INDEPENDENT AUDITOR'S REPORT

To the Participants, Administrator and Board of Trustees of
SMS Econo Retirement Plan
Comerío, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of SMS Econo Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the 2

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SMS Econo Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SMS Econo Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements -as a whole- are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Aquino, DeCordova, Alfaro & Co., LLP

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SMS Econo Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SMS Econo Retirement Plan's ability to continue as a going concern for a reasonable period.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements -as a whole- are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the SMS Econo Retirement Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan Adoption Agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Store Management System, LLC., and its subsidiaries, (hereinafter referred to as the Sponsor), who have worked 1,000 hours in a calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute not less than 2%, nor more than 10% of pretax annual compensation, as defined in the Plan.

The employer can make profit sharing contributions in one or more installments for each Plan year in amounts to be determined subject to the employer's discretion.

Participants' accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Sponsor's contribution, if eligible, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options daily.

Vesting

Participants shall vest in accordance with the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTE A - DESCRIPTION OF THE PLAN - CONTINUED

Distribution of benefits

In-service withdrawals will only be allowed in case of financial hardship from pre-tax contributions. In-service withdrawals of rollover contributions are subject to certain limitations. No in-service withdrawals or distributions from the Plan in excess of the contributions made by the participant will be made before he or she reaches age 59 ½ or becomes disabled.

Normal retirement age for each participant must be 60 years old, and the early retirement age permitted under the Plan is 55 years old; and after completing 5 years of participation in the Plan.

Payment of benefits

The Plan does not permit participants to receive payment of benefits unless the participant terminates employment with the Employer or reaches retirement dates as specified in the Plan.

Participant loans

This Plan does not make loans to participants or beneficiaries.

Forfeitures

Forfeitures of matching contributions are used to pay administrative expenses and/or to reduce employer's contributions. As determined by the employer for any Plan year.

Investment option

Upon enrollment in the Plan, a participant directs the investment of his or her contributions into Mutual Funds.

Participants may change their investment options at any time through accessing the accounts via the internet.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES

Organization

The Plan was organized on January 1, 2022.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan sponsor is Store Management System, LLC. BPAS Trust Company of Puerto Rico is the trust, recordkeeper and investment advisor of the Plan on December 31, 2022.

Accounting policies

Investment valuation and income recognition

The Plan's investments are participant-directed and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis.

Fair value measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources while unobservable inputs reflect the Plan's view of market assumptions in the absence of observable market information. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. In determining fair value, the Plan uses various methods including market, income and cost approaches.

The Plan categorizes its fair value measurements into a three-level hierarchy based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument in its entirety.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Fair value measurements – continued

The Plan categorizes assets and liabilities carried at fair value in the accompanying statement of net assets available for benefits as follows:

- Level 1 - Unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date and mutual funds where the value per share (unit) is determined and published daily and is the basis for current transactions.
- Level 2 - Unadjusted quoted prices for similar assets or liabilities in active markets or inputs (other than quoted prices) that are observable or that are derived principally from or corroborated by observable market data through correlation or other means. Primary inputs to this valuation technique may include comparative trades, bid/asks, interest rate movements, U.S. Treasury rates, London Interbank Offered Rate (“LIBOR”), prime rates, cash flows, maturity dates, call ability, estimated prepayments, and/or underlying collateral values.
- Level 3 - Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Inputs reflect management’s best estimate about the assumptions market participants would use at the measurement date in pricing the asset or liability. Consideration is given to the risk inherent in both the method of valuation and the valuation inputs. Primary inputs to this valuation technique include broker quotes and comparative trades.

The Plan categorized the investments in mutual funds as Level 1.

Changes in observability of significant valuation inputs identified during these reviews may trigger reclassifications. Reclassifications are reported as transfers at the beginning of the period in which the change occurs.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payments of benefits

Benefits are recorded when paid.

Administration expenses

All expenses of maintaining the Plan are accounted for as they are incurred and paid by the Plan Sponsor.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE-UNAUDITED

The following information, included in the financial statements and supplementary schedule, was obtained from data that has been prepared and certified as complete and accurate by the trustee.

Mutual Funds and fixed income	<u>\$ 96,272</u>
Net depreciation in fair value including	
realized loss on sale of investment of \$1	<u>\$ 348</u>
Interest and dividends	<u>\$ 841</u>

The Plan's investments are reported at fair value in the accompanying statement of assets available for benefit.

The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value.

The following tables present the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2022:

	Fair Value Measurement as of December 31, 2022	
	Level 1	
Balanced	\$	96,000
Equities		93
Bonds		179
	\$	96,272

NOTE D - TRANSACTIONS WITH PARTIES-IN-INTEREST

The trustee and the auditor are considered parties-in-interest to the Plan. The Plan's audit fees are paid by the Sponsor, which amounted to approximately \$13,100. Fees paid to the trustee appears to be reasonable for the year ended December 31, 2022.

NOTE E - INCOME TAX STATUS

The Department of the Treasury of the Commonwealth of Puerto Rico has ruled that the Plan qualifies under Section 1081.01 (e) of the Income Tax Act of 2011 (the Act) and is, therefore, not subject to income tax under the present income tax law. The Plan is required to operate in conformity with the Act to maintain its qualification.

The Puerto Rico Treasury Department has determined and informed the Plan sponsor by a letter dated February 10, 2023, that the Plan and related trust are designed in accordance with the applicable requirements of the Puerto Rico Treasury Department. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Puerto Rico Treasury Department and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE E - INCOME TAX STATUS - CONTINUED

The Puerto Rico Treasury Department has determined and informed the Plan sponsor that there is no objection to the participation of the Plan in the BPAS Master Prototype Defined Contribution Plan to be effective as of January 1, 2022. Such participation will not affect in any way the ruling issued on behalf of the BPAS Master Plan on April 2, 2014, in which the Puerto Rico Treasury Department stated that the Plan, as then designed, was in compliance with the applicable requirements of the Puerto Rico Treasury Department. The terms of such opinion are applicable to SMS Econo Retirement Plan.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities (mutual funds), which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of assets available for benefits.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer's contributions.

NOTE H - PLAN AMENDMENTS

No disbursements were made during 2022. The plan did not amend to participate in distributions under the Puerto Rico Treasury Department (the "PRTD") Circular Letter No 22-13 ("IR CL 22-13"), issued on September 27, 2022, to allow eligible Retirement Plan and IRA distributions and provide a preferential tax treatment, subject to the applicable withholding rules and the administrative procedures.

NOTE I - DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through October 3, 2023, which is the date the financial statements were available to be issued.
