Independent Auditors' Report

To the Retirement Committee of the Sivantos Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Sivantos Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sivantos Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sivantos Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sivantos Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sivantos Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sivantos Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sivantos Savings Plan

Notes to Financial Statements Years Ended December 31, 2022 and 2021

1. Description of Plan

The following description of Sivantos Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established on April 1, 2015, and was amended and restated effective January 1, 2019, and again on January 1, 2022. The Plan is a defined contribution plan covering substantially all employees of Sivantos, Inc. and related entities (the "Company" or "Sivantos" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is administered by the Retirement Committee of Sivantos.

Effective January 1, 2023 the Plan was amended to change the name of the Plan from Sivantos Savings Plan to WS Audiology USA, Savings Plan.

Effective January 1, 2023, the Plan was amended to change the name of the Plan sponsor from Sivantos, Inc. to WS Audiology USA, Inc.

Eligibility

Employees of the Company are eligible to participate in the Plan and receive matching contributions immediately upon their date of employment.

Effective July 31, 2021, Randa was removed as a participating employer of the Plan.

Effective April 1, 2021, Hear.com was removed as a participating employer of the Plan and all assets relating to Hear.com employees were transferred out of the Plan and into the Hear.com 401(k) Plan.

Effective June 30, 2021, My Hearing Centers LLC ("MHC") was added as a participating employer of the Plan and all employees of MHC became eligible to participate in the Plan. All prior service with MHC is recognized for purposes of determining eligibility and vesting. Employees of MHC are not eligible to receive matching contributions.

Contributions

The Plan provides each participant with an opportunity to make elective deferrals, after-tax contributions, and Roth contributions to the Plan, subject to the limitations of the Internal Revenue Code. Employees hired on or after April 1, 2015, are automatically enrolled at a 3% pre-tax deferral percentage, unless the employee elects not to participate in the Plan. Employees auto enrolled in the Plan are subject to an annual auto escalation of 1% on the first day of each plan year, unless the employee makes a contrary election. The automatic escalation cannot increase an employee's pre-tax deferral rate higher than a maximum rate of 10%.

For the years ended December 31, 2022 and 2021, the Company elected to make an employer matching contribution to all eligible employees as documented within the plan document, equal to 50% of the participant's contributions up to 6% of the participant's salary deferral contributions, not to exceed 3% of compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions, and the earnings thereon. Contributions to the Plan are invested by the custodians as directed by the participants. Each participant may elect from one or more of the investment vehicles offered pursuant to the provisions of the Plan.

Sivantos Savings Plan

Vesting

Participants are immediately vested in their own contributions, employer matching contributions and earnings thereon. Employer matching contributions made through April 2020, vest 40% after two years of service and an additional 20% each subsequent year until fully vested.

A participant who terminated employment on account of a layoff by Sivantos between June 16, 2020 and August 7, 2020, PAS on July 29, 2020, Audiology between July 1, 2020 and September 30, 2020, Widex between April 6, 2020 and October 15, 2020, or Lifestyle between July 29, 2020 and September 30, 2020, shall be 100% fully vested in his or her account under the Plan as of the date of termination.

Forfeitures

The portion of a participant's balance, which is not vested upon termination of employment, is forfeited and remains in the Plan. The Plan provides for terminated employees who resume employment within five years to have any forfeited amounts reinstated ("reinstatement period"), if the employee repays the full amount of the distribution attributable to the vested employer contributions prior to the end of the reinstatement period. Plan participants' forfeitures are applied to first restore previously forfeited amounts to participant's accounts. Any remaining forfeitures may be used to pay Plan expenses or reduce employer matching contributions for the plan year. Any remaining amount thereafter shall be applied toward succeeding plan years until fully utilized. Forfeitures from employees for the years ended December 31, 2022 and 2021 were \$352,385 and \$733,144, respectively. Forfeitures of \$14,148 and \$20,592 were applied in conjunction with the payment of administrative expenses for the years ended December 31, 2022 and 2021, respectively. During 2022 and 2021, forfeitures of \$18,665 and \$126,680, respectively, were reinstated to participant accounts. During 2022 and 2021, forfeitures of \$462,154 and \$706,844, respectively were used to offset employer matching contributions. At December 31, 2022 and 2021, the available forfeiture balance was \$76,099 and \$218,680, respectively.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance incurred during the 12-month period ending on the day before the date on which the loan was made or 50% of their vested account balance. A participant may have up to two loans outstanding at a time. Loan repayment terms are not to exceed five years; or thirty years if the loan is for the purchase of a primary residence. Loans are repaid through payroll deductions and are monitored by the plan administrator. Loans are measured at their unpaid principal balance plus any accrued but unpaid interest. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. As of December 31, 2022, the interest rates on the outstanding loans ranged from 3.25% to 8.5%.

Benefits

Upon termination, death, disability or retirement, vested plan benefits will be distributed to a participant or his/her beneficiary either in a lump-sum distribution or annuity payments. In addition, the Plan provides for participant withdrawals from their individual accounts pursuant to specific guidelines as set forth in the plan document.

