INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Adirondack Scenic, Inc. Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Adirondack Scenic, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Adirondack Scenic, Inc. Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Adirondack Scenic, Inc. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Adirondack Scenic, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Adirondack Scenic, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Adirondack Scenic, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, line 4j – Schedule of Reportable Transactions for the plan year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 — PLAN DESCRIPTION AND BASIS OF PRESENTATION

The following description of the Adirondack Scenic, Inc. Profit Sharing 401(k) Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Adirondack Scenic, Inc. (the "Company") established the Adirondack Scenic, Inc. Profit Sharing 401(k) Plan (the "Plan") effective as of January 1, 1985. On January 1, 2015, the Plan was amended and operates, in relevant part, as a profit sharing plan and as a 401(k) plan, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees of the Company must be 18 years of age to participate in the Plan. Employees of the Company are eligible to participate in the profit sharing portion of the Plan after two years of service provided they worked at least 1,000 hours during such plan years. Employees of the Company are eligible to participate in the 401(k) portion of the Plan (including employee deferrals and employer matching contributions) after one year of service provided they worked at least 1,000 hours during such plan year. Effective June 1, 2022, the Plan was amended to require three months of service to participate in the employee deferral 401(k) portion of the Plan.

Contributions

The amount of the employer contributions for the profit sharing portion of the Plan and employer matching contributions for the 401(k) portion of the Plan are discretionary and are determined annually by the management of the Company. Participants meeting eligibility requirements that are employed on the last day of the Plan year are eligible to receive employer contributions. Participants share in employer contributions regardless of the amount of service in the year of death, disability or termination of employment on or after normal retirement age.

Participants have the option to defer eligible compensation up to the maximum amount allowable to the 401(k) portion of the Plan. Participants have the option to designate deferrals as Roth contributions on an after-tax basis. Participants are permitted to make contributions representing distributions from other qualified benefit or defined contribution plans (rollovers).

Participants may diversify their employee elective deferrals and rollovers into investments available under the Plan. Contributions are automatically invested in a designated mutual fund until changed by the participant. The plan administrator directs investments for the profit sharing portion of Plan into money market and mutual funds. Effective June 1, 2022, participants are able to direct the investment of the profit sharing portion of their account balance.

Participant Accounts

Each participant's account is credited with participant contributions and an allocation of (a) employer contributions (if any) and, (b) plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. The employer contributions to the profit sharing portion of the Plan are allocated to each eligible participant in proportion to compensation. The employer matching contributions to the 401(k) portion of the Plan is allocated based on a uniform percentage of the participant's elective deferrals. Investment earnings or losses (including net appreciation or depreciation) are allocated on the basis of participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.

NOTE 1 — PLAN DESCRIPTION AND BASIS OF PRESENTATION (Continued)

Vesting

Participants are immediately vested in their contributions and employer contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Participants are permitted two outstanding loans. The notes are secured by the participant's account balance and bear interest at a reasonable rate, commensurate with prevailing rates as determined at the time of granting the note by the plan administrator. In general, the terms of the note may not exceed five years and the notes are required to be paid ratably through weekly payroll deductions.

Payment of Benefits

Distributions from the Plan will be made upon termination of employment, retirement, death (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), disability, or under prescribed circumstances in the event of financial hardship.

Distributions are made in cash in an amount equal to the value of the participant's account in either a lump sum amount or partial withdrawal.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted accounting principles in the Unites States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the plan are paid by the Company and are therefore excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

Subsequent Events

The Plan has evaluated subsequent events through September 21, 2023, the date the financial statements were available to be issued.

NOTE 3 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3).

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 — FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market funds: Valued at the closing price reported by the fund sponsor from an actively traded exchange.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Fair Value Measurements as of December 31, 2022	Fair Value Measurements as of December 31, 2021
	Level 1	Level 1
Money market funds	$ 70,991	$ 131,310
Mutual funds	7,307,174	9,449,503
	$ 7,378,165	$ 9,580,813

NOTE 4 — NONPARTICIPANT-DIRECTED INVESTMENTS

The following table represents information about the net assets and significant components of the changes in net assets relating to the nonparticipant–directed investments in the profit sharing portion of the Plan as of December 31, 2021:

Employer contributions receivable	$ 34
Investments, at fair value	3,603,996
Dividends receivable	868
Notes receivable from participants	65,924
Notes receivable from participants - related parties/shareholders	68,769
Total	$ 3,739,591

NOTE 5 — INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's trustee furnished certain financial information to the plan administrator and certified as to its completeness and accuracy. This certification was provided by Glens Falls National Bank and Trust Co. as of December 31, 2022 and 2021, and for the year ended December 31, 2022, and includes investment information related to fair value of investments, notes receivable from participants, interest and dividend income, interest income on notes receivable from participants and net depreciation in fair value of investments that is included in the Plan's financial statements and supplemental schedules.

NOTE 6 — PLAN TERMINATION

Although it has not expressed any intention to do so, the Company reserves the right to terminate the Plan at any time, subject to the provisions set forth in ERISA. Upon such termination of the Plan, no further contributions will be made to the Plan and all amounts credited to participant accounts will be 100% vested.

NOTE 7 — TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust continues to be tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 — PARTY-IN INTEREST TRANSACTIONS

The Plan had notes receivable from participants that are related parties/shareholders for the years ended December 31, 2022 and 2021 totaling $53,861 and $68,679, respectively.

The Plan's assets include certain investments in funds managed by Glens Falls National Bank and Trust Co., the trustee as defined by the Plan. Fees paid by the Plan for the investment management services amounted to $37,046 for the year ended December 31, 2022.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 10 — DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company did not timely remit certain participant contributions totaling $7,145 during the year ended December 31, 2022. This is deemed to be a prohibited transaction in accordance with ERISA and the IRC. The Company calculated lost earnings on these delinquent remittances and made the appropriate corrective contributions during September 2023.
