Mount Vernon, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Approved Storage & Waste Hauling 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Approved Storage & Waste Hauling 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The Trustee
Approved Storage & Waste Hauling 401(k) Profit Sharing Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary schedule of delinquent participant contributions and schedule of assets (held at end of year) listed in the foregoing table of contents, as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Trustee
Approved Storage & Waste Hauling 401(k) Profit Sharing Plan

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Approved Storage & Waste Hauling 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Approved Storage & Waste Hauling, Inc. and the following related employers: Future Health Care Systems, Inc., Approved Storage & Waste Hauling, NE, Inc., Approved Storage & Waste Hauling MA, Inc. and Approved Storage & Waste Hauling, IL, Inc. (collectively, the Company) who have at least three consecutive months of employment and are at least 21 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan document was restated effective January 1, 2022 to incorporate any recent law changes since its last restatement in accordance with Internal Revenue Service (IRS) requirements.

Contributions

Each year, participants may contribute an amount equal to a dollar amount or percentage of their eligible compensation, on a pre-tax or Roth basis, subject to certain IRS limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes an enhanced safe harbor matching contribution for each participant, which is 100% of the first 4% of the participants' elective deferrals, as defined in the plan document. The Company's safe harbor matching contribution is allocated in a non-discriminatory manner and is invested directly into the participant's account in the same percentage the participant has elected for his or her account. The Company made safe harbor matching contributions of \$148,182 for the year ended December 31, 2022. The Company also makes profit-sharing contributions to participants. The profit-sharing contribution formula provides for \$1.50 to be allocated to each hourly employee and \$2.00 to be allocated to each salaried employee for each day of service worked. The Company made profit-sharing contributions of \$52,020 for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company safe harbor matching contributions, as well as allocations of the Company's profit-sharing contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Investing Options

Participants may direct their contributions into any of the funds offered by the Plan. These funds include a variety of mutual fund investment options with various objectives and degrees of financial risk as well as a guaranteed interest account (GIA). Participants may change investment elections at any time.

Vesting

Participants are immediately vested in their deferral and rollover contributions as well as Company safe harbor matching contributions, and allocations of Company profit-sharing contributions and earnings thereon.

Payment of Benefits

On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive a lump-sum amount up to the value of the participant's vested interest in his or her account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, for a period up to five years or ten years for a loan on a primary residence. Participants may have only one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate, as defined. Interest rates on outstanding loans at December 31, 2022 and 2021 range from 4.25% to 8.00%, which was dependent on the prime rate at the time the loan was made. The prime rate was 7.50% and 3.25% at December 31, 2022 and 2021, respectively. Principal and interest is paid ratably through payroll deductions.

Forfeited Accounts

At December 31, 2022 and 2021, there are no forfeited nonvested accounts within the Plan.

Revenue Sharing

The Plan has entered into an agreement with an affiliate of Massachusetts Mutual Life Insurance Company (MMLIC) to provide custodial and administrative services. Under the terms of the agreement, MMLIC is entitled to compensation for certain third-party service provider expenses incurred. The revenue sharing agreement provides for an allowance for the underlying funds ranging from .70% to 1.10%. The revenue paid to MMLIC is part of the gross operating expenses charged by the investment funds.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as a distribution based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2023, the date the financial statements were available to be issued. Through that date, there were no material events that would require recognition or additional disclosure in the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurement* (ASC 820), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds

The mutual funds held by the Plan are deemed to be actively traded. The reported fair values have been measured by quoted market prices in an active market. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	December 31, 2022	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds, at Fair Value	<u>\$1,579,055</u>	<u>\$1,579,055</u>
	December 31, 2021	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds, at Fair Value	<u>\$1,428,486</u>	<u>\$1,428,486</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan's GIA represents an investment in a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America (EAIC) and is reported at contract value in the statements of net assets available for benefits. The contract value of the GIA generally represents principal plus accrued interest. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the GIA at contract value. The GIA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Interest rate guarantees of the GIA are backed by the entire general account assets of EAIC. Crediting rates are reset periodically based on a contract with the plan sponsor and are determined by the anticipated investment of the applicable segment of the GIA for that year, the target spread which is comprised of the annual administrative services revenue, and a risk charge for the interest rate guarantee, investment expenses, and other distribution and administrative costs. In no event will the guaranteed rate be less than the minimum guaranteed rate, which will be no less than 1% or more than 3%, as determined by a formula in the contract with the plan sponsor. Credited rates are guaranteed for the duration of the guaranteed period, as defined, and do not vary with the subsequent performance of assets of the general account which back these guarantees.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

While the group annuity contract is active, the GIA is subject to competing fund transfer restrictions on participant-initiated transfers. Upon termination of the group annuity contract, if the plan sponsor chooses a book value payout for termination, participant transfer restrictions may apply until the money is paid to the next provider. The plan administrator does not believe that the occurrence of any other such contract value events, which would limit the Plan's ability to transact at contract value with participants, is probable. The GIA contract does not permit EAIC to terminate the agreement and settle at an amount different from contract value.

