INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Advisory Committee and Plan Participants of
Dean Dorton Allen Ford, PLLC Retirement Plan
Lexington, Kentucky

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We have performed an audit of the financial statements of Dean Dorton Allen Ford, PLLC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Dean Dorton Allen Ford, PLLC Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan, covering substantially all eligible employees of Dean Dorton Allen Ford, PLLC (Employer, Plan Sponsor and Plan Administrator) as well as Dean Dorton Healthcare Solutions, LLC and Dean Dorton Wealth Management, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as applicable sections of the Internal Revenue Code (IRC).

Charles Schwab Trust Bank (Schwab Trust Bank and Trustee) is the appointed trustee for the Plan and Charles Schwab & Co., Inc. (Schwab) is the custodian. Additionally, Dean Dorton Wealth Management, LLC provides investment advisory services and BAM Advisor Services, LLC (BAM Advisor) provides investment management services to the Plan.

Eligibility

All employees, other than union, temporary and leased employees, interns and nonresident aliens, are eligible to participate in the Plan beginning immediately for elective deferrals, as defined in the Plan adoption agreement.

Participants become eligible to participate in the Plan for all other purposes after one year of service and attainment of age 21. The Plan entry dates for all other purposes are January 1, April 1, July 1 or October 1 following the satisfaction of the eligibility requirements.

Prior service is credited to employees that join the Plan Sponsor through acquisition or merger. Employees from Koonce, Wooten & Haywood, LLP joined the firm effective July 1, 2022.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of Employer contributions and Plan earnings, and reduced by an allocation of administrative expenses, any distributions and Plan losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan adoption agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also allows participants to self-direct their investments.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in Employer contributions is based on years of continuous service. Participants vest 20% per year after two years of service, resulting in 100% vesting after six years of credited service. The Plan provides for 100% vesting for any participant whose termination is attributable to death, normal retirement, or permanent disability.

Forfeitures

Forfeitures result from termination of employment under circumstances which do not entitle the participant to be fully vested in his Employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$5,132 and \$54,820, respectively, and are available to reduce Employer contributions or pay Plan expenses. Forfeitures of \$20,010 were used to reduce Employer contributions or pay Plan expenses during 2022.

Contributions

Each year, participants may elect to defer up to 100% of their compensation, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified plans. Participants may change their salary deferral percentage at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer may make safe harbor contributions equal to 3% of the participant's compensation as defined by the Plan. The Employer may also make certain discretionary contributions, as defined in the Plan adoption agreement. Eligible participants will receive the safe harbor nonelective contributions regardless of whether or not they contribute to the Plan.

Employer matching contributions may be discontinued in accordance with various provisions of the Plan. Effective January 1, 2021, the discretionary match was set to be equal to 50% of the first 5% of eligible compensation deferred and the discretionary profit-sharing set at 2% of eligible compensation.

Contributions are subject to certain limitations in accordance with applicable regulatory requirements.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at fixed rates based on prime plus 1% that range from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Loan terms are for a maximum of 5 years, or longer if used for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Benefit distributions equal to a participant's vested account balance are payable to the participant or their beneficiaries upon normal retirement (age 65), death, disability or termination of employment. The method of distribution shall be determined by the Plan Administrator in accordance with the provisions of the Plan.

DEAN DORTON ALLEN FORD, PLLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

In-service withdrawals

In-service withdrawals are permitted by participants who have reached the age of 59 and 1/2. Early withdrawals may also be made in the case of financial hardship, as determined by the Employer.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Interest-bearing cash equivalents

Participants may elect to have all or part of his or her funds deposited into a money market deposit account (MMDA) at Schwab Trust Bank. Funds in the MMDA are eligible for Federal Deposit Insurance Corporation (FDIC) insurance up to \$250,000, subject to FDIC rules concerning aggregation of a participant's other deposit accounts with Schwab Trust Bank. For purposes of the FDIC's \$250,000 coverage limit, a participant's funds, if any, in deposit accounts (including certificates of deposit) at Schwab Trust Bank held through certain other self-directed retirement plan accounts and individual retirement accounts will be aggregated with funds from a participant's Plan account deposited in the Plan MMDA at Schwab Trust Bank. Each Plan participant is responsible for monitoring all deposits held with Schwab Trust Bank in order to determine the extent of FDIC coverage available for their accounts.

