INDEPENDENT AUDITOR'S REPORT

October 13, 2023

To the Plan Administrator of the
Steet Toyota, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of Steet Toyota, Inc. 401(k) Plan, an employee benefit plan subject to the Employees Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits as December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Steet Toyota, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Steet Toyota, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Steet Toyota, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Steet Toyota, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTSDECEMBER 31, 2022NOTE 1 - Description of Plan:

The following description of the Steet Toyota, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan covering all eligible employees of the Steet Toyota, Inc. and certain affiliates (collectively the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.
- B. Eligibility - Employees become eligible for participation after completing one year of service consisting of 1,000 hours and attaining age twenty-one (21).
- C. Contributions - Participants may contribute up to 100% of their compensation not to exceed \$20,500 for 2022 (\$27,000 if age 50 or older). The Company contributes a "safe harbor" contribution equal to 3% of eligible employees' salaries. The Company may also contribute a discretionary profit-sharing contribution based on employee class. In 2022 and 2021, the Company elected to make profit sharing contributions of \$36,600 and \$34,800.

Forfeitures of non-vested amounts are used to reduce Company contributions. Forfeitures for the years presented were immaterial.

- D. Participant Accounts - Each participant's separate account is credited with the participant's contribution, their share of Company contributions and earnings thereon. Participants direct investment of their account into various mutual funds and or annuities selected by the Plan's administrator.
- E. Vesting - Participants are immediately 100% vested in their contributions, employer safe harbor contributions and earnings thereon.

Other Company contributions, if any, and earnings thereon are vested 20% per year starting after the employee completes two years of service and becomes 100% vested after six years of service (six year graded schedule). A participant's account balance also becomes 100% vested upon reaching normal retirement age, or in the event of death or disability while employed with the Company.

- F. Payment of Benefits - On termination of service due to death, disability or retirement, participants (or their beneficiary) will receive a lump-sum distribution.
- G. Withdrawals - The Plan allows for hardship withdrawals for uninsured medical expenses, tuition payments, purchase of a primary residence or prevention of eviction or foreclosure on a primary residence. The Plan also allows for in-service withdrawals to participants attaining age 59 1/2.
- H. Participant Loans - Participants may borrow (only one loan outstanding at a time) a minimum of \$1,000 up to a maximum of 50% of their vested account balance (not to exceed \$50,000). Repayments are to the participant's account over a period not to exceed 60 months at an interest rate of prime plus 2% fixed at the date of the loan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)DECEMBER 31, 2022NOTE 2 - Summary of Significant Accounting Policies:A. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make certain estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

D. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (See Note 3). Changes in fair value are included in the Statement of Changes in Net Assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments sold during the year as well as the unrealized gains and losses on investments held at year end.

E. Payments of Benefits

Benefit payments to participants are recorded upon distribution.

F. Expenses

Administrative expenses are paid by the Plan. Certain expenses of maintaining the Plan, such as audit fees, are paid by the Company and are therefore excluded from these financial statements.

G. Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 13, 2023, which is the date the financial statements were available to be issued. There were no subsequent events requiring recording or disclosure in the financial statements.

NOTE 3 – Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)DECEMBER 31, 2022NOTE 3 – Fair Value Measurement (Continued):

- Level 2 inputs consist of observable inputs other than quoted prices for the identical assets.
- Level 3 inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the Fair Value of its investments. When available, the Plan measures Fair Value using Level 1 inputs because they generally provide the most reliable evidence of Fair Value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring Level 3 inputs for the periods presented.

Level 1 – Fair Value Measurement

The Fair Value of Mutual Funds are based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 – Fair Value Measurement

The Fair Value of fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit and are summarized below, by Level within the Fair Value hierarchy.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>
Mutual Funds	\$13,835,493	\$13,835,493	\$ -

Mutual Funds	\$15,044,196	\$15,044,196	\$ -
Fixed Annuities	<u>617,694</u>	<u>-</u>	<u>617,694</u>
Total	<u>\$15,661,890</u>	<u>\$15,044,196</u>	<u>\$ 617,694</u>

NOTE 4 - Tax Status:

The Internal Revenue Service (IRS) has determined that the Pre-Approved Prototype Plan by letter, dated June 30, 2020 is designed in accordance with the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended and restated since receiving the determination letter, the Plan administrator believes that the Plan, including all amendments, are currently designed and being operating in compliance with the applicable IRC and therefore believe that the Plan qualifies as tax-exempt.

The tax status of the Plan is subject to audit. Generally, years after January 1, 2020 are open to audit.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)DECEMBER 31, 2022NOTE 5 - Inactive Accounts:

Accounts of participants who have withdrawn from participation in the Plan but for whom distribution from the Plan has not been made, approximate \$670,000 at December 31, 2022.

NOTE 6 - Plan Termination:

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate it at any time, subject to the provisions of ERISA. In the event of termination participants will become 100% vested in their accounts.

NOTE 7 - Risks, Uncertainties and Concentrations:

The Plan invests in various mutual funds. Mutual funds are exposed to various risks such as interest rate, market, and credit risks. It is likely that changes in the value of the mutual funds will occur in the near term and possible that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The Plan's assets, although diversified through investment in several different mutual funds, are all held by a single custodian, Empower Retirement. The Plan is dependent on that Custodian for the safeguarding of its assets.

NOTE 8 - Legal Proceedings/Contingencies:

The Plan may engage legal counsel to defend it against potential litigation matters whether asserted or anticipated as the Plan's management judges necessary in the circumstances. The Plan does not believe that there are any current actions that are either not covered by insurance or would have a material effect on its financial condition.

NOTE 9 - Financial Information Certified by Custodian:

Information related to investments and the ERISA-required supplemental schedules held at December 31, 2022 and 2021, including investment income for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, the Plan's trustee and custodian.

NOTE 10 - Prohibited Transactions:

During 2022, the Plan sponsor failed to remit to the Plan's custodian certain employee contributions and participant loan repayments totaling approximately \$33,000 within the period prescribed by ERISA. Delays in remitting the payments were due to administrative errors and the Plan sponsor has made all late contributions, loan repayments and lost earnings to the Plan.
