Re: Nexus Engineering Group, LLC 401(k) Retirement Plan & Trust

We are pleased to confirm our understanding of the services we are to provide for Nexus Engineering Group, LLC 401(k) Retirement Plan & Trust (the Plan) for the year ended December 31, 2022, in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974 (ERISA).

Audit Scope and Objectives

Except as described below, we will audit the financial statements of Nexus Engineering Group, LLC 401(k) Retirement Plan & Trust, an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the disclosures (collectively, the financial statements). We will also report on the supplemental schedule of the Plan for the year ended December 31, 2022. The following supplementary information accompanying the financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures:

- 1) Assets (Held at End of Year) and Assets (Acquired and Disposed of Within Year).
- 2) Loans or Fixed Income Obligations in Default or Classified as Uncollectible.
- 3) Leases in Default or Classified as Uncollectible.
- 4) Reportable Transactions.
- 5) Nonexempt Transactions.
- 6) Delinquent Participant Contributions.

These financial statements and supplemental schedule are required to be included in the Plan's Form 5500 filing with the Employee Benefits Security Administration (EBSA) of the Department of Labor (DOL).

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditors' report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (GAAP). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described above, we will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary, except assets and related transactions certified by the trustee will not be tested. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Plan and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risks of material misstatement as part of our audit planning:

- Risk of management override of controls
- Risk of misappropriation of Plan assets due to untimely transfer of employee deferrals to the Plan

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include direct confirmation of investments except those certified to by the trustee confirmation of certain other assets and liabilities by correspondence with financial institutions or other third parties, and confirmation of participant elections, demographic information, benefit payments, or other information with participants. We may also request written representations from your attorneys as part of the engagement and they may bill you for responding to this inquiry.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting Plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Our audit of the financial statements does not relieve you of your responsibilities.

Other Services

We may provide account reconciliation or other bookkeeping services which may result in proposed journal entries or other changes affecting the financial statements. We will also prepare the trial balance, financial statements, disclosures, and supplemental schedule of the Plan in conformity with GAAP based on information provided by you. We will perform the services in accordance with applicable professional standards. The other services are limited to the services included in this letter. We, in our sole professional judgment, reserve the right to refuse to perform any procedures or take any actions that could be construed as assuming management responsibilities.

As you have instructed, our engagement does not include preparation of the Plan's Form 5500. Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, requires us to obtain and read the draft Form 5500 that is substantially complete to identify material inconsistencies, if any, with the audited financial statements before we date our report. We will, therefore, not issue our auditors' report until the draft Form 5500 that is substantially complete has been provided for our review.

Certain communications involving tax advice are privileged and are not subject to disclosure to the IRS. By disclosing the contents of those communications to the government, you, your employees, or agents may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about tax advice. Should you decide that it is appropriate for us to disclose any potentially privileged communication, you agree to provide us with written, advance authority to make that disclosure.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements; and for the preparation and fair presentation of the financial statements in conformity with GAAP. You are also responsible for reviewing and approving drafts of financial statements, and making all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence. You are also responsible for maintaining a current Plan instrument, including all Plan amendments; and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants. You are also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP. You are also responsible for providing to us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

The procedures we will perform in our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the written and oral representations that we receive from management. In view of the foregoing, the Company agrees to release our firm and its personnel, indemnify us, and hold us harmless from any liability and all reasonable costs relating to our services performed under this letter resulting from false or misleading representations made to us by any member of the Plan's management.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. You are responsible for the fair presentation of the supplemental schedule and the form and content of the supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You are required to disclose the date through which subsequent events have been evaluated and whether that date is the date the financial statements were issued or were available to be issued. You agree that you will not date the subsequent event disclosure earlier than the date of your management representation letter.

You agree to assume all management responsibilities for the journal entries, account reconciliations, trial balance, financial statements, disclosures, supplemental schedule, and for any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

In the event that an inquiry is received from the DOL or IRS regarding the Form 5500 or the financial statements that are made a part of that filing, you agree to provide a copy of such inquiry to us as soon as possible following its receipt. Further, you agree to provide us with a draft of your response to any such correspondence prior to mailing.

