Independent Auditors' Report

To the Plan Committee of the
S.S. Steiner, Inc. Employees 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the S.S. Steiner, Inc. Employees 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the S.S. Steiner, Inc. Employees 401k Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the S.S. Steiner, Inc. Employees 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about S.S. Steiner, Inc. Employees 401k Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of S.S. Steiner, Inc. Employees 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about S.S. Steiner, Inc. Employees 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

S.S. Steiner, Inc. Employees 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

1. Description of Plan

The following is a brief description of the S.S. Steiner, Inc. Employees 401(k) Plan (the "Plan") which provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan was established on July 1, 2009 for the benefit of the non-unionized employees of S.S. Steiner, Inc., and its affiliated companies (the "Company" or "Employer"). The affiliated companies include Hops Extract Corporation of America, Golden Gate Hop Ranches, Inc., and Stadelman Fruit, L.L.C. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended and restated effective July 1, 2020.

Eligibility

An employee became eligible to participate in the Plan after completing one full year of service, which was defined as 1,000 hours, and attaining the age of eighteen. An eligible employee who had satisfied the eligibility requirements could become a participant in the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year.

Effective July 1, 2020, the Plan was amended to reduce the eligibility period for entry into the Plan from one full year of service to 60 days after their date of hire, and an eligible employee is permitted to enter the Plan upon satisfying eligibility requirements. Participants will be eligible to make employee contributions after 60 days, and participants will be eligible for employer contributions after one full year of service.

Contributions

Participants may elect to contribute pre-tax or Roth deferral contributions, up to the maximum amount permitted by the Internal Revenue Code. Participants may also make rollover contributions from other qualified plans.

The Company is required to make matching contributions equal to 100% of the participant's pre-tax and Roth deferral contributions that do not to exceed 3% of their compensation and 50% of the participant's pre-tax and Roth deferral contributions that exceed 3% of the compensation not to exceed 5%.

Participant Loans

Participants are permitted to borrow up to 50% of their vested account balance up to a maximum of \$50,000. The term of the loan cannot exceed five years except when the loan is used to acquire or construct a principal residence, which can be repaid over a longer period. Loans are repaid through payroll deductions and monitored by the plan administrator. The loans are collateralized by the balance in the participant's account and bear interest at rates commensurate with the prevailing rate, as determined by the plan administrator. At December 31, 2022, interest rates on the outstanding loans range from 4.25% to 6.50%.

Vesting

Under the terms of the Plan, participants' accounts are immediately vested in both the participant's deferral contributions and the Employer matching contributions, and earnings thereon.

Benefits Paid to Participants

Upon normal retirement (65), death, disability or termination of service, vested benefits can be distributed in the form of a lump sum payment, as described by the plan document. Participants can also make in-service withdrawals upon early retirement age (59 ½).

Participant Accounts

A participant's deferral contributions and employer matching contributions may be invested by participants into one or more of the investment options available to the Plan (participant directed).

S.S. Steiner, Inc. Employees 401(k) Plan

Administrative Expenses

Administrative expenses consist of investment fees and plan maintenance fees, which are paid by the Plan, while all other administrative expenses are paid by the Company.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date these financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

3. Information Certified by the Plan's Custodians

The following is a summary of the investment and participant loans information regarding the Plan as of December 31, 2022 and for the year then ended, included in the Plan's financial statements and supplemental schedule, that was prepared or derived from information provided by Empower Trust Company, LLC ("ETC") and Empower Life & Annuity Insurance Company of New York ("ELAC"), the custodians of the Plan, and furnished to the plan administrator. The following is a summary of the investment and participant loans information regarding the Plan as of December 31, 2021 included in the Plan's financial statements and supplemental schedule, that was prepared or derived from information provided by Great-West Trust Company, LLC ("GWTC") and Great-West Life & Annuity Insurance Company of New York ("GWLAC"), the custodians of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodians that such information is complete and accurate.

Information relating to investments and notes receivable from participants held by the custodians are as follows as of December 31,:

	2022	2021
Guaranteed income account	\$ 1,818,217	\$ 1,690,008
Mutual funds	14,274,965	18,612,750
Notes receivable from participants	163,305	142,802
	<u>\$ 16,256,487</u>	<u>\$ 20,445,560</u>

S.S. Steiner, Inc. Employees 401(k) Plan

The following was also certified by the custodians for the year ended December 31, 2022:

Net depreciation in fair value of investments	\$ (3,956,781)
Dividend income	\$ 466,830
Interest income	\$ 16,150
Interest income from notes receivable from participants	\$ 8,009

Investment Contract with Insurance Company

The Plan is party to a group annuity contract with ELAC and GWLAC as of December 31, 2022 and 2021, respectively, whereby ELAC and GWLAC maintains certain of the Plan's contributions in a guaranteed income account. The guaranteed income account is credited with earnings on the underlying investments and charged for Plan withdrawals, and administrative expenses are charged ELAC and GWLAC. The contract is fully benefit-responsive and is reflected in the financial statements at contract value.

Certain events could limit the ability of the Plan to execute transactions at contract value with GWLAC. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsors or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The group annuity contract does not permit ELAC and GWLAC to terminate the agreement prior to the scheduled maturity date.

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Valuation techniques used to measure fair value are defined as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Significant unobservable inputs, including the Company's own assumptions in determining the fair value of investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

- **Mutual funds:** Mutual funds are stated at fair value based on unadjusted quoted prices in an active market for each share held by the Plan.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

S.S. Steiner, Inc. Employees 401(k) Plan

Investments at fair value as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,274,965	\$ -	\$ -	\$ 14,274,965

Investments at fair value as of December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,612,750	\$ -	\$ -	\$ 18,612,750

5. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

6. Tax Status

On November 14, 2022, the Internal Revenue Service ("IRS") stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress for any tax periods.

7. Risks and Uncertainties

The Plan's investments are concentrated in a guaranteed interest account and mutual funds that invest in marketable equity, debt, and fixed income securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risk associated with certain equity, debt, and fixed income securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

8. Party-in-Interest Transactions

Certain investments were shares of funds managed by ETC, a custodian of the plan, as of and for the year ended December 31, 2022, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to ETC for recordkeeping services for the year ended December 31, 2022 amounted to \$28,799. Fees paid to an investment advisor amounted to \$36,154 for the year ended December 31, 2022.
