## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and  
Those Charged with Governance  
of Astorg 401(k) Retirement Plan  
Charleston, West Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Astorg 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Astorg 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## **Opinion (Continued)**

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Astorg 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Astorg 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Astorg 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Astorg 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ASTORG 401(K) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### Note 1. Plan Description

The following description of the Astorg 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

##### General

The Plan is a defined contribution plan covering all eligible employees of Star Holding Company, AutoiPacket, LLC, Astorg Auto of Charleston and Astorg Motor Company, Inc., Astorg Ford of Parkersburg, Inc., Astorg Imports, Inc. and Astorg Pre-owned at Lakeview, Inc. (collectively “the Company”). Employees are eligible to participate in the Plan upon attaining age 21 and completing one year of service or 1,000 hours. Certain employees are not eligible to participate, including members of a collective bargaining agreement, non-resident aliens, and leased employees. In addition, “Drivers” with Smith Motor Cars, Inc., who were not participating in the Plan as of December 31, 2004, are excluded from participation in the Plan. The administrator of the Plan is Astorg Auto of Charleston. Empower Retirement, LLC serves as the custodian. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective July 1, 2022, those employees of AutoiPacket will be eligible to participate in the Plan upon completing six months of service for elective deferrals. Additionally, effective January 1, 2023, all employees of all participating employers will be eligible to participate in the Plan upon completing six months of service for elective deferrals and employer matching.

##### Contributions

Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, not to exceed the maximum allowable under the Internal Revenue Code (the “Code”). Certain limitations are set for those classified as highly compensated employees. Participants may also elect to designate their contributions to the Plan as after-tax Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Effective January 1, 2020, if a deferral election is not received, participants will be automatically enrolled to defer 3% of their compensation. An annual increase of 1% will follow, up to a maximum of 6%. Participants direct the investments of all contributions into various investment options offered by the Plan. The Company’s contributions consist of a discretionary matching contribution equal to a percentage of the amount of the salary reduction elected by the employee. Contributions are subject to certain limitations. For the year ended December 31, 2022, the Company made a matching contribution of 35% of the participant’s matched employee contributions not in excess of 6% of participant’s compensation to the Plan. Effective January 1, 2023, matching was 38.5% of participants matched employer contributions, not in excess of 6.5% of participant’s compensation.

##### Participant accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### Note 1. Plan Description (Continued)

##### Vesting

Participants are immediately vested in their employee contributions plus actual earnings thereon. Vesting in the employer contribution portion of their account plus actual earnings thereon is based on years of credited service, as follows:

| <u>Years of Service</u> | <u>Vested Interest</u> |
|-------------------------|------------------------|
| Less than 1             | 10%                    |
| Less than 2             | 20%                    |
| Less than 3             | 40%                    |
| Less than 4             | 60%                    |
| Less than 5             | 80%                    |
| 5 years or more         | 100%                   |

##### Notes receivable from participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.0% to 7.5%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

##### Payment of benefits

On termination of service due to death, disability, retirement or other, a participant is to receive a lump-sum amount equal to the value of the participant's vested account balance. The Plan provides for hardship withdrawals for specific purposes outlined in the Plan document. A participant who has reached age 70 1/2 and is still employed may elect to commence retirement benefits as of that date. Additionally, the Plan requires involuntary cash-outs of \$5,000 or less upon termination of service.

##### Forfeitures

Forfeitures are used to pay plan expenses or to reduce future employer contributions. Forfeited, nonvested accounts totaled \$14,870 and \$9,900 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, forfeitures of \$3,921 were used to reduce employer contributions.

#### Note 2. Significant Accounting Policies

##### Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

##### Use of accounting estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, the actual amounts could differ from those estimates.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### Note 2. Significant Accounting Policies (Continued)

##### Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Notes receivable from participants

Notes from participants are valued at their unpaid principal balances plus any accrued interest which approximates fair value. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

##### Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

##### Benefit payments

Benefits are recorded when paid.

##### Subsequent events

Subsequent events have been evaluated through October 13, 2023, the date the financial statements were available to be issued.

#### Note 3. Certification

Certain information was certified as complete and accurate by the Plan's custodian, Empower Retirement, LLC. That information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)
- Notes receivable from participants

## ASTORG 401(K) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Unit value calculated based on the observable net asset value of the underlying investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31:

|                            | <b>2022</b>   |               |
|----------------------------|---------------|---------------|
|                            | Level 2       | Total         |
| Pooled separate accounts   | \$ 11,038,331 | \$ 11,038,331 |
| Total assets at fair value | \$ 11,038,331 | \$ 11,038,331 |
|                            | <b>2021</b>   |               |
|                            | Level 2       | Total         |

| Total assets at fair value | \$ 12,504,651 | \$ 12,504,651 |

## ASTORG 401(K) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### Note 5. Investment Contract with Insurance Company

The Plan holds a guaranteed investment contract where Empower Retirement maintains the contributions in the general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment issuer is financially obligated to repay the principal and the specified interest rate to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the contract value of the investment contract held by the Plan:

|                                 | <u>2022</u>       | <u>2021</u>       |
|---------------------------------|-------------------|-------------------|
| Traditional investment contract | <u>\$ 584,358</u> | <u>\$ 483,383</u> |

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The investment has a portfolio investment rate design in which all deposits in the investment are credited with the same interest rate on a daily basis, with no set maturity. Such interest rates are reviewed on a quarterly basis for resetting. There is a minimum interest rate of 1.0%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination, or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

#### Note 6. Related Party Transactions

Certain investments of the Plan are various funds managed by Empower Retirement, the custodian of the Plan. Such investment transactions therefore qualify as exempt party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee received compensation from the Plan. The Company pays certain administrative fees on behalf of the Plan, including legal, accounting, trustee, and administrative fees and provides certain administrative services to the Plan at no cost.

#### Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## ASTORG 401(K) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### Note 8. Income Tax Status

The Plan adopted a pre-approved profit sharing plan with a deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the volume submitter plan's opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

#### Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investments securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
