INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor and Administrator
PrecisionCare 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of PrecisionCare 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of PrecisionCare 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PrecisionCare 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PrecisionCare 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PrecisionCare 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PrecisionCare 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRECISIONCARE 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

1. DESCRIPTION OF PLAN

The following description of PrecisionCare (the “Company”) PrecisionCare 401(K) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on January 1, 2019, and amended during 2019 to comply with current provision in the law, covering all eligible employees of Orthopedic Associates of Long Island and Advanced Orthopedics, both divisions PrecisionCare. The effective date of participation is the first day of each seventh month following the date of satisfaction of the Plan's eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Company, as Plan administrator, has appointed AdvisorTrust, Inc, as the trustee of the Plan. PCS Retirement, LLC. provided recordkeeping and other administrative services for the Plan.

Eligibility

All employees, of the Company are eligible to participate the first day of the seventh month coinciding with satisfying the minimum eligibility of completing one year of service.

Participants Contributions

Participants may contribute up to 100% of their pretax compensation each year, as defined in the Plan document, not to exceed the annual limit established by the Internal Revenue Code (“IRC”). Participants who attain age 50 before the end of the calendar year are eligible to make additional catch-up contributions. The Company is required under the safe harbor provisions to make fully vested minimum contributions to eligible employees. In return, the Company avoids the restrictive nondiscrimination provisions that limit the permissible amount of annual salary deferrals by highly compensated employees. The Company may make qualified non-elective contributions to the Plan determined at its discretion. Rollover contributions are accepted into the plan, even if the employee is not yet a participant. The Plan also has Roth provisions.

Participant Accounts

Each participant’s accounts is credited with the participant’s contribution and allocations of Plan investment earnings or losses, and are charged with an allocation of administrative fees. Allocations are based on the participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's qualified non elective contributions portion of their accounts, if any, plus actual earnings thereon, is based on years of continuous service. With respect to the company's discretionary portions, if any, a participant is 0% vested fewer than two year of continuous service increasing annually to 100% after six year or more of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000, or 50% of their vested account balance. Participants are allowed to have one outstanding loan at a time. The loans, in the form of promissory notes, are secured by up to 50% of the balance in the participant's account and bear interest at reasonable rates. Principal and interest are paid through direct payroll deductions. Loans must normally be repaid within such period as agreed to between the participant and plan administrators. Interest rates on loans are determined by the Administrator and will bear interest at a rate consistent with the provisions of Section 4975(d)(1) of the Internal Revenue Code. As of December 31, 2022 and 2021, there were four loans amounting to \$9329 and \$2,250, respectively.

Payment of Benefits

On termination of service by reason of retirement, death, or disability, a participant (or their beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or as selected by the participant or beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In service and hardship distributions are permitted by the Plan.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants may be reclassified as distributions based on the terms of the Plan document. The Plan recognizes interest income from the notes receivable as earned.

PRECISIONCARE 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Dividends are recorded on the ex-dividend date. Interest is included in income when earned, based on the terms of the investments and the periods during which the investments are owned. Purchases and sales of securities are recorded on a trade-date basis. The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The Company has elected to pay certain administrative expenses out of the Plan assets. Fees charged to process participant loan requests are charged directly to the participant's account and are included in administrative expenses as provided by the Plan document. Investment related expenses are included in net appreciation of fair value investments.

3. INVESTMENT INFORMATION CERTIFIED BY PLAN'S TRUSTEE

The following is a summary of the investment information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared or derived by Reliance Trust Company, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the trustee that such information is complete and accurate.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the various investment options offered by the Plan. Participants may change their investment options at any time.

4. FAIR VALUE MEASUREMENTS

The Plan accounts for financial instruments measured at fair value in accordance with accounting guidance for fair value measurements and disclosures which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

- Mutual funds: Mutual funds are stated at fair value based on unadjusted quoted prices in an active market for each share held by the Plan.
- Common collective trust fund: Common collective trust funds are stated at fair value, which is determined by the trustee of the common collective trust based on the underlying assets, which represents the net assets value of units held by the trust. The common collective trust fund invests primarily in bonds and equity securities (corporate debt instruments, government issued securities and equity securities). The common collective trusts do not have any unfunded commitments related to its investments, or any significant restrictions or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

4. FAIR VALUE MEASUREMENTS (CONTINUED)

There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair values as of December 31, 2022 and 2021:

Fair Value Measurements at December 31, 2022

Description	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Shares of registered Investment Companies	\$ 7,105,179	\$ -	\$ -	\$ 7,105,179
Total investments at fair value	<u>7,105,179</u>	<u>-</u>	<u>-</u>	<u>7,105,179</u>

Fair Value Measurements at December 31, 2021

Description	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Observable Inputs (Level 2)	Total
Shares of Registered Investment Company	\$ 6,112,378	\$ -	\$ -	\$ 6,112,378
Total investments at fair value	<u>6,112,378</u>	<u>-</u>	<u>-</u>	<u>6,112,378</u>

5. PARTY-IN-INTEREST

Certain plan investments are recorded managed by Professional Capital Services, LLC. Professional Capital Services, LLC is the recordkeeper of the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for recordkeeping services are included in the net appreciation in fair value of investments on the statement of changes in net assets available for benefits. Fees paid by the participants of the Plan for administrative expenses amounted to \$44,981 for the year ended December 31, 2022.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. TAX STATUS

The Plan is a prototype non-standardized defined contribution plan. The Plan has obtained an opinion letter on the prototype plan dated March 29, 2012, stating that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). Generally, the Plan administrator and the Plan may rely on the opinion letter as to the form of the Plan qualifying under the Code. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

8. RISKS AND UNCERTAINTIES

The Plan's investments are concentrated in funds that invest in marketable equity securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risk associated with certain equity securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available for issuance.

10. RISK TO OPERATIONS

The United States is presently in the midst of a national health emergency related to a virus, commonly known as Novel Coronavirus (COVID-19). The overall consequences of COVID-19 on a national, regional and local level are unknown, but it has the potential to result in a significant economic impact. The impact of this situation on the Plan and its future results and financial position is not presently determinable.
