Independent Auditors' Report

To the Administrative Committee of
Lakeshore Foods Corporation Retirement Savings Plan and Trust
Michigan City, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lakeshore Foods Corporation Retirement Savings Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lakeshore Foods Corporation Retirement Savings Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lakeshore Foods Corporation Retirement Savings Plan and Trust

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lakeshore Foods Corporation Retirement Savings Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lakeshore Foods Corporation Retirement Savings Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Lakeshore Foods Corporation Retirement Savings Plan and Trust
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lakeshore Foods Corporation Retirement Savings Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lakeshore Foods Corporation Retirement Savings Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LAKESHORE FOODS CORPORATION
RETIREMENT SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Lakeshore Foods Corporation Retirement Savings Plan and Trust (“the Plan”) provides only general information. Participants should refer to the Plan agreement or summary Plan description for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering all full-time employees of Lakeshore Foods Corporation (the “Company”), who have one (1) year of service and are age 21 or older. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Plan’s Investment Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions: Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at three (3) percent of eligible compensation, and their contributions invested in a designated balanced fund until changed by the participant. The Company contributes 25% of the first 4% of the participants’ eligible compensation that a participant contributes to the Plan. The matching Company contribution is invested as directed by the participant. Contributions are subject to certain statutory limitations.

Participant Accounts: Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan and have the option of self-directing the individual investments in their accounts. The income or loss of the participant-directed funds is allocated proportionally to all investors in their separate investment funds.

Vesting: Participants are vested immediately in all contributions plus actual earnings on the contributions.

RETIREMENT SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. The notes are secured by the balance in the participant's account. A participant may have more than one (1) note outstanding at a time. The note interest rate, fixed at the time of the note, is set by the Plan administrator who will conduct a reasonable and prudent inquiry with professional lenders in the same geographical locale for the prevailing interest rate under similar circumstances, as defined. Principal and interest is paid ratably through weekly payroll deductions. The interest rates charged on the notes at December 31, 2022 ranged from 4.25% to 8.0%. All notes are repaid within a period of five (5) years (unless the note is to acquire or construct the primary residence of the participant) and have maturing dates ranging from January 2023 through July 2033.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a specified period of time, not to exceed the life or life expectancy of the participant or joint lives of the participant and spouse. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.

Forfeited Accounts: If a participant is not fully vested on his or her termination date, nonvested amounts are forfeited. At December 31, 2022, forfeited nonvested accounts totaled \$9,476. These accounts will be used to reduce future employer contributions. Also, in 2022, employer contributions were reduced by \$7,005 from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles of the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities, and changes in those asset and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related note fees are recorded as administrative expenses, expensed when they are incurred, and charged directly to the affected participant account. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant notes are recorded as distributions based on the terms of the Plan agreement.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts and unallocated contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 5 for discussions of fair value measurements.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts and unallocated contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The common collective trust funds with underlying investments in fully benefit-responsive investment contracts are valued at the fair market value of the underlying investments and then adjusted by the issuer to contract value. The contract value of these funds at December 31, 2022 and 2021, was \$18,735 and \$577,561, respectively. The contract value of unallocated contracts at December 31, 2022 and 2021, was \$1,796,837 and \$0, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and recognized when earned. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Net appreciation includes the Plan's realized gains and losses on investments that were bought and sold during the year as well as unrealized appreciation or depreciation of the investments held at the end of the year.

Earnings on investments are allocated on a prorated basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each note payment made by a participant is recognized as interest income in the participant's individual account.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: The Company provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Company which include audit and legal fees. These expenses are excluded from these financial statements. Administrative expenses incurred by the Plan include note fees charged directly to the participants' accounts. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 3 – PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan agreement, to amend any or all provisions of the Plan, as well as discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts, and the net assets of the Plan must be allocated among the participants and beneficiaries of the Plan in the order provided by ERISA.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

At December 31, 2022, Voya Institutional and at December 31, 2021, Bank of America, N.A., held the Plan's investments and executes all investment transactions as Trustee. During the transition of trustees in 2022, there was a brief black-out period; however, the required notice was provided. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-5c of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The following summarized information was obtained from these certifications.

