Independent Auditors' Report

Employee Benefit Plan Committee of
Century III, Inc. Retirement Trust
Greer, SC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Century III, Inc. Retirement Trust, (an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Century III, Inc. Retirement Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America as of December 31, 2022 and for the period from December 9, 2022 to December 31, 2022, and Lincoln National Life Insurance Company as of December 31, 2021 and for the period from January 1, 2022 through December 8, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of Century III, Inc. Retirement Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about Century III, Inc. Retirement Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plans' provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not

a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Century III, Inc. Retirement Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Century III, Inc. Retirement Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among others matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of the Plan

The following description of the Century III, Inc. Retirement Trust (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established on April 1, 2014 and most recently was restated effective December 9, 2022. It is a defined contribution plan covering employees of Century III, Inc. and an affiliate, Century III Engineering, Inc. (the “Company”). The Plan covers employees who have one month of service and are age 18 or older, excluding all union employees, nonresident aliens, leased employees and independent contractors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Assets of the Plan are allocated to participants’ accounts based on specific contributions made by each participant and respective matches made by the Company. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participant account and any earnings thereon.

Change in Service Provider

Effective December 1, 2022, the Plan changed its trustee and recordkeeper from Lincoln National Life Insurance Company to Empower Annuity Insurance Company of America. As a result of the change in service provider, the assets of the Plan were transferred from Lincoln National Life Insurance Company to Empower Annuity Insurance Company of America on December 9, 2022.

Plan contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined by the plan. Federal tax law limits the amount participants can contribute to \$20,500 for 2022 and an additional \$6,500 catch-up contribution for participants age 50 and older. This amount is indexed periodically for changes in the cost-of-living index. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contribution into various investment options offered by the Plan.

The Company makes a safe harbor matching contribution of 100 percent of the first 3 percent of base compensation that a participant contributes to the plan and 50 percent of the next 2 percent of base compensation that a participant contributes to the Plan. Additional discretionary profit sharing amounts may be contributed at the option of the Company’s board of directors. To be eligible for additional profit sharing amounts, a participant must be employed at the end of the Plan year except in the case of death, permanent disability or retirement during the plan year. There was no discretionary profit sharing contribution for the year ended December 31, 2022.

Notes to Financial Statements

(1) Description of the Plan, Continued

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution is based on years of continuous service. A participant is 100% vested after six years of credited service.

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Benefit Eligibility

Certain events must occur before a participant can withdraw money from the Plan. In general, benefits may be withdrawn upon termination of employment, after attaining normal retirement age, death, or upon Plan termination in a lump sum equal to the value of the participant's vested interest in his or her account. Normal retirement age under the Plan is age 65. The Plan also allows for involuntary cash-outs of participants with vested balances less than \$5,000 who have separated from service. In addition, participants may make in-service withdrawals of their employee contributions if they attain age 59 ½ but continue to work.

The Plan allows for hardship distributions for immediate and heavy financial need. The only financial needs which are considered to meet the financial hardship requirements are the following items: deductible medical expenses for participants or their immediate family, purchase of their principal residence, payment of tuition for the next quarter or semester for the participant or their immediate family, or to prevent eviction from their home or foreclosure upon their principal residence. A hardship distribution cannot exceed the amount of their immediate and heavy financial need and they must have obtained all distributions and all nontaxable loans from all Plans maintained by the Company prior to qualifying for a hardship distribution. Hardship distributions are subject to a 10% penalty tax if received before the age of 59 ½.

(1) Description of the Plan, Continued

Distributions

Payments from the Plan that are eligible rollover distributions can be taken in two ways. The participant may have all or any portion of the eligible rollover distribution either (1) paid in a direct rollover to an IRA or another employer plan or (2) paid to the participant. If the second option is chosen, the participant will receive only 80% of the payment because the Company is required to withhold 20% of the payment and send it to the Internal Revenue Service as income tax withholding.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest from 4.25% to 5.25%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$3,723 and \$0, respectively. These accounts will be used to reduce future employer contributions and plan expenses.

