INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Boston Pie, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Boston Pie, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Boston Pie, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Pie, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Pie, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Pie, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Pie, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE – A: DESCRIPTION OF THE PLAN

The following description of the Boston Pie, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering substantially all employees of Boston Pie, Inc. and Master Pie, Inc. (collectively the Company) who have met certain requirements as to length of service and age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees. All Investments are participant directed.

NOTE – B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies is presented to assist in understanding the Plan's financial statements.

Basis of Accounting/Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting. The financial statements and notes are representations of management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Eligibility: All employees of the Company, other than non-resident aliens and those covered by a collective bargaining agreement, who have attained the age of 21 are eligible after 12 consecutive months of service and 1,000 hours of service, as defined by the Plan.

Contributions: Each year, participants may contribute the lesser of the maximum percentage allowable, not to exceed the limits of Code Sections 401(k), 402(g), 404 and 415, or 50% of eligible compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other tax-qualified plans. The Plan includes an automatic enrollment provision enabling eligible employees to be automatically enrolled in the Plan at a deferral rate of 3%. Participants may cancel, modify or otherwise as allowed change any of the automatic elections at any time. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each Plan year, the Company contributes a matching contribution of 4% of a participant's contribution, excluding catch-up contributions. The Company, at its discretion, may make a discretionary contribution to the Plan. There was no discretionary Company contribution for the year ended December 31, 2022.

Contributions are subject to certain limitations.

NOTE – B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the (a) Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the plan. Allocations are based on eligible compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Participants are 100% vested in the Company's contributions upon attaining age 65 or completing six years of credited service, whichever occurs first.

Prior to attainment of six years of service, participant vesting in Company contributions is determined as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

However, a participant shall also become fully vested immediately upon retirement, permanent disability or death.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested interest in the Plan, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates as determined by the plan administrator based on the prevailing interest rates.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan. Principal and interest is paid ratably through payroll deductions.

Investment Value and Income Recognition: The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net depreciation includes realized and unrealized gains and losses on the fair value of investments held by the Plan.

NOTE – B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits: Benefits may be paid to participants in the event of death, retirement, disability or termination of employment from the Company, as provided by the Plan. Participants may designate beneficiaries so that in the event of death, the designated beneficiaries will be entitled to the participant's accumulated Plan benefits.

Participants may elect payments to be distributed in a lump-sum payment, periodic installment, or by purchase of a nontransferable annuity from an insurance company.

Benefits are recorded when paid.

Forfeited Accounts: Forfeitures are retained in the Plan and are used to offset future employer discretionary contributions to the Plan and pay administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$9,438, respectively. For the years ended December 31, 2022 and 2021, forfeitures of \$4,447 and \$13,885 were used to reduce the Company's discretionary matching contribution.

Expenses: Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in either net appreciation of fair value of investments or administrative expenses. The Plan sponsor has elected to absorb significant administrative costs of the Plan.

Use of Estimates: Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Accordingly, actual results could differ from those estimates, particularly given the significant social and economic disruptions and uncertainties associated with the ongoing COVID-19 pandemic and the COVID-19 control responses, and such differences may be material.

Reclassifications: Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. These classifications had no effect on previously reported results of operations or net assets.

NOTE – C: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC), *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- *Level 1* – inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,
- *Level 2* – inputs consist of observable inputs other than quoted prices for identical assets, and
- *Level 3* – inputs that are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust fund: Valued at the NAV per unit based on the underlying assets. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair values. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The mutual funds and common/collective trust funds are valued using NAV as a practical expedient and therefore they are not leveled within the fair value hierarchy.

NOTE – C: FAIR VALUE MEASUREMENTS (Continued)

Fair Value of Investments in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2022				
Mutual Funds:				
Balanced funds	\$ 821,188	None	Daily	None
Bond funds	369,107	None	Daily	None
Value funds	141,530	None	Daily	None
Growth funds	55,655	None	Daily	None
Target funds	41,644	None	Daily	None
Income funds	13,426	None	Daily	None
Total	<u>\$1,442,550</u>

Target funds	34,191	None	Daily	None
Income funds	7,696	None	Daily	None
Total	<u>\$1,723,036</u>			

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021 are reported in net appreciation in fair value of investments.

NOTE – D: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

NOTE – D: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

Empower Annuity Insurance Company of America maintains the contributions in a fixed income or general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based upon a formula agreed upon with the issuer. Such interest rates are reviewed and may be reset on a quarterly basis.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligation may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) the Plan choosing to fully or partially terminate the agreement with the issuer, (2) the failure of the trust to qualify for exemption from federal income taxes, (3) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), or (4) the Plan breaches a provision of the agreement with the issuer. The plan administrator does not believe that the occurrence of any such event that would limit the Plan's ability to transact at contract value is probable.

NOTE – E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in employer contributions.

NOTE – F: TAX STATUS

The Plan is a prototype plan offered by Empower Trust Company, LLC. The prototype has received an opinion letter from the Internal Revenue Service, dated March 31, 2014, informing the prototype sponsor that the prototype is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the prototype has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE – F: TAX STATUS (Continued)

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has evaluated the tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

NOTE – G: INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

NOTE – H: RELATED PARTIES AND PARTIES IN INTEREST

Certain investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively “Empower”). Empower is also the Plan’s custodian and record keeper, as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Notes receivable from participants also qualify as party in interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE – I: CONCENTRATIONS

At December 31, 2022, seven investments accounted for 83% of the Plan's total investments. At December 31, 2021, six investments accounted for 75% of the Plan's total investments.

NOTE – J: EFFECT OF COVID-19 PANDEMIC

The COVID-19 outbreak that started in the United States in January 2020 has caused economic disruption through mandated and voluntary business closings in the United States and across the globe. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants. The extent of the impact of the COVID-19 outbreak on the financial performance of a plan's investments will depend on future developments, including the duration and severity of the outbreak and its impact on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the plan's investment results may be materially adversely affected.

A prolonged widespread epidemic could adversely impact global economies and financial markets resulting in an economic downturn that may disrupt the demand for a plan sponsor's goods and/or services. Such disruptions could adversely affect plan sponsor profitability, cash flows, financial results, and the ability to make required plan contributions.

NOTE – K: SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2023, which is the date the accompanying financial statements were available to be issued.
