Independent Auditor's Report

To the Plan Administrator
3 Phase Elevator 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of 3 Phase Elevator 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2022 Financial Statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) for the year ended December 31, 2022, and the Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on Compiled 2021 Financial Statements

Plan management is responsible for the accompanying statement of net assets available for benefits of the Plan as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the financial statement.

3 Phase Elevator 401(k) Plan

Notes to Financial Statements December 31, 2022

Note 1 - Description of Plan

The following description of 3 Phase Elevator 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement, and any amendments thereto, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan covering all eligible employees of 3 Phase Elevator Corp (the "Company") upon their date of hire. Union employees and nonresident aliens are excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance and reports to Plan management.

Contributions

Each year, participants may make salary deferral contributions to the Plan up to 100% of their pre-tax annual compensation, as defined by the Plan. Participants may designate all or a portion of their salary deferral contributions as Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes safe harbor matching contributions to the Plan equal to 100% of the first 3% of a participant's eligible compensation and an additional 50% of the next 2% of a participant's eligible compensation. The Company may also contribute discretionary matching and nonelective contributions, however, none were elected for the year ended December 31, 2022. Participants also direct the investment of Company contributions. All contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of investment expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested immediately in all employee, safe harbor and employer discretionary matching contributions. Employer nonelective discretionary employer contributions will vest ratably as indicated in the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
1	25%
2	50%
3	75%
4	100%

In the event of termination due to death, total and permanent disability, participants shall become 100% vested in all unvested monies in their account.

3 Phase Elevator 401(k) Plan

Notes to Financial Statements December 31, 2022

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. The loan interest rate, determined at the time of the loan, is set at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

On termination of service for any reason, a participant may elect to receive a lump-sum amount equal to the value of his or her account or receive installments. Participants with a vested account balance less than \$1,000 will receive a mandatory distribution. For participants with a vested account balance less than \$5,000, the Plan administrator will make a direct rollover of the participant's account to an individual retirement account designated by the Plan administrator, unless an election is made by the participant to receive the payment directly. Participants with a vested account balance greater than \$5,000 may receive benefits in a lump-sum, or defer payment of benefits until a later date.

Participants who have attained age 59 and a half age are eligible to make in-service withdrawals, in accordance with the provisions specified in the Plan.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Indirect investment management fees are included in the net depreciation in fair value of investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

3 Phase Elevator 401(k) Plan

Notes to Financial Statements December 31, 2022

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

Note 3 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the assets or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means; and
- if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds and money market fund: Valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and the money market fund held by the Plan are deemed to be actively traded.

3 Phase Elevator 401(k) Plan

Notes to Financial Statements December 31, 2022

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,518,392	\$ -	\$ -	\$ 2,518,392
Money market fund	2,566	-	-	2,566
	<u>\$ 2,520,958</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,520,958</u>
Assets at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 1,548,968</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,548,968</u>

Note 4 - Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2022, and investment income and interest income on notes receivable from participants for the year then ended, that are disclosed in the accompanying financial statements and Schedule of Assets (Held at End of Year) (Schedule H, Line 4i), were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the trustee of the Plan.

Note 5 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all contributions.

Note 6 - Tax status

The Plan has been designed using a defined contribution pre-approved plan document designed by DST Retirement Solutions, LLC. DST Retirement Solutions, LLC received an advisory letter dated June 30, 2020, in which the IRS stated that the defined contribution pre-approved plan document satisfies the applicable requirements of the Internal Revenue Code (the "IRC"). Although the Plan itself has not received a determination letter from the IRS, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

3 Phase Elevator 401(k) Plan

Notes to Financial Statements December 31, 2022

Note 7 - Related party and party-in-interest transactions

Plan investments included shares of mutual funds and a money market fund managed by T. Rowe Price. T. Rowe Price is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Indirect fees incurred by the Plan for investment management services are included in the net depreciation in fair value of investments. Administrative expenses paid directly by the Plan to T. Rowe Price amounted to \$15,792 for the year ended December 31, 2022. The Plan sponsor pays directly any other fees related to the Plan's operations. The Plan allows participants to take loans against their account balances, which are also considered party-in-interest transactions.

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Nonexempt transactions

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain participant contributions were not remitted to the Plan within the time frame specified by DOL Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company for the year ended December 31, 2022. The Company will work with the third party administrator to determine the proper corrections and intends to make corrective funding during 2023.

Note 10 - Subsequent events

On June 26, 2023, assets totaling \$2,181,375 from the Specialized Elevator Services 401(k) Plan were merged into the Plan. Specialized Elevator Services Holdings, LLC became a participating employer, and its employees became eligible to contribute immediately upon entry.
