The Plan Administrator
Huizenga Manufacturing Group
Retirement Savings Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Huizenga Manufacturing Group Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Huizenga Manufacturing Group Retirement Savings Plan

Notes to Financial Statements

1. Plan Description

The following description of the Huizenga Manufacturing Group Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a multiple-employer defined-contribution 401(k) plan covering eligible employees of Huizenga Manufacturing Group, Inc.; Competition Engineering, Inc.; Datum Industries, LLC; Parkway Electric and Communications, LLC; Monroe, LLC; Sixarp, LLC d/b/a Praxis Packaging; PE 36th, LLC d/b/a Precise Engineering; Pinnacle Tool, LLC; Lakeland Finishing Company, LLC; A&K Acquisitions, LLC; Unette, Inc.; Churchill Technologies, LLC; Bulldog Acquisitions, LLC; Capitol Special Police and GRGSE Holdings, LLC d/b/a GSE Automation (collectively, the Companies). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In general, a full-time employee may become a participant in the Plan on the Plan entry date (January 1, April 1, July 1, October 1) following the date on which they attain age 18 and the completion of 90 days of service.

Contributions

A participant may make elective salary reduction contributions in amounts not to exceed the maximum allowable under the Internal Revenue Code (IRC). The Plan provides for employer matching contributions as determined by the Companies for their respective participants, based on the matching contribution allowable as a deduction under the IRC. Matching contributions of \$266,900 and \$255,255 were made by the Companies in 2022 and 2021, respectively.

The Plan includes an auto-enrollment provision whereby newly eligible employees at all companies except Capital Special Police, LLC; Capital Special Patrol, LLC and Sapphire Valley Public Safety, Inc. are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions are invested in a designated balanced fund until changed by the participant.

In addition, the Plan provides for a discretionary employer contribution to the Plan, which is to be determined each year by the board of directors of each participating company. No discretionary employer contributions were made by the Companies in 2022 or 2021.

Vesting

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Vesting in the employers' matching and discretionary contributions plus actual earnings thereon is based on years of service. A participant vests 20% for each credited year of service and is 100% vested after five years of service.

Benefit Payments

Upon termination of service, death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance or periodic payments, at least annually, of substantially equal amounts over a period not to exceed the joint

Huizenga Manufacturing Group Retirement Savings Plan

Notes to Financial Statements

life expectancy of the participant or beneficiary. The Plan allows for withdrawal prior to retirement if the participant meets certain age or hardship withdrawal requirements. Such withdrawals may be subject to approval by the Plan Administrator.

Forfeitures

If a participant is not fully vested on their termination date, the non-vested amount of the account is forfeited. Forfeitures are used to reduce future contributions of the Companies or pay for Plan expenses. For the year ended December 31, 2022 forfeitures were used to pay Plan expenses totaling approximately \$15,400. For the year ended December 31, 2021, no forfeitures were used to reduce future contributions of the Companies or pay for Plan expenses. The total balance in the forfeitures account as of December 31, 2022 and 2021 was \$38,954 and \$48,652, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Companies' contributions and Plan earnings. Allocations are based on participant compensation or account balances, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts subject to certain maximum and minimum amounts as prescribed in the Plan and the IRC. The period of repayments for participant notes receivable is fixed and cannot exceed five years. Notes receivable are collateralized by the participant's account balance and bear interest at a rate commensurate with local borrowing rates. Interest rates on notes outstanding at December 31, 2022 range from 4.25% to 7.25%.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Huizenga Manufacturing Group Retirement Savings Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation i(depreciation) ncludes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued interest. Notes receivable from participants are written off when deemed uncollectible.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Companies. Certain administrative expenses, which consist of loan fees, expedited distribution fees, and a quarterly administrative charge for terminated participants with balances in the Plan are paid directly out of the applicable participant accounts. In addition, certain expenses are paid using a revenue-sharing arrangement and are included in administrative expenses on the statement of changes in net assets available for benefits. Total investment advisory and other fees paid out of this revenue-sharing arrangement were \$58,519 and \$63,576 for the years ended December 31, 2022 and 2021, respectively.

3. Investments

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

Huizenga Manufacturing Group Retirement Savings Plan

Notes to Financial Statements

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Mutual Funds - These funds are valued at quoted market prices in an exchange and active market, which represent the net asset value (NAV) of shares held by the Plan.

Pooled Separate Account (PSA) - Units held in the PSA are valued based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying asset values are based on quoted prices, the NAV of the PSA is not publicly quoted. The NAV is reported by the fund managers as of the financial statements' dates based on recent transaction prices and is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSA held by the Plan provides for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments related to this investment.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth the Plan's investments by level within the fair value hierarchy. There have been no significant transfers into or out of Levels 1, 2, or 3.

4. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA as of December 31, 2022 and 2021, and for the years then ended. Accordingly, the Plan's trustee, State Street Bank and Trust Company, has certified that the

Notes to Financial Statements

following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

5. Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated June 28, 2023, stating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the IRC. Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and currently is being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, currently there are no audits for any tax periods in progress.

6. Plan Termination

While they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

7. Transfers Out

Effective November 11, 2022, Unette, Inc. and Praxis Packaging transferred assets in the amount of \$4,765,907 related to their participants to another qualified plan.

8. Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 13, 2023, the date the financial statements were available to be issued.
