### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Board of Trustees of  
the Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year as of December 31, 2022, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Board of Trustees of  
the Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAFE-HARBOR 403(B) THRIFT PLAN OF INDEPENDENCEFIRST, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A - Summary of Significant Accounting Policies**

**Plan Summary**

Participants should refer to the Plan agreement for a complete description of the Plan. The Organization established a 403(b) Plan for the benefit of its employees. All permissible employees of IndependenceFirst, Inc., as defined in accordance with the universal availability standards, are eligible to enroll on their date of hire. All employees enrolled in the Plan are eligible to receive a matching contribution. All employees that meet the minimum age requirement of 18, the years of service requirement, and are employees on the accounting date of that plan year receive a base contribution. A year of service is defined as a period of twelve consecutive months in which the employee completes 1,000 hours of service.

**Accounting Method**

The accompanying financial statements have been prepared on the accrual basis of accounting and present the assets available for Plan benefits and changes in those assets.

**Investments**

The Plan's investments are stated at fair market value. Quoted market prices are used to value the Registered Investment Companies. The Interest Accumulation Account has been determined to be comparable to a cash equivalent and has been reported at its cash value.

**Contributions Receivable**

Contributions receivable are stated at unpaid balances. Management believes all receivables will be paid in accordance with the terms of the agreements. Thus, no allowance for uncollectible accounts is necessary at year end.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Benefits**

Benefits are recorded when paid.

**Reclassifications**

Certain prior amounts have been reclassified for consistency with current year presentation.

**NOTE B - Contributions and Benefits**

For the year ended December 31, 2022, IndependenceFirst, Inc. made matching contributions to the Plan equal to 100% of the participant deferral amount up to 3% of the participant's salary, subject to Internal Revenue Service limitations on maximum eligible compensation. Participants may elect to defer up to the maximum allowed under Internal Revenue Service regulations. Participants eligible to receive a matching contribution are those who have made elective deferrals.

**SAFE-HARBOR 403(B) THRIFT PLAN OF INDEPENDENCEFIRST, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE B - Contributions and Benefits (continued)**

In addition, IndependenceFirst, Inc. made discretionary contributions to participating employees in the amount of \$152,246 and \$139,924 for the years ended December 31, 2022, and December 31, 2021, respectively.

Employee contributions receivable were \$26,053 and \$0 as of December 31, 2022 and 2021, respectively. These contributions were submitted to the plan on January 3, 2023.

For the years ended December 31, 2022 and 2021, forfeitures of non-vested accounts totaling \$6,477 and \$34,716, respectively, were used to reduce matching contributions.

Participants are entitled to 100% of the employer portion of their individual accounts upon retirement, disability, or death. An employee is 100% vested immediately in his or her contributions, as well as the employer-based contributions. An employee is vested in employer matching contributions according to the following schedule:

| <u>Years of Service</u> | <u>Percent Vested</u> |
|-------------------------|-----------------------|
| 2                       | 20%                   |
| 3                       | 40%                   |
| 4                       | 60%                   |
| 5                       | 80%                   |
| 6                       | 100%                  |

**NOTE C - Participant Loans Receivable**

Loans are not permitted under this plan.

**NOTE D - Administrative Expenses**

**NOTE E - Plan Termination and Amendments**

While the Company has not expressed any intent to terminate the Plan, it has the right to do so, subject to the provisions of ERISA. In the event of termination, each participant automatically becomes vested to the extent of the balance in his or her account.

The Plan may be amended at any time by the Organization.

| Net (Depreciation) Appreciation<br>in Fair Value of Investments | \$(2,074,754) | \$1,632,529  |

**NOTE G - Fair Value Measurements**

The Organization has adopted the Financial Accounting Standards Board guidance on fair value measurements. A three-tier hierarchy is used to maximize the use of observable market data inputs and minimize the use of unobservable inputs and to establish classification of fair value measurements for disclosure purposes. Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using Level 3 inputs are based primarily on valuation models with significant unobservable pricing inputs and which result in the use of management estimates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the report date.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE J - Tax Status**