Investment valuation and income recognition

Investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the investment advisers and Trustee. See Note 4 for discussion of fair value measurements.

Contract value is the relevant measure of that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

DEAN DORTON ALLEN FORD, PLLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses as incurred.

No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. During 2023, payments of \$754 were made to certain active participants to return to them contributions, and related earnings, in excess of amounts allowed by the IRS to satisfy the relevant nondiscrimination provisions of the Plan for the Plan year ended December 31, 2022. During 2022, payments of \$7,225 were made to certain active participants to return to them contributions, and related earnings, in excess of amounts allowed by the IRS to satisfy the relevant nondiscrimination provisions of the Plan for the Plan year ended December 31, 2021.

Payment of benefits

Benefit payments are recognized in the year paid.

Administrative expenses

The plan sponsor has elected to pay certain administrative expenses of the Plan. The Plan Sponsor is not obligated to pay administrative expenses of the Plan. Administrative expenses are exclusive of investment expenses. The investment expenses are charged to each mutual fund and are netted against the fund's net appreciation. Any management expenses related to self-directed accounts are the participant's responsibility and paid from the participant's account.

Qualified plan expenses may be paid from the ERISA account or reallocated to participants. Earnings in the ERISA account were \$15 during 2022. As of December 31, 2022 and 2021, the cumulative balance remaining in the ERISA account totaled \$2,554 and \$2,539, respectively.

Events occurring after reporting date

The Plan has evaluated events and transactions that occurred between December 31, 2022 and October 13, 2023, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

DEAN DORTON ALLEN FORD, PLLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

The information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplementary information, including investments and notes receivable from participants held at December 31, 2022 and 2021, and investment income and interest income on notes receivable for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified by the Trustee.

NOTE 4 - FAIR VALUE

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using unadjusted quoted prices from active markets for identical assets), Level 2 (not traded on an active market, but for which observable market inputs are readily available) and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value:

Mutual funds	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
Self-directed accounts	Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices and money market funds that are valued at cost, which approximates fair value.

There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DEAN DORTON ALLEN FORD, PLLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

The following table summarizes, by level, within the fair value hierarchy, investments measured at fair value on a recurring basis as of December 31, 2022 and 2021:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,971,001	\$ -	\$ -	\$ 31,971,001
Self-directed accounts	949,457	-	-	949,457
Investments, at fair value	<u>\$ 32,920,458</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 32,920,458</u>
	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,451,117	\$ -	\$ -	\$ 34,451,117
Self-directed accounts	1,134,137	-	-	1,134,137
Investments, at fair value	<u>\$ 35,585,254</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 35,585,254</u>

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities which are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2022 and 2021, the Plan had a concentration of investments in two and four funds, which represented approximately 32% and 58%, respectively, of total investments.

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a prototype plan (Prototype). The Prototype received its latest opinion letter on June 19, 2014, in which the IRS stated the Prototype, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has not applied for a separate determination letter.

The Prototype has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe the Plan and Prototype are designed and have been operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been provided in the financial statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 7 - PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

The Plan has mutual funds managed by Schwab as of December 31, 2022 and 2021, respectively. Schwab is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan incurs expenses related to general administration and recordkeeping. The Plan Sponsor pays a portion of these expenses and certain accounting and auditing fees relating to the Plan. For 2022, the Plan paid \$53,767 for investment management services and participant withdrawal charges to various parties-in-interest, primarily Schwab and BAM Advisor.

Additionally, indirect servicing fees paid to Schwab related to third party funds range from 0.04% to 0.49% of the investment account values. These fees increase net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