(2) Summary of Significant Accounting Policies and Activities

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(2) Summary of Significant Accounting Policies and Activities, Continued

Basis of Accounting, Continued

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions are recorded in the period in which the Company makes the payroll deductions from participant earnings.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Date of Management's Review

Subsequent events have been evaluated through October 11, 2023, which is the date the financial statements were available to be issued.

(3) Information Certified by the Plan Trustees

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedules that was prepared by or derived from information provided by Lincoln National Life Insurance Company and Empower Annuity Insurance Company of America, the trustees under the Plan, for the years ended December 31, 2022 and 2021 and furnished to the plan administrator. The plan administrator has obtained certifications from Empower Annuity Insurance Company of America as of December 31, 2022 and for the period from December 9, 2022 through December 31, 2022 and from Lincoln National Life Insurance Company as of December 31, 2021 and for the period from January 1, 2022 through December 8, 2022 that the information provided to the plan administrator related to the following assets are complete and accurate.

	<u>2022</u>	<u>2021</u>
Investments at fair value:		
Mutual Funds	5,451,164	-
Common/Collective Trusts	2,102	-
Pooled Separate Accounts	<u>-</u>	<u>6,098,802</u>
Total investments at fair value	\$ <u>5,453,266</u>	<u>6,098,802</u>
 Investments at contract value	 \$ <u>-</u>	 <u>172,805</u>

The trustees also certified to the completeness and accuracy of \$1,240,085 net depreciation in the fair value of investments and \$276 of interest income and \$33,329 of dividend income for the year ended December 31, 2022.

(4) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.

CENTURY III, INC. RETIREMENT TRUST

Notes to Financial Statements

December 31, 2022 and 2021

(4) Fair Value Measurements, Continued

- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Valued at the NAV of units of the common/collective trusts as reported by the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Pooled separate accounts: Valued at the NAV of units held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

(4) Fair Value Measurements, Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2022 and 2021:

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	5,451,164	-	-	5,451,164

Investments measured at NAV				
Pooled separate accounts				6,098,802
Total assets at fair value	-	-	-	6,098,802

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2021:

December 31, 2021				
	Fair value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$ 6,098,802	-	Immediate	None

(5) Guaranteed Investment Contract With Insurance Company

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Lincoln National Life Insurance Company (Lincoln). Lincoln maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves

Notes to Financial Statements

(5) Guaranteed Investment Contract With Insurance Company, Continued

against contract value for credit risk of the contract issuer or otherwise. The average crediting interest rate for December 31, 2022 was 1.94%.

Certain events limit the Plan's ability to transact at contract value with Lincoln. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(6) Related-Party Transactions

The Plan invests in mutual funds sponsored by Empower Annuity Insurance Company of America and variable annuities sponsored by Lincoln National Life Insurance Company, the Plan's trustees, as defined by the Plan, and therefore, these transactions qualify as parties-in-interest transactions. Administrative fees related to the Trustee's administration of the Plan are paid by the Plan. Other administrative fees can be paid by the Plan or the Plan sponsor on behalf of the Plan.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive a participant or beneficiary under the Plan of any vested right.

CENTURY III, INC. RETIREMENT TRUST

Notes to Financial Statements

December 31, 2022 and 2021

(8) Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated November 14, 2022 stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the “Code”) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the determination letter. Plan management believes the Plan is currently designed and operated in compliance with applicable requirements in the Code. Therefore, no provision for income tax has been included in the plan’s financials statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax period in progress.

(9) Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of participant and employer contributions per the financial statements for the year ended December 31, 2022 to the Schedule H of Form 5500:

		<u>2022</u>
Participant contributions per the financial statements	\$	756,034
Add: Participant contribution receivable at December 31, 2021		<u>9,994</u>
Participant contributions per Schedule H of Form 5500	\$	<u><u>766,028</u></u>
Employer contributions per the financial statements	\$	340,129
Add: Employer contribution receivable at December 31, 2021		<u>4,887</u>
Employer contributions per Schedule H of Form 5500	\$	<u><u>345,016</u></u>

(10) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statement of Net Asset Available for Benefits.
