Bowling Green, Kentucky

Opinion

We have audited the accompanying financial statements of Paul Burrell Management, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for plan benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Paul Burrell Management, Inc. 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Paul Burrell Management, Inc. and the Paul Burrell Management, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Paul Burrell Management, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented

and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit, conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Paul Burrell Management, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required for ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) Schedule H, line 4i – Schedule of Assets (Held at End of Year) and (2) Schedule H, line 4j – Schedule of Reportable Transactions for the year ended December 31, 2022, referred to as “supplemental information” are presented for the purpose of additional analysis and are not a required part of the financial statements but is supplemental

information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PAUL BURRELL MANAGEMENT, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(See accompanying financial statements and independent auditors' report)

NOTE 1 - PLAN DESCRIPTION

The following description of the Paul Burrell Management, Inc. 401(k) Plan ("Plan") is provided for general purposes only. Participants should refer to the Plan agreement or the summary plan description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 401(k) defined contribution plan covering all employees of Paul Burrell Management, Inc. and its Affiliates (the "Company") who have completed one year of service (at least 1,000 hours) and have attained 21 years of age. After eligibility requirements have been fulfilled a participant can enter on the 1st day of the following month after the service requirement has been met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

The Company made matching contributions of \$200,018 and \$179,781 in 2022 and 2021, respectively which matched 100% of the first 3% of employee salary deferrals and 50% of the next 2% of employee contributions for a possible 4% match if an employee contributes 5%. The matching contributions are limited to the maximum allowable compensation by law which was \$305,000 and \$290,000 for the years ended 2022 and 2021. The Company made no profit-sharing contributions to the Plan in 2022 or 2021.

Participants may contribute through payroll deduction into pre-tax deferral contributions by a specific percentage or dollar amount of the participant's compensation. Employees can contribute up to \$20,500 to the Plan annually. Employees over the age of 50 are allowed an additional \$6,500 to be deferred based on Internal Revenue regulations. These amounts are treated as tax deferred compensation and are exempt from federal taxation until they are withdrawn from the Plan.

IN-PLAN ROTH TRANSFERS

The Plan allows participants the opportunity to make In-Plan Roth Transfers. An In-Plan Roth Transfer allows the participant to change the tax treatment of all or some of the vested portion of the pre-tax participant account. In the year of transfer all of the amounts transferred into a Roth account are taxable.

PARTICIPANT ACCOUNTS

Each participant's account is adjusted by (a) the participant's contribution, (b) allocations of any Company's contributions, and (c) allocations of the Plan's earnings or losses (including any administrative expenses paid by the Plan). Allocations are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Profit sharing allocations are based on the relationship of the participant's compensation to the total compensation for all participants.

NOTE 1 - PLAN DESCRIPTION (Continued)

VESTING

Participants' contributions, rollover contributions, safe harbor enhanced matching contributions and earnings are fully vested at all times. The Company's, profit-sharing contributions and earnings thereon vest as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

FORFEITURES

Any portion of a participant's account which is not vested at the time of termination from the Plan is forfeited immediately at the date of termination. Forfeitures can be applied to safe harbor contributions and plan expenses. The forfeited non-vested account totaled \$0 at December 31, 2022 and 2021. Forfeitures were \$0 in 2022 and 2021.

PAYMENT OF BENEFITS

The Plan provides for distribution of a participant's account upon termination of employment, retirement, death or disability under several options. Distributions under the Plan may be made in the form of lump sums, installments over a period certain, partial withdrawals.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles with the applicable accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual method of accounting.

(See accompanying financial statements and independent auditors' report)

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan invests in a contract with Great-West Life Insurance Company in collective trust funds which are separate accounts of segregated investments with Great-West Life Insurance. Great-West Life Insurance has based its contract value of its collective trust funds utilizing the fair market value of the underlying assets using the daily quoted market prices of publicly traded investments. The contract value is equal to the number of participation units owned under the contract in each collective trust fund account times the unit value of the participation units. The participation units in the collective trust fund accounts are valued at the net asset value of units held by the Plan at year end.

Participants in the Plan have the option to invest in collective trust funds which are the following Large Cap Value Fund Class R1, Mid Cap Growth Fund Fee Class R1, Wilmington Trust Franklin Small Cap Value R, Putnam Retirement Advantage Maturity Fund XA and the Putnam Retirement Advantage Funds 2025, 2030, 2035, 2040, 2045, 2050, 2055, 2060 and 2065. In addition to the collective trust funds, participants have the option to invest in publicly traded mutual funds and a guaranteed annuity fund through Great-West Insurance Company.

