INDEPENDENT AUDITOR'S REPORT

To the Retirement Savings Plan Administrative Committee of
The Philadelphia Orchestra Association
Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Philadelphia Orchestra Association Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at the End of the Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN
Notes to Financial Statements

1. Description of the Plan

The following brief description of The Philadelphia Orchestra Association (“POA”) Retirement Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General

The Plan was established on November 1, 2011, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted under the provisions of Internal Revenue Code Section 403(b). The Plan is a non-contributory defined contribution pension plan covering all of the staff and musicians of The Philadelphia Orchestra Association (the “Association”), the Plan Sponsor. The Newport Trust Company is the Custodian and Recordkeeper of the Plan.

Association employees classified as either full-time staff or musicians are eligible to participate in the Plan upon hire. Employees classified as stagehand or extra musician are excluded from participation in the Plan.

POA and the Kimmel Center, Inc. (“KCI”), after receiving a No Objection Letter from the Pennsylvania Attorney General dated October 15, 2021, entered into a Partnership and Affiliation Agreement on October 21, 2021. This will enable the POA and KCI to operate in a strategically aligned and coordinated manner in order to create a more powerful and expansive artistic footprint by establishing a new 501(c)(3) organization – The Philadelphia Orchestra and Kimmel Center, Inc. (“POKC”) – to serve as the common controlling member/parent of POA and KCI, with full representation from the existing POA and KCI boards. The transaction was closed on December 2, 2021, and associated filings were made on December 3, 2021.

POA and KCI will remain separate legal entities each operating as tax-exempt organizations and shall continue to operate in accordance with and to further its respective tax-exempt mission and purposes. There were no changes to the Plan in 2022 related to this partnership, see Note 9.

1. Description of the Plan, continued

Contributions

The Association contributes 8 percent of compensation to employees classified as staff or musician hired on or after December 1, 2011. Musicians hired prior to December 1, 2011, will receive Association contributions based on the following:

<u>Participant Age on December 1, 2011</u>	<u>Employer Contribution (as a percentage of compensation)</u>
Less than age 40	8.0%
At least age 40 but less than age 50	9.5%
Age 50 and older	10.5%

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the allocations of (a) the Association's contribution and (b) Plan investment earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants other than musicians are 100% vested upon attaining one year of service. Musicians are 100% vested at all times.

Forfeitures

Upon termination of employment, participants forfeit their nonvested balances. Forfeited amounts may be used to reduce the future Association contributions and to pay Plan expenses as determined by the Association's management at its sole discretion. Forfeitures were used to reduce Association contributions during the years ended December 31, 2022 and 2021, by \$7,560 and \$7,702, respectively. At December 31, 2022 and 2021, forfeited non-vested accounts had a zero balance each year.

Payment of Benefits

Upon severance of employment for any reason other than an authorized leave of absence, participants may elect to receive a distribution of their vested account balance. In-service withdrawals at age 59½ are permitted.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of investments are recorded on a trade-date basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 – observable, represents assets with unadjusted quoted market prices in active markets for identical assets.

- Level 2 – other observable, quoted market prices for similar assets using industry standard models and based on prices other than quoted prices within Level 1. There are no level two investments.

THE PHILADELPHIA ORCHESTRA ASSOCIATION
RETIREMENT SAVINGS PLAN
Notes to Financial Statements, Continued

3. Fair Value Measurements, continued

- Level 3 – unobservable, reflects assets based on the reporting entity’s own assumptions and internally developed models or methodologies based on the best information available. There are no level three investments.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

All of the Plan’s participant-directed investments at December 31, 2022 and 2021 were Level 1 assets.

The following is a description of the valuation methodology used for assets at fair value. There have been no changes in the methodologies used in the valuation of the Plan assets as of December 31, 2022 and 2021.

Registered Investment Companies

The fair values are based on quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.

4. Related Party Transactions

The Plan invests in shares of registered investment companies managed by the custodian. Investment income is derived from these investments. Fees paid by the Plan to the custodian for certain investment management fees were deducted from the net asset values of the registered investment companies held by the Plan. The various funds’ operating expense ratios ranged from 0.02% to 1.83%, for the year ended December 31, 2022. Administrative expenses related to the administration of the Plan were paid by the Plan to the custodian. These transactions qualify as party-in-interest transactions.

5. Termination of Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

THE PHILADELPHIA ORCHESTRA ASSOCIATION
RETIREMENT SAVINGS PLAN
Notes to Financial Statements, Continued

6. Tax Status

The Plan has not obtained an Internal Revenue Service (“IRS”) determination letter and based on current regulations, none is required. The Plan Sponsor and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

7. Information Certified by Custodian - Unaudited

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, the Newport Trust Company, custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the related investment activities reported in the statement of changes in net assets available for benefits for the year ended December 31, 2022, Note 3 - Fair Value Measurements, and the supplemental schedule.

8. COVID-19 Pandemic

The continued impact of the COVID-19 Pandemic on the Plan’s operational and financial performance will depend on further developments which cannot be reasonably predicted at this time. The Plan Sponsor has resumed pre-Pandemic operations, including in-person office work and resumption of in-person concert performances.

The Plan Sponsor took measures to mitigate the impact of the Pandemic, including application and receipt of government assistance in the form of grants and tax credits. Management will continue to monitor the effects of the Pandemic going forward.

9. Subsequent Events

The Plan Sponsor evaluated its December 31, 2022 financial statements for subsequent events through October 11, 2023, the date the financial statements were available to be issued. With the exception of the event noted below, the Plan Sponsor is not aware of any material subsequent events that would require recognition or disclosure in the accompanying financial statements.

The Association authorized the transfer of sponsorship of the Plan to POKC, effective as of June 1, 2023, and is amending and restating the Plan, generally effective as of January 1, 2023. The amended and restated Plan will reflect the following: change in sponsorship of the Plan, new Plan name “The Philadelphia Orchestra and Kimmel Center, Inc. Retirement Savings Plan,” the addition of a non-elective contributions with respect to eligible employees of KCI, to incorporate prior amendments, and to make other necessary and conforming changes.
