INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Hawthorne Residential Partners 401(k) Profit Sharing Plan & Trust
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hawthorne Residential Partners 401(k) Profit-Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hawthorne Residential Partners 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS **December 31, 2022 and 2021**

(1) Description of Plan

The following description of the Hawthorne Residential Partners 401(k) Profit Sharing Plan and Trust ("Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

- (a) **General** - The Plan is a qualified defined contribution plan covering all employees of Hawthorne Residential Partners ("Company") who are at least 21 years of age with two months of eligible service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All investments are participant directed.
- (b) **Contributions** - Participants may contribute, through payroll deduction, amounts up to 92% of their annual earnings, subject to certain limitations. Participants have the option of making after-tax contributions to a Roth account and participants who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions. The Company matches an amount equal to 50% of up to the first 3% of participants' compensation. The Company also matches an amount equal to 50% up to the first 5% of participants' compensation after 5 years of service. In addition, the Company may make discretionary profit-sharing contributions; however, none were recorded in 2022 or 2021.
- (c) **Participant Accounts** - Each participant's account is credited with the participant's contributions, and allocations of the Company's contributions, Plan earnings (losses), Plan forfeitures and administrative fees. Allocations are based on participant earnings or account balances, as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
- (d) **Vesting** - Participants are immediately vested with respect to their elective deferral contributions and actual earnings thereon. Vesting in matching employer contributions and actual earnings thereon is based on years of continuous service. A participant is 25% vested after one year and vests an additional 25% every year thereafter, until reaching 100% after four years of credited service.
- (e) **Forfeitures** - Forfeitures of employer matching contributions are used to pay Plan expenses, reduce employer contributions and can also be reallocated to participant's accounts as additional contributions. During 2022 and 2021, forfeitures of \$41,731 and \$49,354, respectively, were used to pay Plan expenses. Forfeitures of \$79,825 and \$56,511 were also used to reduce employer contributions during 2022 and 2021, respectively. At December 31, 2022 and 2021, forfeited, non-vested accounts totaled \$95,239 and \$110,799, respectively.
- (f) **Payment of Benefits** - In the event of termination of employment, disability, death or retirement (age 65), a participant may elect to receive benefits either by a lump sum distribution or periodic installments over a period of time as described in the Plan Agreement. Distributions of vested account balances of \$1,000 or less will generally be made in a single sum payment. The Plan may make automatic rollovers of vested account balances that are greater than \$1,000 but are not more than \$5,000 in accordance with the Plan Agreement.
- (g) **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or a maximum equal to 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans funds. Loan terms are based on a five-year term, or longer for the purchase of a primary residence. The loans must be adequately secured and bear interest at the then current prime rate (7.50% at December 31, 2022) plus 1%. Principal and interest are paid through bi-weekly payroll deductions.

Hawthorne Residential Partners 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

- (h) **Plan Termination** - The Company expects to continue the Plan indefinitely but reserves the right to terminate the Plan in whole or in part at any time upon giving written notice to all parties concerned subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(2) Summary of Accounting Policies

- (a) **Basis of Accounting** - The financial statements of the Plan are prepared under the accrual method of accounting.
- (b) **Management Estimates** - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- (c) **Investment Valuation** - The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment changes includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- (d) **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Agreement.
- (e) **Excess Contributions** - Excess contributions are included in benefits paid to participants.

(3) Information Certified by the Custodian

The investment assets and investment income information in the statements of net assets available for benefits and changes in net assets available for benefits, as well as the Schedule, were summarized from information supplied and certified by the custodians, Empower Annuity Insurance Company of America for the year 2022 and Great-West Trust Company for the year 2021. The information obtained from the custodians was not audited by independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS **December 31, 2022 and 2021**

(4) Fair Value Measurements

FASB ASC 820, Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable and Level 3 inputs have the lowest priority and are unobservable inputs of market activity. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common collective trust funds:* Valued at the NAV of units of a financial institution collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The fair value of the Plan's investments at December 31, 2022 and 2021 is as follows:

	<u>2022</u>	<u>2021</u>
Mutual funds:		
Balanced	\$ 9,352,258	9,751,252
Equities	2,941,491	3,053,925
International	491,542	331,385
Fixed income	<u>391,318</u>	<u>343,181</u>
Level 1 fair value measurements	13,176,609	13,479,743
Common collective trust measured at NAV	<u>425,402</u>	<u>333,360</u>
Total investments at fair value	<u>\$ 13,602,011</u>	<u>13,813,103</u>

(5) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Hawthorne Residential Partners 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS **December 31, 2022 and 2021**

(6) Contingency

The extent of the impact of the COVID-19 outbreak on the financial performance of a plan's investments will depend on future developments, including the duration and severity of the outbreak and its impact on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

(7) Tax Status

The Plan is based on a CCH Incorporated ("CCH") prototype non-standardized profit-sharing plan. The Internal Revenue Service ("IRS") has determined and informed CCH on March 31, 2014 that the Plan is in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving this letter. However, the Plan trustees and administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan, by expiration of the statute of limitations, is generally no longer subject to U.S. federal and state income tax examinations by tax authorities for the years ending December 31, 2019 or earlier.