The Plan Sponsor has determined that as of 2022 and the date of this report there are no contract restrictions due to liquidation or other transfer provisions that would result in market value adjustments and surrender charges that would limit the ability to transact the collective investment trust accounts at less than contract value. In addition, the Plan Sponsor has considered the ability of Great-West Life Insurance Company to fulfill its contracts based on its financial strength ratings from A.M. Best and Fitch which were A+ and AA. Therefore, the Plan Sponsor has concluded that the contract value is fair value and represents a fully benefit-responsive value.

Publicly traded mutual funds are based on daily publicly traded transaction pricing. Purchases and sales are recorded on a trade-date basis. Interest and dividend income are recorded on an accrual basis.

The change in the unrealized difference between cost and fair value of investments held is reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Gains and losses on disposition of investments are recognized at the time of disposition with the amount of gain or loss determined on an average cost basis and included with the net appreciation (depreciation) in fair value of investments. Purchases and sales are recorded on a trade-date basis.

(Continued)

(See accompanying financial statements and independent auditors' report)

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

ADMINISTRATIVE EXPENSES

The administrative expenses for the Plan are paid by the Company and the Plan allows for forfeitures to be used to reimburse the Company for Plan expenses. Fees for participant distributions are paid by the plan participant.

BENEFIT PAYMENTS

Benefits are recorded when paid.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one-hundred-percent (100%) vested in their accounts.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The United States generally accepted accounting principles provide a framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

(Continued)

(See accompanying financial statements and independent auditors' report)

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used since inception.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

The Level 1 Plan investments represent the fair value of mutual funds and cash money market accounts which are based on quoted net asset values of shares held by the Plan at year-end.

The Plan has no level 2 or level 3 investments in 2022 or 2021. The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

2022	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$265,651</u>	-	-	<u>\$265,651</u>

(Continued)

(See accompanying financial statements and independent auditors' report)

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of the Plan's financial instruments, including money market accounts, approximate fair value due to the short maturities of these financial instruments.

During the year ended December 31, 2022 and 2021, the Plan's investments in mutual funds and collective investment trusts (including gains and losses on investments bought and sold, as well as held during the year) (depreciated)/appreciated in value by (\$258,765) and \$162,357, respectively.

NOTE 4 - INVESTMENT CONCENTRATIONS AND CREDIT RISK

The contracts with collective trust funds are held in separate accounts with Great-West Life Insurance Company. The participants in the Plan direct their investments. The Plan has a high concentration in the Putnam Retirement Advantage collective trusts and the Putnam Retirement Advantage target retirement accounts 2025 thru 2065. At December 31, 2022 and 2021 the Plan had \$1,255,645 and \$1,267,125, respectively invested in the Putnam Retirement Advantage Trusts. This represented 72.08% and 77.16% of total investments in the plan in 2022 and 2021, respectively.

The Plan Sponsor offers a guaranteed income investment option through Great-West Life Insurance Company. The guaranteed income contract investment has no underlying assets but has the full faith of Great-West Life Insurance Company.

The Plan Sponsor has determined that as of 2022 and the date of this report there are no contract restrictions due to liquidation or other transfer provisions that would result in market value adjustments and surrender charges that would limit the ability to transact the contract at less than contract value. In addition, the Plan Sponsor has considered the ability of Great-West Life Insurance Company to fulfill its contracts based on its financial strength ratings from A.M. Best which was A+. Therefore, the Plan Sponsor has concluded that the contract value of its pooled separate accounts is fully benefit-responsive and represent fair market values.

NOTE 5 - RELATED PARTY TRANSACTIONS

Empower Annuity Insurance Company a division of Great-West Life Insurance Company is the custodian of the Plan's investments and also the investment manager and record keeper of the collective trust accounts. The Plan paid Empower Annuity Insurance Company of America and Empower Advisory Group, LLC \$17,716 and \$11,243 in fees for the years ended December 31, 2022 and 2021, respectively.

NOTE 6- INCOME TAX STATUS

The Plan Sponsor utilizes a prototype plan offered by Acuff & Associates, Inc. ("Acuff"). Acuff received a letter from the Internal Revenue Service dated June 30, 2020, that the Plan is designed in accordance with the Internal Revenue Code section 401.

PAUL BURRELL MANAGEMENT, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

**December 31, 2022 and 2021
(Continued)**

(See accompanying financial statements and independent auditors' report)

NOTE 6- INCOME TAX STATUS (Continued)

Although the Plan has been amended for the Cares Act since the last amendment listed on the Internal Revenue Service determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - DATE OF MANAGEMENT'S REVIEW

Management has evaluated subsequent events through October 16, 2023 the date on which the financial statements were available for issue. There were no material subsequent events from December 31, 2022 thru October 16, 2023.