At December 31:

	<u>2022</u>	<u>2021</u>
Investments at fair value:		
Mutual funds	\$ 3,059,638	\$ 6,376,873
Common collective trust funds	18,735	577,561
Participant-directed investments in unallocated contract at contract value	1,796,837	-
Notes receivable from participants	209,149	220,016
Investment income (loss)	(886,953)	650,208

NOTE 5 – FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

LAKESHORE FOODS CORPORATION
RETIREMENT SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 5 – FAIR VALUE MEASUREMENT (continued)

The three (3) levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable for the asset or liability and are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Common Stocks – Valued at the closing price reported on the active market on which the individual securities are traded.
- Corporate Bonds – Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing the value on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, those corporate bonds are valued under a discounted cash flow approach that maximizes observable inputs, such as current yields or similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.
- Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

(continued)

RETIREMENT SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 5 – FAIR VALUE MEASUREMENT (continued)

- Common Collective Trust Funds – A common collective trust fund is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 10 days' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.
- U.S. Government Securities – Valued using pricing models maximizing the use of observable inputs for similar securities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurements:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 3,059,638	\$ -	\$ -	\$ 3,059,638
Investment measured at net asset value (a)	-	-	-	18,735
Total	<u>\$ 3,059,638</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,078,373</u>
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 6,376,873	\$ -	\$ -	\$ 6,376,873
Investment measured at net asset value (a)	-	-	-	577,561
Total	<u>\$ 6,376,873</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,954,434</u>

- (a) In accordance with Subtopic 820-10, a certain investment that was measured at net asset value per share (or its equivalent) has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Transfers between Levels

For years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the net asset value (NAVs) per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u> <i>(if currently eligible)</i>	<u>Redemption Notice Period</u>
MyCompass Index Fund	\$ 18,735	n/a	Daily	10 Days

Invesco Stable Value Retirement Fund CL1	\$ 577,561	n/a	Daily	10 Days

NOTE 6 – INVESTMENT CONTRACTS

The Plan has a benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (VRIAC). VRIAC maintains plan contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest is credited on the contract balances using a single portfolio rate approach. Under this methodology, a single interest rate is applied to all contributions made to the product, regardless of the timing of those contributions. Interest credit rates are reviewed on an annual basis for resetting but may not be less than 1.0 percent. When establishing interest crediting rates for this product, VRIAC considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of the reference portfolio within the issuer's general account.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

NOTE 7 – PARTY IN INTEREST TRANSACTIONS

Voya Retirement Insurance & Annuity and Merrill Lynch, Pierce, Fenner, and Smith, Inc. are the investment trustees, as defined by the Plan, and fees are paid by the Plan to them for the investment management services and fees associated with participant notes and withdrawals. For the year ended December 31, 2022, amounts paid to Voya Retirement Insurance & Annuity and Merrill Lynch, Pierce, Fenner, and Smith, Inc. by the Plan amounted to \$9,999 and \$2,703, respectively.

One (1) Board of Trustees member is currently a participant in the Plan.

NOTE 8 – TERMINATED PARTICIPANTS

At December 31, 2022, \$400,617 was included in the net assets available for benefits that were allocated to 32 individuals who had terminated employment.

NOTE 9 – TAX STATUS

The Internal Revenue Service has determined and informed the Plan sponsor in a letter dated May 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan maintains the provisions of standards relating to uncertain tax positions (ASC 740-10). When applicable, changes in benefits arising from current and prior tax positions taken by the Plan are recognized in the period in which the change occurs. Changes resulting from settlements with taxing authorities are recognized in the period that settlement occurs. Interest and penalties related to tax liabilities are included as a component of tax expense. Reductions in unrecognized tax benefits as a result of a lapse of the applicable statute of limitations are recognized in the period the statute lapses. The Plan's income tax filings for the periods 2019 to 2022 are subject to audit by various taxing authorities.
