Report of Independent Auditor

To the Plan Administrator
State Bankers Association Master Defined Contribution Plan for First National Bank
Altavista, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of State Bankers Association Master Defined Contribution Plan for First National Bank (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2021 were audited by other auditors. As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, management instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to any investment information by a qualified institution. Their report, dated October 7, 2022, indicated that: (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

STATE BANKERS ASSOCIATION MASTER DEFINED CONTRIBUTION PLAN FOR FIRST NATIONAL BANK

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1—Plan description

The following description of the State Bankers Association Master Defined Contribution Plan for First National Bank (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established on January 1, 1997 covering eligible employees of First National Bank (the "Company"). The Company is responsible for oversight of the Plan. The Plan's management determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

All employees, except for leased employees, owner employees, self-employed individuals, and hourly workers, are eligible to participate in the Plan after they have completed one month of service and attained the age of 21.

Name Change – During the year ended December 31, 2022, the Plan's name was changed from VBA Defined Contribution Plan for First National Bank 401(k) to State Bankers Association Master Defined Contribution Plan for First National Bank.

Contributions – Eligible participants can elect to contribute a portion of their pretax annual compensation as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan provides for the automatic enrollment of eligible participants at a deferral rate of 3% of eligible pay, unless the participant affirmatively elects otherwise. The Plan also provides for an automatic 1% annual increase in the deferral rate, up to a maximum deferral of 6% of eligible pay, for all participants who have been automatically enrolled in the Plan. If a participant stops making contributions during a Plan year, they will be automatically enrolled at the 3% contribution rate at the beginning of each Plan year. A participant may opt out at any time. Participants may also contribute amounts representing rollovers from other qualified defined contribution plans.

The Company provides a safe harbor matching contribution of 100% of the first 1% of participant contributions, and 50% of the next 5%.

The Company also provides a discretionary base contribution. To be eligible for the discretionary base contribution, an employee must be employed on the last day of the Plan year and have completed a year of base allocation service (1,000 hours of service throughout the year). The Company did not make a discretionary base contribution for the year ended December 31, 2022.

Participant Accounts – Each participant's account is credited with the participant's contributions, related Company safe harbor matching contributions, discretionary base contributions, and Plan earnings, and charged with benefits paid to participants, Plan losses, and an allocation of administrative expenses, if not paid by the Company. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Maximum loan terms are limited to 30 years for the purchase of a primary residence or 5 years for all other purposes. The loans are fully secured by the balance in the participant's account and bear interest at the prime rate at the time the loan is made. Principal and interest is paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2022 AND 2021

Note 1—Plan description (continued)

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's safe harbor matching contribution and discretionary base contribution portion of their accounts plus actual earnings thereon is based on years of continued service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 or more	100%

Investment Options – Upon enrollment in the Plan, a participant may direct 100% of their allocation of contributions. Participants may select between several investment options, including various mutual funds and a common collective trust fund.

Benefits Paid to Participants – Upon termination of service due to resignation, death, disability, involuntarily termination, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or roll over his or her distribution into an Individual Retirement Account or another qualified plan. In certain situations, participants may receive in-service hardship withdrawals.

Forfeitures – Forfeitures can be used to reduce future Company contributions. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$3,236 and \$244, respectively. Forfeitures of \$8,423 were used to reduce Company contributions for the year ended December 31, 2022.

Note 2—Summary of accounting policies

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Benefits Paid to Participants – Benefits are recorded when paid.

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**STATE BANKERS ASSOCIATION MASTER DEFINED CONTRIBUTION PLAN
FOR FIRST NATIONAL BANK
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2022 AND 2021

Note 2—Summary of accounting policies (continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Other expenses of maintaining the Plan are paid through participant accounts and are presented in the aggregate in the statement of changes in net assets available for benefits. Investment related expenses are included in the net depreciation of fair value of investments.

Fair Value Measurements – U. S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – This investment is a public investment vehicle valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Common Trust Funds – These investments are public investment vehicles valued using NAV as a practical expedient provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Common collective trust funds have not been classified under the fair value hierarchy.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3—Information certified by the qualified institution (unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya Institutional Trust Company, the "qualified institution" of the Plan, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

- Investments, at fair value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4—Fair value measurements

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,621,348	\$ -	\$ -	\$ 2,621,348
Common trust funds, measured at NAV*				5,345,176
Total investments at fair value				\$ 7,966,524
2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 8,998,819	\$ -	\$ -	\$ 8,998,819
Common trust fund, measured at NAV*				341,093
Total investments at fair value				\$ 9,339,912

*In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets.

FOR FIRST NATIONAL BANK
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2022 AND 2021

Note 4—Fair value measurements (continued)

The following table summarizes investments for which fair value is measured using the net asset value (“NAV”) per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if current eligible)	Redemption Notice Period
Common trust funds	<u>\$ 5,345,176</u>	N/A	Daily	N/A
December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if current eligible)	Redemption Notice Period
Common trust fund	<u>\$ 341,093</u>	N/A	Daily	N/A

Note 5—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6—Tax status

The Company adopted a non-standardized pre-approved profit sharing plan which received a favorable opinion letter from the Internal Revenue Service (“IRS”) on June 30, 2020, which stated that the prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the opinion letter. However, the Company believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2022. The Plan Sponsor believes the Plan has no income subject to unrelated business income tax.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7—Related party and party-in-interest transactions

Certain Plan investments are managed by the qualified institution, the trustee and recordkeeper of the Plan. The qualified institution provides certain administrative services to the Plan pursuant to an agreement between the Company and the qualified institution. The qualified institution receives revenue from mutual fund and collective trust fund service providers for services the qualified institution provides to the funds. This revenue is used to offset certain amounts owed to the qualified institution for its administrative services to the Plan. Certain administrative expenses are also paid to the service provider, VBA Benefits Corporation. These transactions qualify as party-in-interest transactions. These administrative expenses amounted to \$66,308 for the year ended December 31, 2022.

Notes receivable from participants and related interest income also qualify as party-in-interest transactions.

Note 8—Subsequent events

In accordance with U.S. GAAP, the Plan has evaluated all subsequent events through October 10, 2023, the date the financial statements were available to be issued. Based on this evaluation, the Plan did not identify any recognized or non-recognized subsequent events that would have required adjustment to or disclosure in the Plan financial statements as of December 31, 2022.