NOTE 5 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by MMLIC, an affiliate of EAIC, the custodian of the Plan, or are held in the general accounts of EAIC, and as such, these transactions are considered party-in-interest transactions.

During 2022, participant accounts were directly charged approximately \$800 for fees paid to EAIC or its affiliates related to benefit payment processing and certain other fees.

Notes receivable from participants qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 7 - TAX STATUS

The plan sponsor has adopted a nonstandardized prototype plan established by Retirement & Benefit Systems, LLC (RBS), and as a result, has not applied for a separate letter of determination from the IRS. The RBS prototype plan received an IRS advisory letter dated September 22, 2021 that the prototype plan document submitted on September 3, 2021 is designed in accordance with applicable sections of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the IRS advisory letter, in the opinion of the plan administrator, the Plan and related trust are designed and currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Information presented in the accompanying statements and supplementary schedules as of December 31, 2022 and 2021, and for the year ended December 31, 2022 for investments and investment loss, net, was derived, without audit, from information certified to be complete and accurate by Empower Trust Company, LLC, the custodian of the Plan, as permitted by the election made by the plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Furthermore, the Plan's independent auditors did not perform auditing procedures with respect to the information except to compare such information to the related information included in the financial statements and ERISA-required supplemental schedules.

NOTE 10 - NONEXEMPT TRANSACTIONS

Timeliness of Remittances

During the year ended December 31, 2022, the Company's remittances of employee contributions and loan repayments to the custodian totaling \$69,554 were not made within the Company's demonstrated pattern of timely remittance, and were therefore classified as nonexempt transactions. The Company is in the process of correcting the late remittances.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Approved Storage & Waste Hauling 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Approved Storage & Waste Hauling 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The Trustee
Approved Storage & Waste Hauling 401(k) Profit Sharing Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Approved Storage & Waste Hauling 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary schedule of delinquent participant contributions and schedule of assets (held at end of year) listed in the foregoing table of contents, as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Trustee
Approved Storage & Waste Hauling 401(k) Profit Sharing Plan

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Approved Storage & Waste Hauling 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Approved Storage & Waste Hauling, Inc. and the following related employers: Future Health Care Systems, Inc., Approved Storage & Waste Hauling, NE, Inc., Approved Storage & Waste Hauling MA, Inc. and Approved Storage & Waste Hauling, IL, Inc. (collectively, the Company) who have at least three consecutive months of employment and are at least 21 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan document was restated effective January 1, 2022 to incorporate any recent law changes since its last restatement in accordance with Internal Revenue Service (IRS) requirements.

Contributions

Each year, participants may contribute an amount equal to a dollar amount or percentage of their eligible compensation, on a pre-tax or Roth basis, subject to certain IRS limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes an enhanced safe harbor matching contribution for each participant, which is 100% of the first 4% of the participants' elective deferrals, as defined in the plan document. The Company's safe harbor matching contribution is allocated in a non-discriminatory manner and is invested directly into the participant's account in the same percentage the participant has elected for his or her account. The Company made safe harbor matching contributions of \$148,182 for the year ended December 31, 2022. The Company also makes profit-sharing contributions to participants. The profit-sharing contribution formula provides for \$1.50 to be allocated to each hourly employee and \$2.00 to be allocated to each salaried employee for each day of service worked. The Company made profit-sharing contributions of \$52,020 for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company safe harbor matching contributions, as well as allocations of the Company's profit-sharing contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Investing Options

Participants may direct their contributions into any of the funds offered by the Plan. These funds include a variety of mutual fund investment options with various objectives and degrees of financial risk as well as a guaranteed interest account (GIA). Participants may change investment elections at any time.

Vesting

Participants are immediately vested in their deferral and rollover contributions as well as Company safe harbor matching contributions, and allocations of Company profit-sharing contributions and earnings thereon.

