INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
The Herb Chambers Companies Section 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Herb Chambers Companies Section 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements (modified cash basis).

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Herb Chambers Companies Section 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 1.

- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Herb Chambers Companies Section 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Herb Chambers Companies Section 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Herb Chambers Companies Section 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Herb Chambers Companies Section 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE HERB CHAMBERS COMPANIES SECTION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Modified Cash Basis) For the Years Ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Herb Chambers Companies Section 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees who have completed at least ninety days of service and have attained 18 years of age. The Plan is sponsored by Jennings Road Management Corp. (the “Plan Sponsor”). The employers participating in the Plan consist of thirty-four “S” corporations under the common ownership of Herbert G. Chambers (collectively referred herein as the “Companies”). The purpose of the Plan is to provide to eligible employees a tax-deferred savings vehicle for the purpose of increasing future financial security. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan Sponsor is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan Sponsor.

On April 1, 2022, Empower Annuity Insurance Company of America (“EAICA”), formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC (“Empower”) acquired the full-service retirement business of Prudential Financial, Inc. In connection with the transaction, EAICA acquired all shares of the following entities, which are no longer affiliated with Prudential Financial, Inc.: Prudential Retirement Insurance and Annuity Company (“PRIAC”); Prudential Bank & Trust, FSB (“PB&T”). On October 3, 2022, PRIAC was renamed Empower Annuity Insurance Company.

Contributions

Each year, participants may make voluntary contributions through payroll deductions on a pre-tax basis, an after tax-basis (Roth), or a combination of both, up to 50% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers fifteen mutual funds, six pooled separate accounts and a general guaranteed interest account with an insurance company as investment options for participants. The Plan also provides for a matching contribution by the Companies equal to 50% of the amount of elective deferral contributions up to 4% of the employee’s compensation. Profit sharing contributions may be made at the discretion of the Plan Sponsor. No profit-sharing contribution was made for the 2022 Plan year. Contributions are subject to certain IRS limitations.

THE HERB CHAMBERS COMPANIES SECTION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Modified Cash Basis) For the Years Ended December 31, 2022 and 2021

Participant accounts

Each participant's account is credited with the participant's contribution and the Companies' matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary and rollover contributions plus actual earnings thereon. Vesting in the Companies' matching and profit-sharing contributions is based on years of continuous service.

Participants become fully vested in employer contributions as follows:

<u>Years of Completed Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes receivable from participants

The Plan provides that participants may borrow from their vested account balance. These loans are limited to the lesser of 50 percent of their vested account balance or \$50,000 with a minimum loan of \$1,000. A participant can only have two loans outstanding from the Plan at any time. Loans must be fully repaid within five years unless the proceeds are used to acquire a principal residence, in which case a loan must be repaid within fifteen years. The loans are secured by the balance in the participant's account. The loan interest rate is one percent over the prime rate which is commensurate with local prevailing rates as determined quarterly by the Plan Sponsor. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant or the participant's designated beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum or installments if the participant was subject to lifetime required minimum distributions. Terminated participants may elect to receive lump sum benefits in accordance with Plan provisions. The Plan also provides for in-service withdrawals by participants who have a proven hardship or have attained the age of 59½. If a participant terminates employment for any

THE HERB CHAMBERS COMPANIES SECTION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Modified Cash Basis) For the Years Ended December 31, 2022 and 2021

reason and their vested account balance does not exceed \$5,000, the Plan distributes such amount in a lump-sum payment to the participant without consent of the participant.

Administration of plan assets

The Plan's assets are held by the trustee of the Plan, Prudential Bank & Trust, F.S.B. ("PB&T"). The custodian of the Plan, Empower Annuity Insurance Company ("EAICA") manages the contributions received and administers distributions to the participants. Certain administrative functions are also performed by officers and employees of the Companies. None of the officers or employees receive compensation from the Plan.

Forfeited accounts

If a participant terminates employment before becoming 100 percent vested, the vested portion will be available to be distributed to the individual, while the non-vested portion is forfeited and may be used to pay administrative expenses and to reduce future employer matching contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$26,001 and \$59,633, respectively. In 2022, forfeited amounts of \$71,207 were used to pay administrative expenses.

Coronavirus Aid, Relief, and Economic Security (CARES) Act

The Plan has implemented certain requirements provided by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which, among other changes, allows certain eligible individuals to receive coronavirus-related relief for loan repayment, suspends required minimum distributions, and delays the commencement date for required minimum distributions to age 72. Written amendments to the Plan to reflect these operational changes will be adopted by December 31, 2025 in accordance with applicable laws and IRS guidance.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. Contributions, interest income, benefit payments and administrative expenses are recognized only as cash is received or paid, except for excess contributions.

