Independent Auditor's Report

To the Trustees and the Participants
MoneyLion, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MoneyLion, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and December 31, 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H – Part IV – Line 4(a) – Schedule of Delinquent Contributions for the Year Ended December 31, 2022 and Schedule H – Part IV – Line 4(i) Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022

Note 1 – Description of Plan

The following description of MoneyLion, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on January 1, 2018 covering all eligible employees who are members of the controlled group which includes MoneyLion, Inc., Wealth Technologies, Inc, Malka Media Group LLC and Malka Sports LLC (the “Employers”). Effective January 1, 2023, Even Financial, Inc. is a participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees of the Employers over the age of 21 who have completed 30 days of service are eligible to participate in the Plan for purposes of elective deferrals and the Employers’ safe harbor matching contribution. Employees who attain one year of service are eligible for employer profit sharing contributions, if any.

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2022 financial statements.

Participant accounts

Each participant’s account is credited with the (a) participant’s contributions, (b) allocations of the Employers’ contributions and (c) Plan earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Contributions

Upon eligibility, participants may make pre-tax and Roth contributions to the Plan, subject to certain limitations set by the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Employers makes a safe harbor matching contribution of 100% up to 3% of compensation plus 50% of employee contributions in excess of 3% of compensation and up to 5% of compensation. The Employers may make profit sharing contributions equal to a discretionary amount for eligible employees. During 2022, the Employers did not make any profit-sharing contributions.

Notes to Financial Statements (continued)
December 31, 2022

Note 1 – Description of Plan (continued)

Investment options

Each participant may direct the investment of his/her account into certain available investment options. The assets of the Plan are allocated to the applicable funds at the direction of the participant.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and employer safe harbor contributions. Vesting in the Employers' discretionary matching contributions portion of their accounts plus actual earnings thereon is based on the number of years of continuous service by the participant. A participant is 100 percent vested after six years of credited service, based on the vesting schedule outlined in the Plan document.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures may be used to pay administrative expenses or reduce future employer contributions. For the year ended December 31, 2022, there were no forfeitures.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lower of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates equal to the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions or payment by check over no longer than a five-year period. The five-year period may be extended to a term no longer than 30 years if the participant is borrowing to finance the purchase or renovation of a principal residence. Participants are limited to one outstanding loan at a time. Through the adoption of the CARES Act in 2020, maximum loan amounts increased to the lesser of \$100,000 or 100% of a participant's vested account balance for 180 days following the date of enactment. A participant was required to meet certain criteria to be eligible for the increased loan amounts.

Payment of benefits

On termination of service due to death, disability, retirement, or separation from service, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments as further outlined in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Note 2 – Summary of significant accounting policies

Basis of accounting

The Plan's financial statements are prepared using the accrual basis of accounting, except for benefits paid which are recorded when paid.

Notes to Financial Statements (continued)
December 31, 2022

Note 2 – Summary of significant accounting policies (continued)

Investment valuations and income recognition

The Plan's investments are reported at fair value except for the fixed income guaranteed option which is valued at contract value.

Realized, unrealized gains (losses) and interest and dividend income from the assets in each account are credited to or charged against each participant's account. Purchases and sales of securities are recorded on a trade date basis.

The aggregate of (a) the net unrealized appreciation (depreciation) in the fair value of investments for the year, and (b) the net gains or losses on disposition of investments during the year is reflected as net (loss) of investments for the year.

Management fees and operating expenses charged to the Plan for investments in the investments consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employers. Expenses that are paid by the Employers are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses.

Contributions

Contributions from participants are recorded as they are withheld from the participants' wages.

Payment of benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and December 31, 2021.

Note 2 – Summary of significant accounting policies (continued)

Risks and uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, credit and liquidity risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits at December 31, 2022. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with investments. Any defaults on notes receivable from participants would be treated as a taxable distribution to the participant.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2023, which is the date of the financial statements were available to be issued.

Note 3 – Investments, at fair value

Fair value measurements

The Plan reports its investments under the Financial Accounting Standards fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under this standard are as follows:

- Level 1 – Unadjusted quoted prices in active markets for identical assets.
- Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Common/collective trusts measured at net asset value				3,597,105
Total investments, at fair value				\$ 5,193,176

Mutual funds

The Plan's investments in mutual funds are stated at fair value based on the quoted market prices of the underlying securities within each fund. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price.

Pooled separate accounts

Unit value is calculated based on the net assets of the underlying pool of securities which value their investment securities at fair value. The separate accounts are valued daily based on the NAV of shares of the underlying funds. These investments can be redeemed on a daily basis.

MONEYLION, INC.
401(k) PROFIT SHARING PLAN

Notes to Financial Statements (continued)
December 31, 2022

Note 3 – Investments, at fair value (continued)

Common/collective trusts

The NAV of the common/collective trusts are determined at the close of each business day based on the fair value of the respective investments. The NAV per unit is calculated as of the close of each business day. The NAV per unit is computed by dividing the total contract value of the assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation (“unit value”). Investment income earned is reinvested in the Fund and included in the determination of unit values. The value of each participant’s account on any date is determined by multiplying the number of units held by the “unit value” at the close of the business day. The common/collective trusts have zero unfunded commitments, a daily redemption frequency and a 1 day redemption notice period.

Note 4 – Investments at contract value

The Plan held a portfolio of investment contracts that comprised of fixed income guaranteed option contracts. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the contract value types of investment contracts held by the Plan at December 31, 2022 and December 31, 2021:

	<u>2022</u>	<u>2021</u>
Fixed income guaranteed option	\$ <u>133,896</u>	\$ <u>10,331</u>

Note 5 – Information certified by the Plan’s Trustees

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company, the Trustees of the Plan, have certified to the completeness and accuracy of all investments and investment activity reflected on the following:

- Statements of net assets available for benefits as of December 31, 2022 and December 31, 2021
- Statement of changes in net assets available for benefits for the year ended December 31, 2022
- Schedule H – Line 4(i) – Schedule of Assets (Held at End of Year) at December 31, 2022

Note 6 – Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue and terminate the Plan at any time, subject to the provisions of ERISA. Should there be a partial or full termination of the Plan, participants become 100% vested in their accounts.

Note 7 – Party-in-interest transactions

Plan investments include shares of funds managed by Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company are the Trustees as defined by the Plan, and, therefore, those transactions, as well as other transactions with the Trustees, qualify as party-in-interest.

Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions also qualify as a party-in-interest transactions.

Note 8 – Tax status

The Internal Revenue Service has determined and informed the Plan by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan's management and Trustees believe the Plan is designed and currently being operated in compliance with applicable requirements of the IRC.
