403(b) Thrift Plan of Adams & Brown Counties Economic Opportunities, Inc.
Georgetown, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan of Adams & Brown Counties Economic Opportunities, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2022; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Voya Retirement Insurance and Annuity Company, and Mutual of America Life Insurance Company as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by Voya Retirement Insurance and Annuity Company, and Mutual of America Life Insurance Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements as of December 31, 2021, were audited by Zeno, Pockl, Lilly & Copeland, A.C., who merged with S.R. Snodgrass, P.C. as of January 1, 2023, and whose report dated October 7, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the 403(b) Thrift Plan of Adams & Brown Counties Economic Opportunities, Inc. (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the employer, Adams & Brown Counties Economic Opportunities, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

An employee is immediately eligible to defer a portion of their compensation into the Plan. However, an employee must complete six months of service with the employer before they are eligible to receive contributions made by the employer. Temporary hires, Job Training Partnership Act adults, and summer youth participants and contractual workers are specifically excluded.

Contributions

Employees may elect to contribute, through the 403(b) feature, a percentage of their base salary or a fixed dollar amount each period, not to exceed the maximum amount permitted by the Internal Revenue Code. Employees may elect to have their contributions invested in various investment options administered by the Plan’s trustee. The employer matches the employee’s contribution in an amount equal to the lesser of 100 percent of the salary deferral amount the employee contributed during the Plan year or 4 percent of the employee’s compensation received during the Plan year. Contributions are subject to certain limitations.

Participant Accounts

In accordance with the terms of the Plan, the account of each participant is maintained on a fair value basis. Each participant’s account consists of the contributions made on their behalf by Adams & Brown Counties Economic Opportunities, Inc., their employee elective deferral contributions, their employee rollover contributions, forfeitures of terminated participants’ non-vested accounts, and their share of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants in the Plan are immediately vested in their elective contribution accounts and qualified non-elective contribution accounts. They are entitled to their entire account balance if their participation ceases for any reason whatsoever.

If a participant’s employment is terminated for reason of death, normal retirement, or retirement due to disability, the participant shall be entitled to the full account. If employment is terminated for any reason other than death, retirement, or disability, the participant shall be entitled to the vested portion of the employer-matching contribution account in accordance with the following schedule: 2 years – 20 percent; 3 years – 40 percent; 4 years – 60 percent; 5 years – 80 percent; and 6 years – 100 percent.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeiture of non-vested account balances will be used to offset the current-year employer contributions or used to pay Plan administrative expense payments. At December 31, 2022 and 2021, the forfeitures on non-vested accounts had a balance of \$0. Forfeitures in the amount of \$5,936 were used to offset employer contributions during the year.

Payments of Benefits

Benefits are recorded when paid.

Distributions may be made upon attainment of age 59 ½. No separation of service is necessary. Any amounts withdrawn due to hardship must be distributed in a single sum. Any other withdrawal may be paid in a single sum or in any other method of payment permitted by the contract or custodial account from which the withdrawal is made.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ significantly from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The net appreciation (depreciation) in fair value of investments includes investments purchased, sold, and held during the year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2022

NOTE 3 – INVESTMENTS

The Plan investments were administered by Mutual of America Life Insurance Company as of December 31, 2022 (“Custodians”). Up to October 1, 2011, Plan investments were administered by Voya Retirement Insurance and Annuity Company (“Custodians”). The following is a summary of the investment information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan’s financial statements and supplemental schedule, that was prepared by or derived from information provided by the Custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians that information provided to the Plan Administrator by the Custodians related to the following investments is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to investments:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Pooled Separate Accounts	\$ 3,608,555	\$ 4,340,800
Guaranteed Investment Contract	74,493	72,383
Group Annuity Contract	1,915,696	1,763,737

Mutual of America Life Insurance Company and Voya Retirement Insurance and Annuity Company also certified to the accuracy of \$724,274 of net depreciation in fair value of investments and interest and dividend income of \$7,117 for the year ended December 31, 2022.

The Plan entered into a benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (“Custodians”). Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements as reported by Voya. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. As previously described, the guaranteed investment contract is considered not fully benefit responsive since the group annuity contract may have the potential to restrict certain transfers and withdrawals. There are no reserves for credit risk of the contract issuer or otherwise.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

403(b) THRIFT PLAN OF ADAMS & BROWN COUNTIES ECONOMIC OPPORTUNITIES, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2022

NOTE 5 – TAX STATUS

The organization has no determination letter from the Internal Revenue Service indicating that the Plan is qualified and the trust established under the Plan is tax exempt. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the code. Therefore, Adams & Brown Counties Economic Opportunities, Inc. believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Management of the Plan is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Participant loans held by the Plan reflect party-in-interest transactions. Certain administrative functions are performed by officers or employees of the organization. No such officer or employee receives compensation from the Plan. Adams & Brown Counties Economic Opportunities, Inc. absorbs all costs incurred in relation to the administration of the Plan. Such costs include legal and accounting fees. These costs amounted to \$5,575 for the year ended December 31, 2022.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership in an entity, or a contract that creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. If quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument. Investments and notes receivable from participants would be considered financial instruments. At December 31, 2022, the carrying amount of these financial instruments approximates fair value. The fair value of notes receivable from participants is based on amortized cost, which approximates fair value.

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described below:

- *Level I:* Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- *Level II:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

403(b) THRIFT PLAN OF ADAMS & BROWN COUNTIES ECONOMIC OPPORTUNITIES, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
YEAR ENDED DECEMBER 31, 2022

NOTE 8 – FAIR VALUE MEASUREMENTS (Continued)

- *Level III:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: Primarily valued at net asset value (NAV) of the underlying investments.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

		2022		
		Fair Value	Unfunded Commitment	Redemption Frequency
				Redemption Notice Period
Pooled Separate Accounts	\$	3,608,555	-	Immediate
				None
		2021		
		Fair Value	Unfunded Commitment	Redemption Frequency
				Redemption Notice Period
Pooled Separate Accounts	\$	4,340,800	-	Immediate
				None

Group Annuity Contract: The contract value of the group annuity contract approximates fair value because the interest crediting rate is reset annually.

Guaranteed investment Contract: The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract as calculated by the annuity provider.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
