## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator  
Ascend Technologies 401(k) Plan  
Chicago, Illinois

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Ascend Technologies 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors’ Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

## **ASCEND TECHNOLOGIES 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **DECEMBER 31, 2022 AND 2021**

---

##### **NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Ascend Technologies 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### **General**

The Plan, established January 1, 2020, is a qualified defined contribution plan sponsored by Ascend Technologies, LLC ("the Company"). The Plan covers all non-union employees. Employees are immediately eligible to participate in the salary deferral and rollover contributions of the Plan when hired by the Company, subject to entry dates on the first day of the month following the date of satisfaction of the eligibility requirements. Employees are eligible to participate in the matching and profit-sharing contributions portion of the Plan after completing one year of service (at least 1,000 hours) with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

##### **Participant Contributions**

Participants may contribute up to the maximum dollar amount allowable as established by the Internal Revenue Service, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investment options through Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan's investments.

##### **Employer Contributions**

The Plan allows for a discretionary matching contribution determined by the Company each year in addition to discretionary profit-sharing. The Company made or accrued discretionary matching contributions of \$565,429 to the Plan for the year ended December 31, 2022. The Company did not make or accrue any discretionary profit-sharing contributions to the Plan for the year ended December 31, 2022.

##### **Participant Accounts**

Each participant's account is credited with the participant's contributions; qualified rollover contributions; allocations of the Company's contributions (if any), Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based upon participant earnings (losses) or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Vesting**

Participants are immediately fully vested in their contributions and the Company's discretionary profit-sharing and matching contributions plus actual earnings (losses) thereon.

##### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years, or more for the purchase of a primary residence. Each loan is secured by the balance in the participant's account and bears interest at prime plus 1% on the date of issuance. Interest rates ranged from 4.25% to 7.25% as of December 31, 2022. Principal and interest are paid ratably through regular payroll deductions.

## **ASCEND TECHNOLOGIES 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022 AND 2021**

---

#### **NOTE 1 – DESCRIPTION OF PLAN (continued)**

##### **Payment of Benefits**

On termination of service due to death, disability, retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, hardship withdrawals and in-service distributions at age 59 ½ from certain accounts are permitted if certain criteria are met. The Plan document also requires post-severance mandatory force-out distributions for account balances under \$5,000.

##### **Forfeited Accounts**

The Plan maintains a non-vested forfeiture account. Forfeited balances of terminated participant's non-vested accounts may be used by the Company to pay Plan expenses or used to reduce any discretionary employer contributions. Forfeited non-vested accounts totaled \$3,602 and \$52 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, forfeitures of \$368 were used to reduce the discretionary employer matching contribution.

#### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

##### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

##### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value with the exception of the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the custodian. Refer to Note 4 for discussion of fair value measurements.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in pooled separate accounts and the group annuity contract are deducted from income earned on a daily basis and not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

### **NOTES TO FINANCIAL STATEMENTS**

#### **DECEMBER 31, 2022 AND 2021**

---

#### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

##### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for loan losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the note receivable to be in default, the participant loan balance is reduced; and a benefit payment is recorded.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included as a reduction in net appreciation or an increase to net depreciation of fair value of investments. The Plan made direct payments for administration fees of \$37,648 for the year ended December 31, 2022.

##### **Subsequent Events**

Management has evaluated subsequent events through October 10, 2023, the date on which the financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure in these financial statements.

#### **NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS**

The following information included in the accompanying financial statements and supplemental information as of December 31 was obtained from data that has been prepared and certified to as complete and accurate by the custodians of the Plan, Empower Annuity Insurance Company of America and Empower Trust Company, LLC in 2022 and Great-West Life & Annuity Insurance Company in 2021:

The custodians also certified the completeness and accuracy of \$2,258,900 of net depreciation in the value of investments, \$474,311 of dividends and interest, and \$622 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2022.

### **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022 AND 2021**

---

#### **NOTE 4 – FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* (“FASB ASC 820”), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include the following:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

*Pooled separate accounts:* Pooled separate accounts (“PSAs”) are privately managed through investment companies and are not publicly traded. PSA’s are comprised, primarily, of shares of registered investment companies held through sub-accounts of an insurance company. The PSAs are valued using net asset value (“NAV”) as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets held through sub-accounts of a separate account of an insurance company. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different from the reported NAV. The Plan has concluded that the NAVs reported by the investment companies approximate the fair value of the investments. There are currently no redemption restrictions or unfunded commitments on these investments. The investment strategy of the PSAs is to provide growth, income, and conservation of capital.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

\*Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at fair value, presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investments in the pooled separate accounts can be redeemed immediately at the participant level and may occur each business day. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan (specific to each redemption) in order to ensure that securities liquidations will be carried out in an orderly business manner.

## **ASCEND TECHNOLOGIES 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **DECEMBER 31, 2022 AND 2021**

---

##### **NOTE 5 – FIXED INTEREST INVESTMENT CONTRACT**

The Plan's investment options include the MassMutual Group Annuity Contract ("the Fund"), which is a traditional fully benefit-responsive investment contract. The Fund maintains the contributions in a general account. Investments held in the Fund totaled \$121,170 and \$84,626 at December 31, 2022 and 2021, respectively. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The average yield based on the interest rate credited to participants was 1.25% for the year ended December 31, 2022. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

##### **NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are pooled separate accounts and fixed annuities managed by Empower Annuity Insurance Company of America in 2022, formerly Great-West Life & Annuity Insurance Company in 2021, the custodians of the Plan, respectively; and, therefore, these transactions qualify as party-in-interest transactions under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each investment.

As described in Note 2, the Company may pay certain expenses related to plan operations to various service providers. In addition, employees of the Company provide administrative services to the Plan for which no fees are charged. These transactions are party-in-interest transactions under ERISA.

Notes receivable from participants also qualify as party-in-interest transactions under ERISA.

## **ASCEND TECHNOLOGIES 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **DECEMBER 31, 2022 AND 2021**

---

##### **NOTE 7 – TAX STATUS**

On November 30, 2020, the Internal Revenue Service stated that the non-standardized pre-approved plan document adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code (“IRC”). Although the Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the basic plan document was adopted, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. No assets or liabilities relative to uncertain tax positions are recorded as of December 31, 2022 and 2021. The Plan is subject to routine audits by taxing jurisdictions. However, as of December 31, 2022 and 2021, there were no audits in progress for any open tax periods.

##### **NOTE 8 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

##### **NOTE 9 – RISKS AND UNCERTAINTIES**

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

##### **NOTE 10 – PROHIBITED TRANSACTIONS**

During the 2022 plan year, the plan sponsor failed to deposit certain participant contributions within the required timeframe as stipulated by the U.S. Department of Labor (“DOL”). The DOL considers late deposits to be prohibited transactions as disclosed in the accompanying supplemental information. The plan sponsor intends to correct the 2022 deficiency in 2023.

##### **NOTE 11 – PLAN AMENDMENT**

Effective January 1, 2021, the Plan was amended to change the definition of eligible compensation for matching contributions to exclude overtime, bonuses and commissions. In addition, the definition of eligible compensation for employee deferrals was changed to exclude bonuses.