Use of estimates

The preparation of financial statements in conformity with the basis of accounting described above requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

THE HERB CHAMBERS COMPANIES SECTION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Modified Cash Basis) For the Years Ended December 31, 2022 and 2021

Investment valuation and income recognition

The Plan's investments are reported at fair value (except for approximately 16% and 13%, respectively, of the investments which are fully benefit-responsive contracts reported at contract value at December 31, 2022 and 2021). Prudential Guaranteed Income Fund, the fully benefit-responsive contract, is carried at contract value which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, The Marsh McLennan Agency, and the Plan's custodian, EAICA. See Note 3 for discussion of fair value measurements. Contract value is explained at Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded as received. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded as received. Related administrative fees are recorded as administrative expenses and are expensed when they are paid. If employment is terminated, any remaining payments are due immediately. If they are not paid, the loan balance is treated as a distribution and it becomes a taxable event to the participant at that time.

Excess contributions payable

For the Plan years ended December 31, 2022 and 2021, excess deferral contributions of \$47,119 and \$72,182, respectively, were required to be distributed to satisfy the relevant nondiscrimination provisions of the Plan. The excess contributions payable are recorded as a liability with a corresponding reduction to participant contributions. These amounts were distributed in April 2023 and February 2022. Because the distributions for the Plan year ending December 31, 2022 were not made timely, a Form 5330, Return of Excise Taxes Related to Employee Benefit Plans, was filed.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

EAICA, the custodian, agreed to make payments ("Allowances") to or on behalf of the Plan as stated in the Administrative Service Agreement. The sources of funds for the payments are corporate assets of Empower and/or its subsidiaries and affiliates. The Plan Sponsor acknowledges that Empower is the owner of funds used for the payments until Empower transfers such funds to the Plan Trust, or forwards them to the service providers in satisfaction of Plan administration, investment advisory service or

THE HERB CHAMBERS COMPANIES SECTION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Modified Cash Basis) For the Years Ended December 31, 2022 and 2021

investment management service costs incurred by the Plan. The Plan permits the payment of Plan expenses to be made from the Plan's assets. The Plan will pay some or all Plan related expenses, except for a limited category of expenses which the law requires the employer to pay. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Subsequent events

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds and non-interest bearing cash: Valued at the quoted price of shares held by the Plan at year end.

THE HERB CHAMBERS COMPANIES SECTION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Modified Cash Basis) For the Years Ended December 31, 2022 and 2021

Pooled separate accounts: Valued based on the underlying mutual funds' net asset value (NAV). Portfolio valuation procedures for these accounts are determined by the mutual fund company.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

<i>Investments at Fair Value as of December 31, 2022</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$ 89,799,202	\$ -	\$ -	\$ 89,799,202

Non-interest bearing cash	258	-	-	258
Investments, at fair value	<u>\$ 89,799,460</u>	<u>\$ 2,385,552</u>	<u>\$ -</u>	<u>\$ 92,185,012</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

<i>Investments at Fair Value as of December 31, 2021</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$ 107,018,509	\$ -	\$ -	\$ 107,018,509
Pooled separate accounts	-	2,873,537	-	2,873,537
Non-interest bearing cash	267	-	-	267
Investments, at fair value	<u>\$ 107,018,776</u>	<u>\$ 2,873,537</u>	<u>\$ -</u>	<u>\$ 109,892,313</u>

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with EAICA. EAICA maintains the contributions in a general account. The account is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract is included in the accompanying financial statements at contract value as reported by EAICA. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

THE HERB CHAMBERS COMPANIES SECTION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Modified Cash Basis) For the Years Ended December 31, 2022 and 2021

There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but the effective annual interest rate will never be less than 1.50%. Interest crediting rate is reset quarterly.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the premature termination of the contract by the Plan. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 5 - TAX STATUS

The Internal Revenue Service ("IRS") has informed Empower Retirement LLC, the prototype plan sponsor, by letter dated September 16, 2022, that the Plan is acceptable under section 401 of the Internal Revenue Code ("IRC") for use by employers for the benefit of their employees. The Plan administrator and the Plan's legal counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and is tax-exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress.

NOTE 6 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

EAICA is a party-in-interest because it receives fees as custodian for management of the mutual fund, pooled separate account and guaranteed income account investments. These fees are netted against investment income allocated to the Plan and the amounts are not readily available. EAICA also agreed to make the payments ("Allowances") to or on behalf of the Plan as disclosed in Note 2. NOTE 8 - PLAN TERMINATION

Although the Plan Sponsor has no intention to terminate the Plan, the Plan may be terminated at the option of the Plan Sponsor. In the event of termination of the Plan, the funds of the Plan would be distributed to the participating employees in accordance with provisions of the Plan. Participants become 100 percent vested in employer contributions upon Plan termination.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits at December 31, 2022.