Payment of Benefits

On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive a lump-sum amount up to the value of the participant's vested interest in his or her account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, for a period up to five years or ten years for a loan on a primary residence. Participants may have only one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate, as defined. Interest rates on outstanding loans at December 31, 2022 and 2021 range from 4.25% to 8.00%, which was dependent on the prime rate at the time the loan was made. The prime rate was 7.50% and 3.25% at December 31, 2022 and 2021, respectively. Principal and interest is paid ratably through payroll deductions.

Forfeited Accounts

At December 31, 2022 and 2021, there are no forfeited nonvested accounts within the Plan.

Revenue Sharing

The Plan has entered into an agreement with an affiliate of Massachusetts Mutual Life Insurance Company (MMLIC) to provide custodial and administrative services. Under the terms of the agreement, MMLIC is entitled to compensation for certain third-party service provider expenses incurred. The revenue sharing agreement provides for an allowance for the underlying funds ranging from .70% to 1.10%. The revenue paid to MMLIC is part of the gross operating expenses charged by the investment funds.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as a distribution based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2023, the date the financial statements were available to be issued. Through that date, there were no material events that would require recognition or additional disclosure in the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurement* (ASC 820), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds

The mutual funds held by the Plan are deemed to be actively traded. The reported fair values have been measured by quoted market prices in an active market. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	December 31, 2022	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds, at Fair Value	<u>\$1,579,055</u>	<u>\$1,579,055</u>
	December 31, 2021	
	<u>Level 1</u>	<u>Total</u>
Mutual Funds, at Fair Value	<u>\$1,428,486</u>	<u>\$1,428,486</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan's GIA represents an investment in a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America (EAIC) and is reported at contract value in the statements of net assets available for benefits. The contract value of the GIA generally represents principal plus accrued interest. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the GIA at contract value. The GIA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Interest rate guarantees of the GIA are backed by the entire general account assets of EAIC. Crediting rates are reset periodically based on a contract with the plan sponsor and are determined by the anticipated investment of the applicable segment of the GIA for that year, the target spread which is comprised of the annual administrative services revenue, and a risk charge for the interest rate guarantee, investment expenses, and other distribution and administrative costs. In no event will the guaranteed rate be less than the minimum guaranteed rate, which will be no less than 1% or more than 3%, as determined by a formula in the contract with the plan sponsor. Credited rates are guaranteed for the duration of the guaranteed period, as defined, and do not vary with the subsequent performance of assets of the general account which back these guarantees.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

While the group annuity contract is active, the GIA is subject to competing fund transfer restrictions on participant-initiated transfers. Upon termination of the group annuity contract, if the plan sponsor chooses a book value payout for termination, participant transfer restrictions may apply until the money is paid to the next provider. The plan administrator does not believe that the occurrence of any other such contract value events, which would limit the Plan's ability to transact at contract value with participants, is probable. The GIA contract does not permit EAIC to terminate the agreement and settle at an amount different from contract value.

NOTE 5 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by MMLIC, an affiliate of EAIC, the custodian of the Plan, or are held in the general accounts of EAIC, and as such, these transactions are considered party-in-interest transactions.

During 2022, participant accounts were directly charged approximately \$800 for fees paid to EAIC or its affiliates related to benefit payment processing and certain other fees.

Notes receivable from participants qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

APPROVED STORAGE & WASTE HAULING 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 7 - TAX STATUS

The plan sponsor has adopted a nonstandardized prototype plan established by Retirement & Benefit Systems, LLC (RBS), and as a result, has not applied for a separate letter of determination from the IRS. The RBS prototype plan received an IRS advisory letter dated September 22, 2021 that the prototype plan document submitted on September 3, 2021 is designed in accordance with applicable sections of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the IRS advisory letter, in the opinion of the plan administrator, the Plan and related trust are designed and currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Information presented in the accompanying statements and supplementary schedules as of December 31, 2022 and 2021, and for the year ended December 31, 2022 for investments and investment loss, net, was derived, without audit, from information certified to be complete and accurate by Empower Trust Company, LLC, the custodian of the Plan, as permitted by the election made by the plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Furthermore, the Plan's independent auditors did not perform auditing procedures with respect to the information except to compare such information to the related information included in the financial statements and ERISA-required supplemental schedules.

NOTE 10 - NONEXEMPT TRANSACTIONS

Timeliness of Remittances

During the year ended December 31, 2022, the Company's remittances of employee contributions and loan repayments to the custodian totaling \$69,554 were not made within the Company's demonstrated pattern of timely remittance, and were therefore classified as nonexempt transactions. The Company is in the process of correcting the late remittances.
