INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
The McGuire Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The McGuire Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022, and schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

As a result, net assets including notes receivable from participants of \$6,796,613 were transferred to the Plan.

Effective August 1, 2022, VS Servicer at Ulster, LLC, VS Servicer at Beacon, LLC, and VS Servicer at Fishkill, LLC became participating employers in the Plan.

Prior to February 2, 2022, all employees who attained one year of service and are age 21 or older, and who are not union employees, leased employees, or employees of any controlled group employer that does not affirmatively adopt this Plan were eligible to participate in the Plan. Plan entry dates were the first day of the Plan year, or first day of the seventh month of the Plan year on or next following date the eligibility requirements are met.

Effective February 2, 2022, all employees who attained 30 days of service and are age 21 or older, and who are not union employees, nonresident aliens with no U.S. source income, leased employees, employees of any controlled group employer that does not affirmatively adopt this Plan, part-time, temporary, and seasonal employees, or contractors are eligible to participate in the Plan. Plan entry dates are the first day of the month on or next following date the eligibility requirements are met.

The Plan is subject to the provisions of ERISA. The 401(k) Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Each year, participants may contribute up to maximum amount allowed by law of pretax annual compensation, except highly compensated employees who may only defer up to 5%, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Effective February 2, 2022, the Plan allows for Roth elective deferral contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

THE McGUIRE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

The Plan allows the Employers to make a discretionary employer matching contribution on a payroll basis not to exceed 5% of compensation to all eligible participants. In order for a participant to receive the discretionary employer matching contribution, the employee must fulfill the eligibility requirements. For employees of the Plan, the Employers contribute 1.25% if the participant is contributing 5% or greater, 1% if the participant is contributing 4%, 0.75% if the participant is contributing 3%, 0.50% if the participant is contributing 2%, and 0.25% if the participant is contributing 1%, of the participant's eligible compensation for the years ending December 31, 2022 and 2021.

The Plan allows the Employers to make a discretionary nonelective contribution. The discretionary nonelective contribution will be allocated in the same ratio as each participant's compensation bears to the total of such compensation of all eligible participants. In order for a participant to receive the discretionary nonelective contribution, the employee must fulfill the eligibility requirements. During the years ended December 31, 2022 and 2021, the Employers did not make a discretionary nonelective contribution.

Participant Accounts: Each participant's account is credited with the participant's contribution and any discretionary employer matching contributions, as well as allocations of any employer discretionary nonelective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions, plus actual earnings thereon. Participants are 25 percent vested in discretionary matching contributions and nonelective contributions after one year of service, as defined by the Plan, with a 25 percent annual increase each of the next three years.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: On termination of service due to death, disability, retirement, or when a participant ceases to be an employee of the Employers, a participant may elect to receive a lump sum, installment or partial amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum, installment or partial distribution. A participant can also withdraw all or any portion of his or her account in the event of financial hardship. In addition, in-service distributions, without penalty, may be made upon the attainment of age 59 ½.

Forfeited Accounts: At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$99,862 and \$7,869, respectively. These accounts will be used to reduce expenses and future employer contributions. During the year ended December 31, 2022, no forfeitures were used to reduce employer contributions or expenses. During the year ended December 31, 2021, expenses were reduced by \$761 from forfeited nonvested accounts.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

THE McGUIRE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition: Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits: Benefit are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employers. Expenses that are paid by the Employers are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of investments.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

THE McGUIRE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Cash reserve account: Valued at cost plus accrued interest. Cash reserve account is classified as Level 1 investments.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Cash reserve account	\$ 98,653	\$ -	\$ -	\$ 98,653
Mutual funds	40,276,368	-	-	40,276,368
Total investments, at fair value	\$ 40,375,021	\$ -	\$ -	\$ 40,375,021

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Cash reserve account	\$ 7,870	\$ -	\$ -	\$ 7,870
Mutual funds	39,200,114	-	-	39,200,114
Total investments, at fair value	\$ 39,207,984	\$ -	\$ -	\$ 39,207,984

NOTE 4. GROUP ANNUITY CONTRACT WITH TRANSAMERICA LIFE INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica Life Insurance Company (Transamerica) totaling \$5,031,811 as of December 31, 2022 (\$5,068,017 – 2021). Transamerica maintains the contributions in a general account. The account is credited with interest based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the current six month period and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is obligated to repay the principal and a specified interest rate that is set semi-annually and announced 45 days in advance of the date the new rate becomes effective. There is no minimum interest rate and there is no scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

THE McGUIRE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4. GROUP ANNUITY CONTRACT WITH TRANSAMERICA LIFE INSURANCE (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by State Street Bank and Trust Company. State Street Bank and Trust Company is the trustee of the Plan and Transamerica is the Plan's recordkeeper. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment administrative services amounted to \$116,333 for the year ended December 31, 2022 (\$106,279 – 2021).

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7. TAX STATUS

Effective June 30, 2020, the Plan adopted a volume submitter plan sponsored by Transamerica Retirement Solutions, LLC. The volume submitter plan has received an advisory letter from the IRS regarding the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in process.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. FINANCIAL CERTIFICATION

The following is a summary of the Plan's information as of December 31, 2022 and 2021, as well as earnings (losses) and transactions for the years then ended, included throughout the Plan's financial statements and supplemental schedule that were prepared by or derived from information provided by State Street Bank and Trust Company, the trustee of the Plan, and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets and transactions is complete and accurate. The incorporation of this financial information in the accompanying financial statements and supplemental schedule of assets (held at end of year) is based solely on their certification and has not been audited by independent accountants.

NOTE 11. PROHIBITED TRANSACTIONS

During the year ending December 31, 2022, the plan sponsor inadvertently failed to deposit \$60,038 of participant elective deferral contributions into the Plan within the time frame required by United States Department of Labor regulations. The Plan Sponsor has corrected the errors by contributing the delinquent contributions to the Plan. The Plan Sponsor will file Form 5330 and pay lost earnings and interest to the Plan and applicable excise tax. The excise tax payments will be made from the Plan Sponsor's assets and not from assets of the Plan.

NOTE 12. SUBSEQUENT EVENTS

Effective January 1, 2023, the Company discontinued employer contributions to the Plan.

Effective February 1, 2023, the Sunset Nursing and Rehabilitation Center, Inc. Plan merged into merged into The McGuire Group 401(k) Plan. As a result, net assets of approximately \$1,600,000 were transferred into the Plan.

The Plan has evaluated subsequent events through, October 13, 2023, the date the financial statements were available to be issued.
