To the Plan Administrator of the
Klarna 401(k) Plan:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Klarna 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

During our audit we became aware of several matters that relate to internal control deficiencies that were of a lesser magnitude than significant deficiencies, as well as opportunities to strengthen company operating efficiency. The memorandum that accompanies this letter summarizes our comments and recommendations regarding those matters. This letter does not affect our report dated October 13, 2023, on the financial statements of the Klarna 401(k) Plan.

We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with various personnel of Klarna, and we will be pleased to discuss them in further detail at your convenience, to perform any additional studies on these matters, or to assist you in implementing the recommendations.

The accompanying comments and recommendations are intended solely for the information and use of the Plan Administrator of the Klarna 401(k) Plan, and others within the organization, and is not intended to be, and should not be used by anyone other than these specified parties.

Very truly yours,

Columbus, Ohio

Review and funding of employer match true-up***Issue***

As of the date of this letter, Plan management is working with the Plan's recordkeeper to calculate and fund the annual employer match true-up.

Recommendation

We recommend Plan management carefully review the annual employer match true-up file to ensure that it is complete and accurate and includes the proper Plan eligible compensation prior to funding. Once reviewed, the funding should occur as soon as administratively possible.

Deferral rate changes in payroll***Issue***

During our audit, we noted a deferral rate change request in the recordkeeping system in which the rate change did not get implemented in the payroll system.

Recommendation

We recommend Plan management determine the impacted participants from the audit finding, and work with the recordkeeper ("T. Rowe Price") to fully correct any impacted participants. Additionally, we recommend Plan management enhance internal controls to ensure the deferral rate feedback file from T. Rowe Price is updated accurately and timely in the payroll system.

Missing Form I-9's and inconsistencies in demographic data***Issue***

During our audit, we noted instances in which a Form I-9 was not on record for an employee. Additionally, we noted discrepancies between information recorded on the payroll report and personnel files relating to employee data such as date of birth and hire date.

Recommendation

We recommend Plan management enhance internal controls to ensure all U.S. employees have a completed Form I-9 on company record. Additionally, we recommend Plan management review participant census data (i.e. date of birth, hire date, etc.) to ensure information on record between human resources benefits, payroll, and the T. Rowe Price is accurate.

Loan interest rate***Issue***

During our audit, we noted the interest rate for new loans issued in 2022 did not follow the Plan's guidelines of the Prime interest rate, plus 1%.

Recommendation

We recommend Plan management work with T. Rowe Price to determine the loan interest rate is proper per the terms of the Plan document and loan policy, and take any corrective action if necessary.

Fidelity bond coverage***Issue***

During our audit, we noted the Plan is not covered by a fidelity bond. A fidelity bond, or ERISA bond, is an insurance policy that provides a 401(k) plan with protection from losses caused by any fraudulent behavior such as embezzlement, theft, larceny and misappropriation by those who have access to the plan's funds. The fidelity bond will step in to counteract any losses due to such fraudulent activity. ERISA requires this bond, and as such the Plan is not in compliance with Department of Labor regulations until the Plan is sufficiently covered by a fidelity bond.

Recommendation

We understand from Plan management that a fidelity bond meeting the requirements of ERISA was obtained effective January 1, 2023. We recommend Plan management continue to ensure that the Plan is meeting the fidelity bond requirements of ERISA.

Approval of merger and acquisition***Issue***

During our audit, we noted there was merger and acquisition activity that completed during 2022 in which there was no formal approval documentation of the merger and acquisition.

Recommendation

As best practice, we recommend the company complete formal documentation approving merger and acquisition activity, such as a corporate resolution or 401(k) meeting minutes.
