 2022 or 2021. At December 31, 2022 and 2021, forfeited nonvested accounts totaled approximately \$7,500.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Basis of Presentation and Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the 2022 statement of net assets available for plan benefits.

Payments of Benefits

Benefits are recorded when paid.

3. Trustee Certifications

Information presented in the accompanying financial statements as of and for the years ended December 31, 2022 and 2021, related to investments, net appreciation (depreciation) in fair value of investments, and interest and dividends was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Charles Schwab (2022) and TD Ameritrade Trust Company (2021).

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

US GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

All of the Plan's mutual fund and money market investments were valued using Level 1 inputs, based on quoted market prices of the shares held by the Plan.

4. Fair Value Measurements (continued)

The Plan's investments include the MetLife Guaranteed Annuity Contract, which is a collective trust that invests in a variety of fully benefit-responsive investment contracts. The collective trust is valued at the net asset value ("NAV") of units of the accounts. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held less the account's liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the account provider reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

Gains and losses (realized and unrealized) included in the statements of changes in net assets available for Plan benefits for the years ended December 31, 2022 and 2021 are reported in the net appreciation (depreciation) in fair value of investments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$ 6,070,970	\$ --	\$ --	\$ 6,070,970

4. Fair Value Measurements (continued)

*Investments that are measured at net asset value per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for plan benefits.

The following tables set forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value:

December 31, 2022				
Fair Value	Unfunded commitment	Redemption Frequency	Redemption Notice Period	
Collective trust fund	\$ 705,029	\$ --	Daily	(a)

December 31, 2021				
Fair Value	Unfunded commitment	Redemption Frequency	Redemption Notice Period	
Collective trust fund	\$ 374,771	\$ --	Daily	(a)

(a) Withdrawals generally will be permitted daily for the funds. A plan-level withdrawal requires a 60-day notice prior to the date of the withdrawal.

5. Party-in-Interest Transactions

All of the Plan's investments were held by Charles Schwab as of and for the year ended December 31, 2022 and TD Ameritrade Trust Company as of and for the year ended December 31, 2021. Fees paid by the Plan for these services amounted to approximately \$39,000 and \$41,000 during the years ended December 31, 2022 and 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

6. Income Tax Status

The Plan is a non-standardized pre-approved profit sharing, money purchase, cash or deferred arrangement plan, provided by TD Ameritrade Trust Company, designed to be in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Internal Revenue Service ("IRS") has determined and informed TD Ameritrade Trust Company by a letter date June 30, 2020, that the pre-approved profit sharing, money purchase, cash or deferred arrangement plan, as then designed was in accordance with applicable sections of the IRC.

Notes to Financial Statements
December 31, 2022 and 2021

6. Income Tax Status (continued)

Although the Plan has been amended and restated since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust was tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities are recognized at December 31, 2022 and 2021. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Subsequent Events

Management has evaluated events and transactions after December 31, 2022 through October 12, 2023, the date the financial statements were available to be issued, for subsequent events. Other than as described in Note 1, there were no subsequent events to report.