The Plan terms have been drafted in compliance with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan Administrator intends to apply for a determination letter on the Plan when the government opens such program. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees of  
the Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Board of Trustees of  
the Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Board of Trustees of  
the Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year as of December 31, 2022, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Board of Trustees of  
the Safe-Harbor 403(b) Thrift Plan of IndependenceFirst, Inc.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAFE-HARBOR 403(B) THRIFT PLAN OF INDEPENDENCEFIRST, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A - Summary of Significant Accounting Policies**

**Plan Summary**

Participants should refer to the Plan agreement for a complete description of the Plan. The Organization established a 403(b) Plan for the benefit of its employees. All permissible employees of IndependenceFirst, Inc., as defined in accordance with the universal availability standards, are eligible to enroll on their date of hire. All employees enrolled in the Plan are eligible to receive a matching contribution. All employees that meet the minimum age requirement of 18, the years of service requirement, and are employees on the accounting date of that plan year receive a base contribution. A year of service is defined as a period of twelve consecutive months in which the employee completes 1,000 hours of service.

**Accounting Method**

The accompanying financial statements have been prepared on the accrual basis of accounting and present the assets available for Plan benefits and changes in those assets.

**Investments**

The Plan's investments are stated at fair market value. Quoted market prices are used to value the Registered Investment Companies. The Interest Accumulation Account has been determined to be comparable to a cash equivalent and has been reported at its cash value.

**Contributions Receivable**

Contributions receivable are stated at unpaid balances. Management believes all receivables will be paid in accordance with the terms of the agreements. Thus, no allowance for uncollectible accounts is necessary at year end.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Benefits**

Benefits are recorded when paid.

**Reclassifications**

Certain prior amounts have been reclassified for consistency with current year presentation.

**NOTE B - Contributions and Benefits**

For the year ended December 31, 2022, IndependenceFirst, Inc. made matching contributions to the Plan equal to 100% of the participant deferral amount up to 3% of the participant's salary, subject to Internal Revenue Service limitations on maximum eligible compensation. Participants may elect to defer up to the maximum allowed under Internal Revenue Service regulations. Participants eligible to receive a matching contribution are those who have made elective deferrals.

**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE B - Contributions and Benefits (continued)**

In addition, IndependenceFirst, Inc. made discretionary contributions to participating employees in the amount of \$152,246 and \$139,924 for the years ended December 31, 2022, and December 31, 2021, respectively.

Employee contributions receivable were \$26,053 and \$0 as of December 31, 2022 and 2021, respectively. These contributions were submitted to the plan on January 3, 2023.

For the years ended December 31, 2022 and 2021, forfeitures of non-vested accounts totaling \$6,477 and \$34,716, respectively, were used to reduce matching contributions.

Participants are entitled to 100% of the employer portion of their individual accounts upon retirement, disability, or death. An employee is 100% vested immediately in his or her contributions, as well as the employer-based contributions. An employee is vested in employer matching contributions according to the following schedule:

| <u>Years of Service</u> | <u>Percent Vested</u> |
|-------------------------|-----------------------|
| 2                       | 20%                   |
| 3                       | 40%                   |
| 4                       | 60%                   |
| 5                       | 80%                   |
| 6                       | 100%                  |

**NOTE C - Participant Loans Receivable**

**NOTE E - Plan Termination and Amendments**

While the Company has not expressed any intent to terminate the Plan, it has the right to do so, subject to the provisions of ERISA. In the event of termination, each participant automatically becomes vested to the extent of the balance in his or her account.

The Plan may be amended at any time by the Organization.

**NOTE G - Fair Value Measurements**

The Organization has adopted the Financial Accounting Standards Board guidance on fair value measurements. A three-tier hierarchy is used to maximize the use of observable market data inputs and minimize the use of unobservable inputs and to establish classification of fair value measurements for disclosure purposes. Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using Level 3 inputs are based primarily on valuation models with significant unobservable pricing inputs and which result in the use of management estimates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the report date.

**NOTE I - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE J - Tax Status**

The Plan terms have been drafted in compliance with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan Administrator intends to apply for a determination letter on the Plan when the government opens such program.
