INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Ivan Smith Furniture Co., LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise of the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank, or similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ivan Smith Furniture Co., LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ivan Smith Furniture Co., LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ivan Smith Furniture Co., LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ivan Smith Furniture Co., LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Ivan Smith Furniture Company, LLC ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- (a) **General.** The Plan is a salary deferral 401(k) defined contribution plan. All employees who are age twenty-one (21) and have completed one year of service are eligible to participate on the earlier of the first day of the Plan year (January 1) or the first day of the fourth month (April 1) or the first day of the seventh month (July 1) or the first day of the tenth month (October 1) coinciding with or following commencement of employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- (b) **Contributions.** Each year, participants may contribute up to the maximum allowed by Section 402(g) of the Internal Revenue Code of pre-tax and after-tax (Roth) basis annual compensation, as defined in the Plan. The Company's contributions are discretionary. Such contributions may be paid out of current or accumulated earnings.
- (c) **Participant accounts.** Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings, and (3) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- (d) **Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon, is based on years of continuous service. A participant is 100 percent vested after six (6) years of credited service.
- (e) **Payment of benefits.** If employees terminate before rendering six (6) years of service, they forfeit the right to receive some or all of the benefits they have accumulated based upon their percentage of vesting at the date of termination. Employees may elect to receive the current value of their accumulated benefits as a lump-sum distribution upon retirement or early termination, or they may elect to receive cash payments in annual or more frequent installments, over the life of the participant or beneficiary.
- (f) **Administrative expenses.** All direct expenses of maintaining the Plan are paid directly by the Plan.
- (g) **Forfeitures.** Forfeitures are used to reduce Company contributions and Plan expenses. As of December 31, 2022 and 2021, the balance in the forfeitures account was \$478 and \$450.
- (h) **Plan Restatement.** The plan was restated March 31, 2022, to include the provisions for regulatory changes.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

2. Summary of Accounting Policies

(a) Basis of accounting. The financial statements of the Plan are prepared under the accrual method of accounting, except for the cash basis recording of benefits paid.

(b) Investment valuation and income recognition. Investments are reported at fair value, (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

(c) Payment of benefits. Benefits are recorded when paid.

(d) Use of estimates. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3. Information Certified by the Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2022 and 2021, and investment income for the year ended December 31, 2022, that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC the custodian of the plan.

4. Fair Value Measurements

FASB ASC #820, Fair Value Measurements & Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC #820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021 .

Pooled Separate Account: Valued at the net asset value (NAV) of shares held by the plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Pooled Separate Accounts	\$9,226,788	n/a	Daily	none

5. Fully Benefit-Responsive Investment Contract

The plan holds a traditional investment contract with Talcott Resolution Life Insurance Company. The contract meets the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract Value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer (The Talcott) is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

issuer. The crediting rate is declared each calendar quarter, but in no event will the rate be less than 3.00%. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events would include (but would not be limited to) premature termination of this contract and termination of the retirement plan.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Under no event may The Talcott terminate this contract and settle at an amount different from contract value.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan or reduce or cease contributions subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Tax Status

The Company adopted a Prototype Standardized Profit-Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business income tax. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Related Party Transactions

Certain Plan investments are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 8,584,401	\$ 9,676,102
Add-amounts accrued for corrective distributions	<u>33,397</u>	<u>35,292</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 8,617,798</u>	<u>\$ 9,711,394</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2022 to Schedule H of Form 5500:

Changes in net assets available for benefits per the financial statements	\$ (1,091,701)
Add-amounts accrued for current year corrective distributions	33,397
Subtract-amounts accrued for prior year employer contributions	<u>(35,292)</u>
Net total investment income per Schedule H of Form 5500	<u>\$ (1,093,596)</u>

These differences arise from the financial statements being prepared on the accrued basis of accounting and the Form 5500 being on the cash basis of accounting.

10. Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transaction and events that affect the financial statements. Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.
