INDEPENDENT AUDITOR'S REPORT

To The Trustees
Brethren Mutual Insurance Company
401(K) Retirement Plan
Hagerstown, Maryland

Opinion

We have audited the accompanying financial statements of **Brethren Mutual Insurance Company 401(K) Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Brethren Mutual Insurance Company 401(K) Retirement Plan** and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise a substantial doubt about **Brethren Mutual Insurance Company 401(K) Retirement Plan's** ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the *Brethren Mutual Insurance Company 401(K) Retirement Plan's* ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the *Brethren Mutual Insurance Company 401(K) Retirement Plan* (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 1990 to provide retirement benefits for the employees of the Brethren Mutual Insurance Company (Plan Sponsor). The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). For the years ended December 31, 2022 and 2021, the Plan's assets were held and managed by Fidelity Management Trust Company and John Hancock Life Insurance Company, respectively.

Eligibility

Employees are eligible to participate in the Plan after reaching 18 years of age and having completed six months of service.

Compensation

Compensation is defined as total compensation during a Plan year that is subject to income tax and is reflected on the employees Form W-2, but including any salary reduction contributions made to the plan.

Forfeitures

Forfeitures of non-vested account balances are transferred to the Plan's cash account and applied to reduce fees or employer contributions during the Plan year.

Contributions

Contributions can be in the form of discretionary Plan Sponsor profit sharing contributions, Plan Sponsor matching contributions, 401(k) elective contributions by employees up to 70% of their eligible compensation (subject to Internal Revenue Service limitations), and qualified participant rollovers from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation, increasing by 1% annually to a maximum of 15%.

The Plan Sponsor will match 50% of the first 6% of compensation that a participant contributes to the Plan. The Plan Sponsor may make discretionary contributions as determined by the Board of Directors of the Plan Sponsor. There were discretionary contributions made in the 2021 year of \$100,000. All contributions are participant-directed and are subject to certain limitations. The Plan allows plan participants to make catch up elective deferral contributions in a taxable year if the participant is age 50 or older, subject to Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor's contribution and Plan earnings (losses). Participant accounts are allocated administrative expenses as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan provides for individual self-directed accounts which permit participants to exercise investment control over assets held in their individual accounts. The Plan provides approximately 30 investment options to the plan participants. Participants should refer to the Plan Enrollment Form for descriptions of these options.

Vesting

Participants are immediately vested in their 401(k) employee elective deferral contributions, matching contributions of the Plan Sponsor, their vested rollovers from other plans, and actual earnings thereon. Vesting of Plan Sponsor discretionary contributions begin at 20% upon completion of two years of credited service, increasing 20% per year until fully vested at the end of the sixth year of credited service.

Retirement Eligibility

Upon attainment of 65 years of age, death, or determination of permanent and total disability, a participant becomes 100% vested regardless of the number of credited years of service. Pre-retirement withdrawals are permitted when the employee reaches 59.5 years of age.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate of 2% above prime rate at the time of issuance. Principal and interest is paid ratably through payroll deductions from each pay period.

Payment of Benefits

On termination of service, a participant may elect to either roll-over benefits or receive a lump-sum amount equal to the value of the participant's vested interest in their account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained in conformity with accounting principles generally accepted in the United States. The accompanying financial statements are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding balances, which approximates fair value. Interest income is recorded on the accrual basis. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan values pooled separate accounts at fair value based on closing market price as provided by the Plan custodian. Investment transactions are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Registered investment company investments are valued at quoted market prices as of the last business day of the reporting period. Common collective trusts are valued by the custodian using a market value approach related to the fair value of the underlying securities.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Administrative Expenses

It is the policy of the Plan Sponsor to absorb most administrative expenses of the Plan. Forfeitures of non-vested account balances can be applied to reduce fees during the Plan year. Fees related to the distribution of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events

Subsequent events were evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

NOTE 3 - TAX STATUS OF THE PLAN

The Plan has received a favorable determination letter from the Internal Revenue Service dated March 31, 2008 indicating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been restated and amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe the Plan is qualified and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include 2019 and later.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets would be valued and participants' accounts would be adjusted to reflect the allocation of net gains and losses of the underlying investments. At that time, participants' accounts would become fully vested and non-forfeitable.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. FASB Accounting Standards Topic 820, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs on the hierarchy are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The valuation methodology used for the fair value measurements of pooled separate accounts is net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities.

As of December 31, the Plan's investments measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

Fair Value Measurements at December 31, 2022				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies	\$ 20,740,164	\$ --	\$ --	\$ 20,740,164

NOTE 6 – FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value Measurements at December 31, 2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Investments at fair value	\$ --	\$ --	\$ --	\$ --
Investments valued using practical expedient (1)				26,108,371
Total investments				\$ 26,108,371

The common/collective trusts consist of RT Metlife Stable Value Fund and Putnam Stable Value Fund at December 31, 2022. The fair value is determined by the custodian using a market value approach related to the fair value of the underlying securities. The Plan's policy is to recognize transfers into and out of Level 2 as of date of the event or change in circumstances that cause the transfer.

- (1) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per unit (or its equivalent) practical expedient method have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per unit practical expedient:

Pooled Separate Accounts		Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
		December 31, 2022	December 31, 2021			
Target Date	(a)	\$ --	\$ 20,704,680	\$ --	Immediate	None

Growth and Income	(d)	--	719,361	--	Immediate	None
Conservative	(e)	--	1,141,438	--	Immediate	None

- (a) The funds within this class seek to provide high total return through its target retirement date, with a greater focus on income beyond the target date.
- (b) The funds within this class seek to provide long-term growth of capital and capital appreciation.
- (c) The funds within this class seek to provide long-term growth of capital. Current income is a secondary objective.
- (d) The funds within this class seek to achieve conservation of capital, current income, and long-term growth of capital and income.
- (e) The funds within this class seek to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long-term.

NOTE 7 – PARTIES IN INTEREST

The Plan paid recordkeeping fees to Fidelity Management Trust Company of \$4,780 for the year ended December 31, 2022. The Plan paid recordkeeping fees and investment fees to John Hancock Life Insurance Company amounting to \$1,218 and \$2,276 for the years December 31, 2022 and 2021, respectively. Certain plan investments are sponsored by the Plan Custodians, Fidelity Management Trust Company and John Hancock Life Insurance Company. Total investments held by the custodians at December 31, 2022 and 2021 that are party in interest transactions under ERISA amounted to \$4 and \$26,108,371 respectively. In addition, the Plan has notes receivable from plan participants that totaled \$263,877 and \$243,934 at December 31, 2022 and 2021 respectively which are partly in interest transactions under ERISA. These transactions are party in interest transactions that are exempt from the prohibited transaction rules of ERISA.