Certain communications involving tax advice may be privileged and not subject to disclosure to the IRS. By disclosing the contents of those communications to anyone, or by turning over information about those communications to the government, you, your employees, or agents may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about our tax advice. Should you decide it is appropriate for us to disclose any potentially privileged communication, you agree to provide us with written, advance authority to make that disclosure.

You agree that you will notify us and obtain our consent before reproducing our report for any reason and in any medium.

Engagement Administration, Fees, and Other

We understand that your personnel will prepare requested schedules, analyses, and all confirmations we request and will locate any invoices or other documents selected by us for testing. We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees being billed over our original fee estimate.

The audit documentation for this engagement is the property of Barnes Wendling CPAs, Inc. (Barnes Wendling) and constitutes confidential information. However, we may be requested to make certain audit documentation available to the DOL pursuant to authority given to it by law. The DOL may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies. If requested, access to such audit documentation will be provided under the supervision of Barnes Wendling's personnel. In the event we are requested or authorized by the Plan or are required by the DOL or IRS for government regulation or oversight purposes of our audit work, subpoena, or other legal process to produce our documents or our personnel as witnesses with respect to our engagements for the Plan, the Plan will, so long as we are not a party to a legal proceeding in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests. The fees associated with providing access to these workpapers will be billed at our standard rates.

Jordan A. Batch, CPA, is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. We expect to begin our audit on June 12, 2023.

We estimate that our fees for the audit and other services will be \$15,000. You will also be billed for travel and other out-of-pocket costs such as report production, word processing, postage, confirmation service provider fees, etc. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. Should any unexpected circumstances arise during the engagement, please bring them to our attention in order for us to resolve them to your satisfaction.

When we estimated the aforementioned fee, we did so under the assumption we are rendering audit services and preparing the trial balance, financial statements, disclosures, and supplemental schedule and we are not performing other consultation, accounting, or reconciling services. However, often during employee benefit plan audits, we may encounter issues requiring additional effort. The list below includes common issues which will result in additional fees being invoiced if these issues occur during the engagement. This list does not include all possibilities or issues that may occur; however, these are some of the most common areas creating additional work on our part.

Common Issues

- Testing and documentation of any prior year issues that impact the current year audit
- Preparing of a reconciliation schedule of contributions per payroll to the Plan
- Missed deferrals or late contributions
- Confirmations due to electronic election process and lack of participant signed documentation
- Differences between trust statements and participant statements
- Obtaining information and preparing disclosures for new Level 2 and Level 3 investments
- Change in service provider (TPA or investment custodian/trustee)
- Summarization of more than one SOC 1 reports
- Additional procedures required as a result of qualified opinion on SOC 1 report from Plan service provider
- Reconciling total Plan contributions to total amounts withheld from payroll
- Recalculated participant contributions based on participant elections and Plan document that do not agree to amounts withheld (per person affected)
- Delays (by either client personnel or third-party providers) in obtaining documents by request date
- Calculation of Plan corrections for missed deferrals, delinquent contributions, or other corrections
- Partial Plan termination
- Plan not operating in accordance with Plan documents

We will attempt to notify you or your staff as issues arise (and these communications may be merely in the form of being copied on an e-mail to your third-party administrators or other serviced providers) that may result in additional fees being incurred during the audit. It is important that your staff is properly prepared for our engagement and that they notify us of any anticipated issues so that we may discuss alternatives for efficient completion of the services.

Bills for services are due when rendered. A late payment service charge of 1½% per month, 18% per annum, will be added to all past due accounts based on the previous month's balance. Interim bills may be submitted at periodic dates to cover charges and expenses incurred. If you have any billing questions, please submit them in writing, within 60 days of the invoice date. Otherwise, you agree to pay the invoice as presented. In accordance with our firm policies, work may be suspended if your account becomes 90 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

To ensure Barnes Wendling's independence is not impaired under the AICPA *Code of Professional Conduct*, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

