INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Dexter Magnetic Holdings, LLC 401(k) Plan
Elk Grove Village, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Dexter Magnetic Holdings, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the period from November 1, 2022 (inception) through December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Dexter Magnetic Holdings, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the period from November 1, 2022 (inception) through December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dexter Magnetic Holdings, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dexter Magnetic Holdings, LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dexter Magnetic Holdings, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dexter Magnetic Holdings, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the Dexter Magnetic Holdings, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document or the Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined contribution 401(k) and profit-sharing plan, covering hourly and salaried employees of Dexter Magnetic Holdings, LLC (the "Company") with the exception of employees covered by collective bargaining agreements and leased employees who are not eligible to participate in the Plan. Employees are immediately eligible to participate in the Plan with regards to elected employee deferrals and all employer contributions. There are no age or service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Plan participants may contribute any percentage up to 75% of pretax annual compensation not to exceed the dollar limitations contained in the Internal Revenue Code ("IRC") through a salary reduction election. Such reductions may be either pre-tax or ROTH. Any newly eligible employee who fails to file a salary deferral agreement with the Plan Administrator will be automatically enrolled in the Plan, and 6% of his or her eligible compensation will be withheld as pre-tax deferrals.

Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing pretax distributions from other qualified plans.

The employer may make discretionary matching contributions to the Plan. In 2022, the employer matched participant contributions equal to 50% of the first 6% of participants' eligible compensation contributed to the Plan. Participants direct the investment of their contributions and Company matching contributions into various investment options offered by the Plan. The Company may make additional discretionary profit-sharing contributions, as defined by the Plan Document, to participants who have satisfied related service requirements. There were no discretionary profit-sharing contributions made by the Company during the period ended December 31, 2022.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contributions, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants shall at all times be 100% vested in their salary deferral contributions plus actual earnings thereon. A participant is incrementally vested over three years of credited service in any employer matching contributions and discretionary contributions and the earnings thereon. Participants are fully vested after three years of credited service or upon reaching normal retirement age, death, total disability, or termination of the Plan.

Investment options

Upon enrollment in the Plan, participants may elect to invest their contributions and any Company matching and discretionary contributions in one or more of the investment options offered by the Plan. The investment options consist of a range of investment alternatives including mutual funds and collective trust funds. Participants may elect at any time to change the manner in which their account balances are invested and are allowed to transfer between investment accounts.

Notes receivable from participants

A participant, who is also an employee, may borrow from the Plan a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years with the exception of loans for the purchase of primary residence which may have a longer term. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator, based on the then prevailing interest rates. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

The Plan provides that a participant's vested interest in the Plan will be distributed to the participant upon retirement, total disability or death. Employees terminating employment with the Company for other reasons are entitled to their vested interest in the Plan. Participants with elective deferral contributions in excess of \$5,000 may elect to defer distribution to a future date as more fully described in the Plan. Participants may elect to (a) receive a single lump sum amount equal to their vested account balance, (b) annuity or (c) have all of his or her distributions paid in the form of a direct trustee-to-trustee transfer to another eligible retirement plan designated by the participant.

Participants may also withdraw certain basic contributions thereon only in the event of a financial hardship as defined by the Plan and the IRC.

1. DESCRIPTION OF THE PLAN (continued)

Forfeited accounts

Forfeited non-vested accounts totaled \$12,620 at December 31, 2022. There were no forfeiture amounts used during 2022. These forfeited accounts may be used to pay Plan administrative expenses or may be reallocated to the Participants. If reallocated, each Participant who is employed on the last day of the plan year and who is credited with at least 1,000 hours of service during the plan year shall receive a portion equal to their gross pay as a percentage of total gross pay for all employees eligible for the allocation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of the period ended December 31, 2022.

Dexter Magnetic Holdings, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administration expense. Investment related expenses are included in net appreciation in fair value of investments.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements are available to be issued.

3. CERTIFICATION OF INVESTMENT INFORMATION

The Plan's Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certification from Fidelity Management Trust Company (the "trustee") that all the investments and notes receivable from participants information provided by the trustee included in the accompanying financial statements and supplemental schedule is complete and accurate. Information as to the investments in the accounts of the trustee, interest and dividends, realized and unrealized gain, and investment income information appearing in the accompanying statements and supplemental schedule are presented in reliance solely upon this certification.

4. INVESTMENTS - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

Dexter Magnetic Holdings, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022

4. INVESTMENTS - FAIR VALUE MEASUREMENTS (continued)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at NAV per unit of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 3,149,274</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 3,149,274
Investments measured at net asset value (a)				<u>14,133,157</u>
				<u>\$ 17,282,431</u>

(a) In accordance with FASB ASC subtopic 820-10, Fair Value Measurement, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Dexter Magnetic Holdings, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022

4. INVESTMENTS - FAIR VALUE MEASUREMENTS (continued)

There were no significant transfers between Level 1, Level 2, or Level 3 investments during the period ended December 31, 2022.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment Type	2022			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds	\$ 13,695,422	\$ -	Daily	None
Collective trust funds - stable value	\$ 437,735	\$ -	Daily	Up to 12 months

6. TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the prototype adopted by the Plan, as then designed, qualifies under IRC Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in certain collective trust funds whereby the Plan's investment advisor, Moneta Group (Moneta) is a fund investment advisor and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Moneta for investment management services are paid by the Plan through a reduction of investment return. There were no fees paid to Moneta in 2022.

Dexter Magnetic Holdings, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022

7. PARTY-IN-INTEREST TRANSACTIONS (continued)

Additionally, certain Plan investments are mutual funds and units of collective trust funds managed by Fidelity. Fidelity is the trustee and recordkeeper of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity totaled \$225 in 2022.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to a variety of risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values on investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. CORRECTIVE CONTRIBUTIONS

During 2022, Roth contributions for certain participants were calculated based on incorrect compensation as defined by the Plan. The Sponsor has identified the participants affected and calculated the correction to be \$16,087 which is included on the statement of changes in net assets available for benefits as "Employer contributions - other". The corrective contribution will be made during the 2023 plan year.

10. PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan Document to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2022:

Net assets available for benefits per the financial statements	\$ 17,624,957
Less: Contributions receivable - current year	<u>(60,786)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 17,564,171</u></u>

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2022:

Changes in net assets available for benefits before transfers per the financial statements	\$ 860,570
Less: Contributions receivable - current year	<u>(60,786)</u>
Change in net assets available for benefits before transfers per the Form 5500	<u><u>\$ 799,784</u></u>

12. PLAN TRANSFERS

On November 1, 2022, the Plan was established as a result of a spin-off from TSL Engineered Products, LLC 401(k) Plan. Assets totaling \$16,764,387 were transferred into the Plan as part of the spin-off.
