INDEPENDENT AUDITORS' REPORT

To the Trustees
EHS Support, LLC Retirement Savings Plan
Pittsburgh, Pennsylvania

Report on the Audit of the 2022 Financial Statements

Opinion

We have audited the financial statements of **EHS Support, LLC Retirement Savings Plan** ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2022, the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022, and the changes in net assets available for benefits for the year then ended in accordance with U.S. generally accepted accounting principles ("GAAP").

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with U.S. generally accepted auditing standards ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The 2022 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the 2022 financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the 2022 financial statements as a whole, and the form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - 2021 Financial Statements

The accompanying statement of net assets available for benefits of the Plan as of December 31, 2021, was compiled by us. We did not audit or review the financial statement and accordingly, express no opinion or other form of assurance on whether the statement of net assets available for benefits is in accordance with GAAP.

**EHS SUPPORT, LLC RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

1 - DESCRIPTION OF PLAN

The following description of the EHS Support, LLC Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering all full-time employees of EHS Support, LLC. ("Company"), with the exception of non-resident aliens and employees covered by a collective bargaining agreement. Employees become eligible to make deferrals and receive Company matching contributions once they have attained age 21 and completed 3 months of service. Employees may enter the Plan on the first of the month following the attainment of these eligibility requirements.

Contributions

Each year, participants may contribute up to 98% of pre-tax compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Code ("IRC") limitations. The Plan also permits rollover contributions of retirement benefits received from other qualified plans and Roth elective deferrals. The Company has elected safe harbor non-discrimination rules under the IRC. The Company contributes 100% of the first 3% of eligible compensation that a participant contributes, and 50% of the next 2% of eligible compensation contributed. Additional profit-sharing contributions may be made at the discretion of the Company's Board of Directors. The Company did not make any discretionary profit-sharing contributions in 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, safe harbor matching contributions, allocations of discretionary profit-sharing contributions, and Plan earnings. Participants accounts are charged with an allocation of administration expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, safe harbor matching contributions, plus earnings thereon. Vesting in the Company's discretionary profit-sharing contributions, and earnings thereon, are based on a five (5) year graded vesting schedule at 20% per year beginning upon completion of two (2) years of service.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of \$50,000, reduced by existing outstanding loan balances, or 50% of their vested account balance. A participant may have two loans outstanding at any time. The minimum amount a participant may borrow is \$1,000. The loans are secured by the balance in the participant's account with interest rates that are commensurate with local prevailing rates as determined by the plan administrator at the date of issuance.

1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value in the participant's vested interest in his or her account, as defined. In-service distributions may be made to participants, who have not separated from service, from their fully vested account upon attaining the age of 59½. Normal retirement age occurs at age 65.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts may be used to reduce plan expenses or used to reduce the Company's contributions to the Plan. At December 31, 2022 and 2021, there were no forfeited amounts available.

2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting and are prepared in conformity with U.S. generally accepted accounting principles ("GAAP") as promulgated by the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, the custodian, and the trustees of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

EHS SUPPORT, LLC RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
(CONTINUED)

2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

3 - FAIR VAULE MEASUREMENTS

Fair Value Hierarchy

FASB ASC defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction to sell the asset or transfer the liability which occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1: Valuations based on unadjusted quoted prices available in active markets for identical assets or liabilities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.
- Level 2: Valuations based on quoted prices for similar assets in active or inactive markets, inputs other than quoted prices that are observable, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3.

**EHS SUPPORT, LLC RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
(CONTINUED)**

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value Hierarchy (Continued)

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Processes and Structure

Management is responsible for the Plan's fair value valuation policies, processes, and procedures. These control processes are designed to assure that the values used for financial reporting are based on observable inputs wherever possible. In the event that observable inputs are not available, the control processes are designed to assure that the valuation approach utilized is appropriate and consistently applied and that the assumptions are reasonable.

Fair Value Measurements

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Plan's own assumptions are set to reflect those that the Plan believes market participants would use in pricing the asset or liability at the measurement date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the valuation of the Plan's investments by fair value hierarchy as described above as of:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2022:</u>				
Mutual Funds	<u>\$ 11,691,568</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,691,568</u>

(CONTINUED)

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value Measurements (Continued)

The Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by approximately \$2.4 million in 2022.

4 - PLAN TERMINATION

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such manner as the Company may determine.

5 - TAX STATUS

The underlying pre-approved plan provider received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC. In accordance with IRS pronouncements, the Company has determined that it is eligible to, and has chosen to, rely on the current IRS opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its tax-exempt status. The Plan has been amended since receiving the opinion letter. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP prescribes rules for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the Plan's tax returns. Management has determined that the Plan does not have any uncertain tax positions and associated unrecognized tax benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Plan's tax returns will not be challenged by the taxing authorities and that the Plan will not be subject to additional tax, penalties, and interest as a result of such a challenge. Generally, the Plan's federal returns remain open for income tax examination for three years from date of filing.

6 - RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the value of these investments will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
(CONTINUED)**

7 - RELATED PARTY AND PARTY IN INTEREST TRANSACTION

Certain Plan investments are shares of mutual funds managed Fidelity Management Trust Company, the trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation or depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

8 - SUBSEQUENT EVENTS

The accompanying financial statements include an evaluation of events or transactions that have occurred after December 31, 2022 and through October 6, 2023, the date the financial statements were available to be issued.