The quality of our client service is directly related to the service team we assemble to serve each of our clients. Although we consider it a compliment when our personnel are offered key financial or other positions with our clients, our ability to hire experienced personnel to fill the vacancies left from the departure of our skilled professionals has been very challenging and costly to our firm. It directly affects our ability to service you, our valued client, since we have to recruit, provide technical training, and educate new personnel about your account. As a result of these challenges, you and Barnes Wendling each agree to not employ nor contract directly for the services of the other's personnel. This provision applies to all personnel involved in the engagement covered by this agreement, those introduced to you during the engagement, or others with our firm, regardless of whether or not they have performed services for you during the term of this agreement and for a period of 12 months following the completion of our current engagement. The fee for hiring shall be 100% of salary of the individual at the time of departure, to be paid by the party breaching the terms of this provision. We appreciate your understanding.

The parties to the engagement agree that any dispute that may arise regarding the meaning, performance or enforcement of this engagement will, prior to resorting to litigation, be submitted to mediation upon the written request of any party to the engagement. All mediations initiated as a result of this engagement shall be administered by a party to be agreed upon. The results of this mediation shall be binding only upon agreement of each party to be bound. The cost of any mediation proceeding shall be shared equally by both parties.

We will provide you with a shared secure portal to transmit client specific or other sensitive information. We strongly recommend using the shared secure portal when transmitting sensitive information. You may communicate with us and we may communicate with you via email transmission in connection with this engagement. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, please keep this in mind when sending such correspondence.

During the course of our engagement, we may accumulate records containing data which should be reflected in your books and records. You will determine that all such data, if necessary, will be so reflected. Accordingly, you will not expect us to maintain copies of such records in our possession.

Our engagement ends on the delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

Our relationship with you is limited to that described in this letter. As such, you understand and agree that we are acting solely as independent accountants. We are not acting in any way as a fiduciary or assuming any fiduciary responsibilities for you. We are not responsible for the preparation of any report to any governmental agency, or any other form, return, or report or for providing advice or any other service not specifically recited in this letter.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements. Our report will be addressed to Plan Administrator of Nexus Engineering Group, LLC 401(k) Retirement Plan & Trust. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to further modify our report, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditors' report, or if necessary, withdraw from this engagement. If our report will include other modifications, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the engagement, we may decline to issue a report or withdraw from this engagement.

If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets which in our professional judgment prevent us from completing the engagement, we retain the right to take any course of action permitted by professional standards, including declining to issue a report or withdrawing from the engagement.

We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Very truly yours,

BARNES WENDLING CPAs, INC.

Rosemary Rehner, CPA, CEPA
Director

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Nexus Engineering Group, LLC 401(k) Retirement Plan & Trust
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Nexus Engineering Group, LLC 401(k) Retirement Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, the trustee of the Plan, a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021 and Year Ended December 31, 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Nexus Engineering Group, LLC 401(k) Retirement Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees who are not covered by a collective bargaining agreement, not leased employees, and not non-resident aliens of Nexus Engineering Group, LLC. (the Company, Plan Sponsor, and Plan Administrator). Effective November 15, 2021, the Plan was amended to require one month service to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to defer up to 100% of their eligible compensation as defined by the Plan on either on a pre-tax or Roth after-tax basis. Effective November 26, 2021, the Plan was amended to automatically enroll active participants without a deferral election, participants with a zero election on file, and newly eligible participants who have not declined participation or completed a salary deferral agreement as of the date of their eligibility to participate in the Plan at a deferral rate of 6% invested in a fund designated by the Plan Administrator until changed by the participant. Participants may make a special election to make elective deferrals on bonus compensation; otherwise, no elective deferrals are made on bonus compensation. The Plan provides for the acceptance of certain rollover contributions from other plans qualified under the Internal Revenue Code (the Code) as defined by the Plan. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year.

The Plan provides for 401(k) safe harbor matching employer contribution to eligible participants, which was 100% of the first 3% of compensation and 50% of the next 2% of compensation that a participant contributed to the Plan for the year ended December 31, 2022. The Plan also provides for a discretionary nonelective employer contribution for employees who have 501 or more hours of service and are still employed on the last day of the Plan year. The discretionary nonelective employer contribution was \$98,622 for the year ended December 31, 2022.

Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, employer safe-harbor matching contributions, and an allocation of the Company's non-elective employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral, rollover, and employer safe harbor contributions, plus actual earnings thereon. The nonelective employer contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 Year	20%
2 Years	40%
3 Years	60%
4 Years	80%
5 Years	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances, subject to Plan provisions. Notes receivable terms range from 1 - 5 years or up to 10 years for the purchase of a primary residence. Notes receivable are secured by the balances in the participants' accounts and bear interest at rates that range from 3.25% to 5.50% at December 31, 2022. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon attaining age 59½ or termination of service a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account or partial withdrawals based upon the terms of the Plan document. If the value of the vested benefits credited to a participant's account is \$5,000 or less at the time of termination, the entire amount will automatically be distributed to a participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Administrator.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (Continued)

Active participants may elect hardship withdrawals from all vested account balances, subject to Plan provisions.

Forfeited Accounts

Forfeitures are used to pay Plan administrative expenses, to reduce the Company's discretionary employer contributions to the Plan or to reallocate these funds to participants in the same manner as the Company's nonelective contributions. Unallocated forfeiture balances as of December 31, 2022 and 2021 were \$2,610 and \$17,950, respectively. Forfeitures of \$22,000 were used during the year ended December 31, 2022 to reduce employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make payments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

December 31, 2022 and 2021 and Year Ended December 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions are recorded and credited to each participant's account when received by the trustee from the Company. Any contributions attributable to the Plan year but not received by the trustee by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in investment income (loss) on the accompanying statement of changes in net assets available for benefits.

Income Taxes

The Company adopted a volume submitter profit sharing plan with cash or deferred arrangement which received an opinion letter from the IRS dated March 31, 2014, stating that the Plan was designed in accordance with applicable sections of the Code. On January 1, 2022, the Plan was restated and adopted a non-standardized pre-approved profit-sharing plan with a cash or deferral arrangement, which received an opinion letter from the IRS dated June 30, 2020, stating that the Plan was designed in accordance with applicable sections of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - CERTIFICATION

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by trustee.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2022 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 16,958,514</u>	<u>\$ 16,958,514</u>
Total investments in the fair value hierarchy	<u>\$ 16,958,514</u>	16,958,514
Investments measured at net asset value:		
Common/collective trust		<u>4,065,129</u>
Total investments at fair value		<u>\$ 21,023,643</u>

The Plan's investments accounted for at fair value as of December 31, 2021 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 21,053,089</u>	<u>\$ 21,053,089</u>
Total investments in the fair value hierarchy	<u>\$ 21,053,089</u>	21,053,089
Investments measured at net asset value:		
Common/collective trust		<u>2,255,262</u>
Total investments at fair value		<u>\$ 23,308,351</u>

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets on which the investments are traded.

NEXUS ENGINEERING GROUP, LLC

401(K) RETIREMENT PLAN & TRUST

Notes to Financial Statements

December 31, 2022 and 2021 and Year Ended December 31, 2022

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The common/collective trust is valued at the net asset value of the units held by the Plan at year end. The net asset value is the contract value as reported by the trust's audited financial statements. The net asset value, as provided by the trustees, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The methods described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

NOTE E - INVESTMENT IN COMMON/COLLECTIVE TRUST

The Plan has an investment in the Putnam Stable Value Fund (the Fund), which is a common/collective trust fund with a balance of \$4,065,129 and \$2,255,262 at December 31, 2022 and 2021, respectively. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within the Fund to noncompeting investment options. Subject to certain restrictions, withdrawals from the Fund are generally permitted daily at contract value.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NEXUS ENGINEERING GROUP, LLC

401(K) RETIREMENT PLAN & TRUST

Notes to Financial Statements

December 31, 2022 and 2021 and Year Ended December 31, 2022

NOTE H - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include investments in the funds of the trustee, and related dividend income, interest, and the payment of investment and administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions. The trustee receives revenue from mutual fund service providers for services provided to the funds. This revenue was used to offset certain amounts owed for administrative services to the Plan.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2023, the date which the financial statements were available to be issued.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE 2.0 Act of 2022 (SECURE Act 2.0). SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.