Administrative Expenses

All transaction fees for loan and distribution requests are paid from participants' accounts. Substantially all other administrative expenses are paid from participants' accounts (see Note 5), otherwise they are to be paid by the Company.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Sivantos Savings Plan

Investment Valuation and Income Recognition

The Plan's investments are stated at either fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. See Note 3 for discussion of contract value measurements.

The sales and purchases of investment securities, and gains and losses on the sale of investments, are recognized at the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

3. Information Certified by the Plan Custodian

The following is a summary of the investments, notes receivable from participants, non-interest and interest bearing cash regarding the Plan as of December 31, 2022 and 2021, and for the years then ended, included in the Plan's financial statements and supplemental schedules, that was prepared or derived from information provided by State Street Bank and Trust Company, the custodian of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that such information is complete and accurate.

Information related to assets held by the custodian at December 31, is as follows:

	2022	2021
Mutual funds, at fair value	\$ 122,457,559	\$ 146,342,852
Self-directed brokerage accounts, at fair value	2,459,857	2,416,033
Stable value fund, at fair value	255,717	275,208
Guaranteed interest account, at contract value	24,350,262	28,393,485
Interest bearing cash	133,280	413,652
Non-interest bearing cash	114,754	116,358
Notes receivable from participants	2,248,074	2,044,839
	<u>\$ 152,019,503</u>	<u>\$ 180,002,427</u>

The following was also certified by the custodian for the years ended December 31:

	2022	2021
Net (depreciation) appreciation in fair value of investments	<u>\$ (29,072,270)</u>	<u>\$ 17,633,631</u>
Dividend and interest income	<u>\$ 3,097,809</u>	<u>\$ 3,302,528</u>
Interest income on notes receivable from participants	<u>\$ 117,455</u>	<u>\$ 118,525</u>

Investment Contract with Insurance Company

The Plan is party to an investment contract with Prudential Retirement Insurance and Annuity Company ("Prudential") whereby allocated contributions are maintained in a Guaranteed Interest Account ("GIA"). The contract is included in the financial statements at contract value (which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses), because it is fully-benefit responsive. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment

Sivantos Savings Plan

at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with Prudential. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed interest account does not permit Prudential to terminate the agreement prior to the scheduled maturity date.

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during 2022 and 2021:

- Mutual funds: Valued at unadjusted quoted prices in an active market at year-end.
- Self-directed brokerage accounts: Self-directed brokerage accounts include mutual funds, common stock, exchange trade funds, unit investments trusts, and money market funds, which are all valued at quoted prices in an active market of the underlying investments held by the Plan at year-end.
- Cash: Book value equals fair value.
- Stable value fund: composed primarily of fully-benefit responsive investment contracts and is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate the fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. There are no participant redemption restrictions for these investments and the redemption notice period of 12 months is applicable only at the Plan level. There are no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 122,457,559	\$ -	\$ -	\$ 122,457,559
Self-directed brokerage accounts	2,459,857	-	-	2,459,857

Total investments	<u>\$ 125,050,696</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 125,306,413</u>

Investments at fair value as of December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 146,342,852	\$ -	\$ -	\$ 146,342,852
Self-directed brokerage accounts	2,416,033	-	-	2,416,033

Total investments	<u>\$ 149,172,537</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 149,447,745</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Party-In-Interest Transactions

Transamerica Retirement Solutions ("Transamerica") is the record keeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Transamerica amounted to \$194,467 and \$207,205 for the years ended December 31, 2022 and 2021, respectively. Services rendered by the Plan's investment advisors, the Plan's ERISA attorney, and Plan's auditor also qualify as party-in interest transactions. During the years ended December 31, 2022 and 2021, fees paid by the Plan to the Plan's investment advisors, ERISA attorney and auditor were \$99,494 and \$82,624, respectively.

Transamerica and the Employer have an agreement whereby participants are charged a fee in proportion to their account balance, which is credited to the expense budget account. This amount can be used to pay for ERISA qualified plan expenses or allocated to participants at the end of the year. For the year ended December 31, 2022, \$87,855 was charged to participants and \$89,458 was used to pay for ERISA qualified plan expenses. For the year ended December 31, 2021, \$63,745 was used to pay for ERISA qualified plan expenses and \$119,497 was charged to participants. The remaining balance available to pay future expenses was \$149,835 and \$151,438 as of December 31, 2022 and 2021, respectively.

Sivantos Savings Plan

6. Tax Status

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the prototype plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, and has been amended since receiving the determination letter, however, the Plan's management believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax requirements for years prior to 2019.

7. Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

8. Plan Termination

Although the Company has not expressed any intention to do so, it has the right to terminate the Plan in whole or in part at any time subject to the provisions set forth in ERISA. Upon termination, all participants become fully vested in their individual accounts.

9. Delinquent Participant Contributions

During 2022 and 2021, the Company did not remit to the Plan's custodian certain participant contributions and loan repayments totaling \$260,497 and \$324,339, respectively, within the period prescribed by the Department of Labor regulations. In 2022, delays in remitting the contributions to the custodian were due to administrative errors.
