INDEPENDENT AUDITORS' REPORT

To the Trustees of
F.S. Lopke Contracting, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **F.S. LOPKE CONTRACTING, INC. 401(K) PLAN,** an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of F.S. Lopke Contracting 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Trustees of
F.S. Lopke Contracting, Inc. 401(k) Plan

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of F.S. Lopke Contracting 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about F.S. Lopke Contracting 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Trustees of
F.S. Lopke Contracting, Inc. 401(k) Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of F.S. Lopke Contracting 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about F.S. Lopke Contracting 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Piaker & Lyons

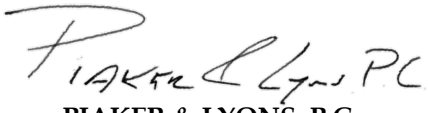

To the Trustees of
F.S. Lopke Contracting, Inc. 401(k) Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the F.S. Lopke Contracting, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Sponsor: F.S. Lopke Contracting, Inc. (the Sponsor)
Plan Name: F.S. Lopke Contracting, Inc. 401(k) Plan
Plan Number: 001
Employer Identification Number: 16-1012179
Plan Trustees: Steve Gregg and Anne Trivisonno (the Trustees)
Plan Custodian: Empower Retirement, LLC (the Custodian)

General - The Plan, which began service on January 1, 1995, is a defined contribution plan covering the employees of F.S. Lopke Contracting, Inc. and Lopke Quarries, Inc., a related company to the Sponsor. The Plan covers essentially all employees, who are at least 21 years old and have one year of service. Employees are able to enter the Plan on the earlier of January 1st or July 1st upon meeting the aforementioned eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions - Participants may elect to defer compensation and make voluntary cash contributions to the Plan with certain limitations. Participants who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions in accordance with, and subject to, certain limitations of the Internal Revenue Code. The maximum deferral a participant may make may not exceed the lesser of their eligible compensation or $20,500 and $19,500 for 2022 and 2021, respectively. Annually, the Sponsor determines the match contribution percentage on the first 4% of eligible compensation and a non-elective discretionary contribution. The Sponsor authorized a matching contribution percentage of 50% on the first 4% of employee's eligible compensation for 2022 and 2021. In addition, the Sponsor may make a non-elective discretionary contribution. There were no non-elective discretionary contributions for 2022 or 2021. Under no circumstances are employees allowed to make annual additions to their accounts in excess of the lesser of 100% of compensation or $61,000 and $58,000 plus catch-up contributions for the years ended December 31, 2022 and 2021, respectively, combining both 401(k) elective deferrals and Sponsor match and non-elective discretionary contributions.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Sponsor's contribution, (b) Plan earnings (net of losses) and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The Plan is a participant–directed plan.

Vesting - Participants are immediately vested in their voluntary contributions. For participants credited with an hour of service beginning after December 31, 2001, the Plan provides for the following graduated vesting, with regard to the Sponsor's contributions: 20% per year after two years, with 100% vesting at six years of service.

Payments of Benefits - Benefits are available for distribution at the normal retirement age of 65, or a deferred retirement date if a participant works past age 65, termination of employment, permanent disability, in-service, or upon death. In-service distributions are available to employees beginning at age 59½. Distributions are paid in the form of a lump-sum of the total vested participant account balance.

Administrative Expenses - Participant administration and record keeping fees are paid by the participants. The annual plan administration and compliance fee is paid by the Sponsor.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The $50,000 maximum amount will be reduced by the participant's highest outstanding loan balance in the previous twelve months, even if amounts have been repaid. The loans are secured by the balance in the participant's account and bear interest at a rate of 3.25% to 6.25%, which is commensurate with local prevailing rates as determined monthly by the Plan administrator. The maximum repayment period is 5 years. Principal and interest is paid ratably through payroll deductions.

Forfeited Accounts - If a participant's employment is terminated, the non-vested portion of a participant's account balance becomes subject to forfeiture. At December 31, 2022 and 2021, forfeited non-vested accounts totaled $288 and $499, respectively. Forfeitures of Sponsor matching contributions and non-elective discretionary contributions supplement current matching contributions and non-elective discretionary contributions, respectively. Forfeitures of $2,585 and $994 were used in 2022 and 2021, respectively to supplement current matching contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan has elected to present these statements on the accrual basis of accounting.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement dates. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in the administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Subsequent Events – The Plan's trustees have evaluated events and transactions that occurred during the period from January 1, 2023 through October 2, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 3 - TAX STATUS

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and is exempt from federal income tax under Section 401 of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Custodian.

	2022	2021
Investments at Fair Value	**$ 3,139,237**	$ 4,708,561
Investments at Contract Value	**805,778**	693,997
Net Depreciation in Fair Value of Investments	**(956,814)**	
Dividends and Interest - Investments	**72,032**	

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

NOTE 6 - RELATED PARTY TRANSACTIONS

As of December 31, 2022 and 2021, certain Plan investments are shares of mutual funds that are managed by Empower Retirement, LLC. Empower Retirement, LLC is also the Custodian as defined by the Plan and, therefore, these transactions qualify as related party transactions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with these investments, and the level of uncertainty related to the changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Total	Assets at Fair Value (Level 1)
December 31, 2022		
Mutual Funds	$ 2,407,067	$ 2,407,067
Investments Measured at Net Asset Value *	732,170	-
Total Investments at Fair Value	**$ 3,139,237**	**$ 2,407,067**

	Total	(Level 1)
December 31, 2021		
Mutual Funds	$ 3,488,701	$ 3,488,701
Investments Measured at Net Asset Value *	1,219,860	-
Total Investments at Fair Value	**$ 4,708,561**	**$ 3,488,701**

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits.

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 unobservable inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no Level 2 or Level 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 8 - FAIR VALUE MEASUREMENTS (Continued)

Common/Collective Trust Funds – Valued at NAV of units of a bank common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant restrictions for these investments; the redemption notice period is for the plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

NOTE 9 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2016, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Retirement, LLC (Empower). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was $805,778 and $693,997, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than .54%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value Empower. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.
