REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
District Council No. 14 Metal Polishers
401(k) Retirement Plan

We have audited the financial statements of District Council No. 14 Metal Polishers 401(k) Retirement Plan (the Plan) as of December 31, 2022 and our report thereon dated October 13, 2023, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 3. Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the 2022 information in the accompanying schedules is fairly stated, in all material respects, in relation to the 2022 financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements of District Council No. 14 Metal Polishers 401(k) Retirement Plan as of and for the year ended December 31, 2021, were audited by other auditors whose report dated October 6, 2022, expressed an unmodified opinion on those statements. Their report on the 2021 ERISA-required supplemental schedules stated that the information was fairly stated, in all material respects, in relation to the 2021 financial statements as a whole.

REPORT OF INDEPENDENT AUDITORS

To the Board of Trustees of
District Council No. 14 Metal Polishers
401(k) Retirement Plan

Opinion

We have audited the financial statements of District Council No. 14 Metal Polishers 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of District Council No. 14 Metal Polishers 401(k) Retirement Plan as of December 31, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter - 2021 Financial Statements

The financial statements of District Council No. 14 Metal Polishers 401(k) Retirement Plan as of and for the year ended December 31, 2021, were audited by other auditors whose report dated October 6, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**DISTRICT COUNCIL NO. 14 METAL POLISHERS
401(K) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

District Council No.14 Metal Polishers 401(k) Retirement Plan (the Plan) is a multiemployer defined contribution plan established February 1, 2014, between Painters District Council No. 14 and Chicago Metal Contractors Bargaining Association. Each member of the Union who is employed by a participating employer pursuant to the collective bargaining agreement, as defined in the plan agreement, is eligible to participate. The Trustees are responsible for determining the appropriateness of the Plan's investment offerings, monitoring investment performance, and providing education to participants. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Individuals become eligible to participate in the Plan on the first day contributions are made on their behalf. There are no service or age requirements to become eligible to participate in the Plan.

Once eligible, participants may contribute "pre-tax" contributions up to 10% of annual compensation, as defined by the Plan, provided the deferral does not exceed the annual permissible dollar amount limit.

Non-elective employer contributions shall be made to the Plan on behalf of participating employees. The contribution rate is \$0.95 per hour effective February 1, 2015.

An employer may make a matching contribution for participants who elect to make a contribution equal or greater than five percent of compensation. The matching contribution rate is \$0.30 per hour effective February 1, 2015.

Each participant's account is credited with the participant's contribution, the employer's non-elective contribution, the employer's matching contribution, if any, allocations of Plan earnings (losses) and is charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

Participants are immediately vested in their salary deferral contribution, catch-up contributions, rollover contributions and any earnings on those contributions. Non-elective employer contributions and matching employer contributions become vested contributions once the participant completes one year of service with the employer.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions to the Plan are invested as directed by the participants in various investment options. In the absence of participant direction, contributions are invested in a qualified default investment alternative account. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their account balance to be lower than contributions made to the Plan.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Borrowings may be made for hardship reasons only. Note terms range from 1 to 5 years, unless a loan is used to purchase a principal residence, which then the note term may be up to 15 years. A participant may only have two loans outstanding at one time. The notes are secured by the balance of a participant's account and bear interest at a rate 1% higher than the prime lending rate as defined. Rates ranged from 4.25% to 6.50% during the years ended December 31, 2022 and 2021. Principal and interest are paid ratably through monthly payroll deductions.

If a participant does not make note repayments and the Plan administrator considers the participant note to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

In accordance with specific provisions of the Plan agreement, upon termination of service due to death, disability, retirement, or termination of employment, a participant (or beneficiary, in the case of death) will receive the entire vested interest in the participant's account balance. A distribution will be made in the form of an annuity or a lump sum within an administratively reasonable time after the request for payment.

The distribution and allocation of employer contributions forfeited are first made available to reinstate previously forfeited employer contributions of rehired former participants, provided that certain provisions in the plan agreement are met. The remaining forfeitures are used to reduce plan expenses. Forfeiture balances amounted to \$21,318 and \$21,253 as of December 31, 2022 and 2021, respectively. No forfeitures were used during the years ended December 31, 2022 and 2021.

Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements were prepared on the accrual basis of accounting.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments - The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account when incurred. Delinquent notes receivable from participants (if any) are reclassified as distributions based on the terms of the plan document.

Contributions Receivable - Contributions due and not paid at year end are recorded as contributions receivable. Contributions owed as result of payroll compliance audits are recorded as income when agreed upon between the contractor and the Plan. An allowance for doubtful accounts is considered unnecessary and is not provided.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. Amounts allocated to participants who elected a withdrawal from the Plan but were not yet paid at December 31, 2022 and 2021 totaled \$491 and \$0, respectively.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. Covered employment is primarily derived in the metal polishing industry within a jurisdiction primarily located in the greater Chicagoland area.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Reclassifications - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events were evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at the time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan received a notice of exemption on March 4, 2016, in which the Internal Revenue Service stated that the trust established under the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the notice of exemption. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Measurements Using Net Asset Value as a Practical Expedient

The Plan's investments in common collective trusts are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trusts are direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFEs investment. Redemptions are available on a daily basis without notice.

NOTE 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive guaranteed investment contract with Transamerica Financial Life Insurance Company (Transamerica). Transamerica maintains plan contributions with its general assets. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value (which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses). Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value. Withdrawals are processed on a daily basis; however, it may take up to 21 business days after the receipt of the withdrawal request. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield calculated for the years ended December 31, 2022 and 2021 was 0.92% and 1.17%, respectively. The crediting interest rate is established by Transamerica and is reviewed periodically for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the insurance company. Such events include but may not be limited to the following: (1) Plan disqualification; (2) Plan amendments; (3) required deposits not made in accordance with the contract; or (4) changes to the recordkeeping and administrative service provider. The Plan does not believe that any events that would limit the Plan's ability to transact at contract value are probable of occurring.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8. MAJOR EMPLOYERS

Contributions from three employers accounted for approximately 68% of total employer contributions for the year ended December 31, 2022. Contributions from four employers accounted for approximately 77% of total employer contributions for the year ended December 31, 2021.

NOTE 9. RELATED PARTY TRANSACTIONS

The Plan shares expenses with a related fund. Certain expenses were paid by this fund on behalf of the Plan. There were no amounts due to the related fund at December 31, 2022. The amount due to the related fund at December 31, 2021 was \$341.

NOTE 10. TRANSMITTAL OF PARTICIPANTS' CONTRIBUTIONS

Employers withhold participants' contributions and loan repayments from their payroll. During the years ended December 31, 2022 and 2021, certain employers at times failed to remit participant contributions and loan repayments to the Plan within the period prescribed by the Department of Labor (DOL) regulations. Specifically, the DOL regulations provide that employers are required to segregate participant contributions to the Plan from their general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which the amounts are withheld. Certain payments did not meet the timeliness requirements and therefore constitute prohibited transactions with a party-in-interest. During the years ended December 31, 2022 and 2021, contributing employers failed to timely remit to the Plan participant contributions totaling \$138,267 and \$114,660 respectively. The Plan regularly corrects such prohibited transactions by restoring lost earnings to participants.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions, plus assessed liquidated damages and interest, is credited to the participant's account to compensate the participant for lost earnings resulting from the delay in contributions.
